

### MARKET SURVEY PLANNED BY C-C TO AID FARMERS

The first initial step towards forming a definite agricultural program was taken this week when members of the new agricultural committee of the chamber of commerce, under the chairmanship of Chas. A. Wing, met and discussed future plans. General discussion at the meeting covered all phases of agriculture in Jackson county and it was determined that the immediate completion of a marketing survey was of paramount importance. The committee has been divided into various sub-committees which will meet during the next week or so to outline a definite policy. As soon as these committees have com-

pleted their work the matter will be brought before the general committee and the agricultural program for the next twelve months will be immediately put underway. Sub-committees formed were: Dairying: H. A. Thierolf, chairman; J. A. Anderson, Chas. Luman, W. J. Warner, Frank VanDyke, Sr., D. O. Fredericks. Fruit Growers: S. W. Richardson, chairman; E. M. White, Roland Hubbard, R. A. Mikache, G. B. Dean. Truck Gardening: W. A. Gates, chairman; Otto Bohner, I. R. Kilne. Poultry Raising: Eli Campbell, chairman; D. W. Beebe, R. G. Fowler, G. E. Barr. General Farming and Stock Raising: Henry E. Conger, chairman; Verne Brophy, C. E. Morton. The following committee was appointed to immediately act in motion the marketing survey which it is expected will take considerable time to be perfected: H. E. Conger, general chairman; W. A. Gates, R. G. Fowler and R. A. Mikache. "KUROK" a specific remedy for treatment of poison oak. Satisfaction guaranteed. Grace Laboratories 205 Liberty Bldg.

### HITLER ENDORSES ROOSEVELTS PLAN FOR DISARMAMENT

(Continued from Page One.) department officials today described the speech of Chancellor Hitler of Germany on disarmament as encouragingly conciliatory. Disarmament experts at the department noted particularly that Hitler expressed his approval of President Roosevelt's dramatic appeal for abolition of offensive weapons, declared his willingness to accept international control of armaments, and stated that Germany was willing to count its national police force and storm troopers in figuring its armed forces. Hitler's announced approval of the

MacDonald arms reduction plan in principle was seen as a hopeful sign for progress at the Geneva conference, scheduled to reopen tomorrow. Especial importance was attached to the statement that Germany was not thinking of war of aggression and did not want to rearm, but rather wanted other nations to disarm. A willingness to obtain modification of the restrictions of the Versailles treaty by peaceful methods, rather than armed force, was the interpretation officials placed upon Hitler's words. WASHINGTON, May 17.—(AP)—Encouraged by the world reception to his arms message of yesterday, President Roosevelt made it a point today to listen to the speech of Adolf Hitler on German aspirations. Although he made no immediate comment, it was quickly said at the state department that the chancellor's address to the Reichstag was encouragingly conciliatory. With the President in the White House proper to hear the speech were Postmaster-General Parley, Assistant Secretary Moley of the state department and members of the President's personal staff.

### PLAN PUBLICITY FOR ROGUE AREA

Publicity committee of the Chamber of Commerce held its first meeting of the fiscal year this week and many ideas regarding future publicity for Medford and the Rogue River valley were brought out. The committee has recommended to the board of directors that an amateur photo contest be conducted for the next four months, details of which will be announced later. It was also decided to put on a year campaign the object of which will be to increase the use of peats in hotels, railroads, restaurants, etc. Approximately a dozen new publicity ideas were thoroughly discussed, many of which will be started in the near future, and it is the purpose of the committee to meet regularly twice a month in order that no opportunity shall be lost to obtain

### BANK WOULD COLLECT MORTGAGE FOR \$7500

Suit for collection of \$7500 from the Growers' Exchange by the First National bank was filed in circuit court yesterday. The bank contends it holds a mortgage on four lots and packing equipment belonging to the Growers' Exchange, and that to properly preserve the assets, immediate possession of the property is necessary.

### FISHERMEN RESUME WORK ON COLUMBIA

RAINIER, Ore., May 17.—(AP)—Mid-Columbia river fishermen once more had their boats out on the drifts today, assured that their catches of Chinook salmon would bring them 7 cents a pound and that packers would seek protection for them through the governors of Oregon and Washington in the event any efforts were made to interfere with their fishing. Meeting here yesterday with eight representatives of packing firms operating several canneries on the Oregon and Washington shores, the fishermen offered to return to work for the 7-cent price.

The St. Mary's Academy will give a party Friday, May 19, at 2 o'clock. Admission will be 35c.
