BELCASTRO LOOKING FOR REVENGE IN ARMORY BOUT

GRIDIRON STAR AND ROUGH GRAPPLER IN GRUDGE GO TONIGHT

Civil war will break out again tonight at the Armory when Pete Belcastro, California grappler, will attempt to avenge the blows delivered by Swede Anderson, which felled him to the mat following his sensational boxing bout with Ray Frisbie two weeks ago. Anderson, former Medford high and Ashland Normal school football star, will meet the bellicose boy from the south in a wrestling match which should provide plenty of fireworks. The ex-grizzer will make up in strength and all-around athletic ability what he may lack in the finer points of the bone-crushing art, while Belcastro is an aggressive, rough and tumble matman who gives the fans plenty of thrills.

CHRISTNER AND VAN HEE DRAW

PORTLAND, Ore., May 17.—(Sp.)—Frank Vanhee of Seattle and K. O. Christner of Akron, Ohio, went 10 hard-hitting rounds to a draw in the main event of last night's fight program here. Vanhee weighed 202 and Christner 207. The Seattle fighter found his big round in the eighth. He rocked his opponent against the ropes with a volley of punches, then shot a jab to the body that nearly dropped Christner to the canvas. Christner claimed a foul but the referee did not allow it.

Steve Walkout, 208, Astoria, won a technical knockout over Bob Willard, 218, Hood River, in the third of four scheduled rounds. GRANTS PASS, May 17.—(Sp.)—"Rainbow" Gibson phoned the Daily Courier early Tuesday that the big salmon run is on. Over 45 big ones were taken near the Weasau Inn Monday and some 18 before 8 a. m. Tuesday. In the catch were a number of jack salmon, indicating to river men that the main run of salmon was near. Gibson expects this week to be the best of the spring run of the big fish.

Roland Warren.

THRILLS PROMISED IN SUNDAY RACES AT EMIGRANT DAM

With due warning having been given that the people of Rogue River valley have but one opportunity this season to witness such a spectacle, it is expected that few will fail to attend the big speedboat regatta to be held on Emigrant lake next Sunday. Efforts have been doubled, however, to make this the most outstanding outdoor event that has ever been held in Oregon.

From the time the opening gun is fired by Clatus McGredie at 1:45 p. m. until the program is completed at 5 p. m. thrill after thrill will crowd before the assembled throng into three solid hours of enjoyment. It has been truthfully said that there is no other sport that can provide the thrills of outboard hydroplane racing for the drivers and spectators alike.

Listed among drivers who have signified intention of competing are the names of many who have won fame in this sport on the Pacific coast. The first return entry received by the committee from the 80 invitations mailed out, was that of Ward Angilly of Marysville, Cal., a sensational driver with many victories and records to his credit. Closely following were the entries of the Willour brothers of Sacramento, who "stole the show" in the races here last spring. The Mahoneys of Stockton will enter an entire new fleet of the latest thing in racing craft. The renowned "Chet" Livingston, a fearless pilot from California, will arrive Saturday evening. "Cous. Louis of Eureka" and W. K. "Sam" "the flying engineer" of Redding, are among other entries of the Regatta.

From the north comes word that "Dick" Cookley of Portland will arrive Saturday with his trim little craft "Mutt and Jeff." This blond young giant with his diminutive boat, showed his heels to all comers in classes "A" and "B" at Astoria last fall. The old veteran, George Hurley of Albany is expected, together with Val Plie of Portland, Allan McCoy of Vancouver, Wash., and others from Seattle, Spokane and other northern points. Hopes of local fans of keeping at least some of the honors at home rest upon the shoulders of the following drivers: Floyd House, Heine Fluhrer, Harold Grey, Joe Meyer and several others who are making strenuous efforts to get their equipment in shape by Sunday. The ill-fated boat, Black Friday, driven in the past by Heine Fluhrer, will be piloted this year by Floyd House, and Floyd has solemnly promised that he will keep it off the bank and out of the judges' stand. Heine will center his efforts during the day toward keeping "Cecelia" right side up on the course. Many will remember when this boat, piloted by Heine at Savage lake, made a complete loop the loop and continued to run until halted by other crews. The fast little hydroplane "Irish Luck" will exert its two drivers to the utmost in trying to uphold its record of victories last season. Jerry

Evans Valley

EVANS VALLEY, May 17.—(Sp.)—W. J. Adler of Burbank, Cal., was a business caller here Saturday, looking up possible trades for southern California people. He and his wife are visiting the Gibbons at Weasau Inn, on the Pacific highway. Rain-bow Gibson is Mrs. Adler's brother. The Adlera come every year during the salmon run. Mr. Adler caught a 42-pound fish, the second largest taken this season.

Wimer school will have a new staff of teachers in the fall. Mr. Ballou of California will be principal. Assisting him will be Miss Davies from Applegate and a young lady from Ashland Normal. The Sacres have not announced their future plans, but as they are greatly interested in farming, hog and poultry raising, they may stay here. The little folks in the school will miss Mrs. Sacre who is particularly adapted to primary work and loved by her pupils.

Mrs. Clyde Galbraith was also well liked as a teacher and her pupils and friends will miss her. The family is moving south to eastern Oregon. Clyde having traded the ranch on Evans creek for a ranch in the John Day country. Spencer Miller, representative of the Oregon Farmer, called here during the week, making new friends for his paper and renewing old subscriptions.

Mrs. Vivian Norman Barto made a business trip to Medford Saturday. Mrs. Hugh Hubbert and daughter Vivian called at Mrs. Catharine Law's home Saturday. Mrs. Bill Offit and daughter, Mrs. Newlin and little son Billy of Medford called at Mrs. Catharine N. Law's ranch Friday. Mrs. Law has been suffering with a sore hand, having punctured it through the palm, making a painful gash which was slow in healing.

Mrs. Bradford and Harper and Mr. Bradford's son were looking at some land here Sunday with a view to moving here from Jacksonville. Petty thieves stole the springs and carburetor from John B. Palmer's car some time lately, but the loss was not noted until Saturday when Mr. Palmer returned to his ranch after a winter of mining. Red Hatched of Rogue River finished mining for this season on Mrs. Law's place this week. He found some very fine quality gold, but not enough of it to suit all concerned. Now he has gone fishing.

Howard District

HOWARD DISTRICT, May 17.—(Sp.)—Howard P.-T. A. held its regular meeting Friday, at which the new officers took their places. A household shaver was given for Mr. and Mrs. Boyd Brock, who were recently married. Many useful and lovely gifts were presented them. Many here have been having the flu lately. Mrs. Doty, Mrs. Smith and Mrs. Nelson all have been on the sick list.

The Shroyer family has moved into the house recently vacated by the Stump family. Many from here plan to attend the field day and picnic at the Oak Grove school, May 19. It is planned to take all the children from Howard school, and all who can go and take some children are requested to do so. Mr. and Mrs. Frank Widner spent the week-end at Klamath Falls, where they attended the graduation exercises. Mrs. Widner's niece being among the graduates. Mrs. Willard Seymour of Copco visited Sunday afternoon with her aunt, Mrs. Chas. McKee. Eighth grade banquet will be given May 17. This will be given by the P.-T. A., honoring the eighth grade parents and teachers.

McLeod

McLEOD, May 17.—(Sp.)—Laurel-hurst P.-T. A. met May 10 with the following officers elected: President, Mrs. Roy Vaughn; vice president, Mrs. W. D. Coburn; secretary, Mrs. C. E. Closs; treasurer, Mrs. Ted Smith. Mrs. Coburn is the retiring president. Rev. D. Randall presented the Central Point quartet concert at Laurel-hurst school Tuesday evening. A large and appreciative audience enjoyed the song service. Summer cabins at McLeod camp are being remodeled and enlarged. Rogue river is again settled and clear since the rains have ceased. The salmon can be seen in large numbers in favorite spawning beds. A birthday dinner was given Wednesday honoring Bob Allworth. The following friends were among those present: Mr. and Mrs. E. D. Hogg, Mr. and Mrs. W. D. Coburn and Betty and Billy Coburn. A crew of local men are at work on the Richardson road under the supervision of Tom Carlton. The county assessor has been here this week. McLeod extension unit will meet at Clara Gordon's, May 25 at 1:30 p. m. Mrs. Mabel C. Mack will help plan next year's program. Election of officers will also be held and it is hoped every member will be present. Fender and body repairing. Prices right. Brill Sheet Metal Works.

Forget Your Pride and Use Spoon Oftener—Sarazen

By GENE SARAZEN (As Told to Alan Gould) Many golfers suffer from the bad habit of using a club that is "too long" for them; trying to reach the green with a No. 4 or 5 iron when what they need is a No. 2 or perhaps a spoon, depending on the distance they are accustomed to get. With some it is a matter of pride to use the doubtful club or, to take what the caddy hands them, even though knowing the odds are about 10 to 1 against their getting the desired results. Depends Upon Player's Ability In proper average golfers to use the longer club, I would qualify my recommendation to the extent of allowing for the individual player's ability. Some are longer hitters than others, no matter what club is used. They must adjust themselves to their capabilities. I would have no qualms, myself, about using a spoon to get home from about the same spot my opponent used a No. 2 iron if I felt convinced my chances of success were better with the wood. I prefer the spoon to the No. 1, or driving iron, and believe most players should do so. It takes an expert to master the use of the No. 1 iron. Tommy Armour is one of the few who can use this club to advantage, either off the tee or through the fairway, on a long shot. Use The Spoon Instead It is generally a liability to even the better-than-average players, for the reason that there is very little "loft" and consequently a thin margin of safety. It's a good idea to leave the No. 1 iron out of the bag altogether, using a spoon instead. I have seen Bob Jones, on a number of occasions, use a spoon off the first few tees, until he got warmed up and felt convinced he had the "feel" of his longer woods. He used the spoon to great advantage, other wise and furnished a good tip to the ordinary player.

Gene Sarazen.
