WHITE AND MONROE IN MAIN EVENT TONIGHT

REOPEN OLD FEUD WHEN JOHNSON IS UNABLE TO FIGHT

Chiloquin Battler Kicked by Horse and Injured—Lillard Substitutes Monroe for Indian Main Eventer

Frankie Monroe will fight Herb White in the main event at the Medford armory tonight instead of "Butch" Johnson, according to an announcement made by Mack Lillard, promoter, who returned yesterday from Portland. Johnson was kicked by a horse on his ranch at Chiloquin yesterday, according to a message received by Lillard, and may be out of the fight game for some time.

Monroe and White have fought twice, with Monroe winning one and one ending in a draw. White, however, now feels that he has Monroe's attack solved, and will be able to get through him for the old K. O.

In their last fight here, White lost after a fast bout in which Monroe gave White a body lacing, but White now feels that to slug it out with Monroe early in the set-to is the only way to beat him. White may try to do just this thing, which will make a plenty fast fight.

Spider Fields will appear here again after a long absence from the Medford ring, against Frankie Nelson of Portland. Fields is throwing his cap into the lightweight tournament ring with gusto, and declares he will be on, or near, the top of the list when the last bell is rung.

Preliminary bouts will be between Chief Grey Eagle and Del Jones, and between Ray Mann and Lew Polin, both four-round fights. Crief Grey Eagle has fought here before and fans like him. The other boys are new, but scrappy, and a gay evening is promised.

Tonight's bout between Monroe and White will indicate Herb White's chances in the lightweight tournament, as Monroe is in line to take the honors. A draw, or a win over Monroe, will put a big feather in Herb's cap.

LORD DERBY WINS WITH HYPERION IN ENGLISH CLASSIC

EPSOM DOWNS, Eng., May 31. — (AP) — Lord Derby's Hyperion, the second choice at 100 to 11, today won the 150th running of the English derby before a crowd of 250,000, including the king and queen.

King Salmon, carrying the silks of Sir H. Cunliffe-Owen was second and Victor Emanuel's American owned Statesman third. Twenty four ran.

Hyperion, ridden by Tommy Weston, gave Lord Derby his third victory in the event founded by his ancestors in 1780. The last time he won was in 1924 when Sansovino carried the famous silks to victory.

The winner is by Gainsborough out of Slieve.

Hyperion finished four lengths in front of King Salmon. Another length separated Statesman from King Salmon. King Salomn was quoted at 7 to 1 in the betting and the American-owned colt at 20 to 1.

The other two American entries, John McCormack's Franz Hals and W. M. G. Singer's Myosotis, both outsiders in the wagering, were unplaced.

Scarlet Tiger, owned by Lord Durham, was fourth.

Hyperion ran the one and one-half miles over the up and down hill course in 2:34:4-5, only two-fifths of a second off the record of 2:34:2-5 set by Call Boy in 1927 and equalled in 1928 by Felstead.

King Salmon, sired by Salmon Trout, and Statesman staged a great finish in battling for second place, but the American-owned colt weakened in the final sixteenth and just managed to beat Scarlet Tiger for third miney.

The race was worth 9,356 pounds ($37,344) to the winner.

'PRINK' WILL SCAN ATHLETE RECRUITING

EUGENE, Ore., May 31—(UP)—P. G. ("Prink") Callison, University of Oregon coach, will watch with interest California's experiment of open recruiting of athletes, he said yesterday.

"It's been done before," Callison said. "Solicitation of athletes has been practiced before in one form or another. It will be interesting to see how far they will carry out their particular scheme."

RUTH REFUTES OLD AGE HINTS BY FAST PACE

By ALAN GOULD

On the day Babe Ruth blasted his first home run into the right field bleachers I happened to have a brief, monolyllabalic chat with the great man as he sat, swathed heavily and chewing vigorously, in the Yankee dugout. The stenographic report ran something like this:

How was he feeling?

"O. K. kid, except for this throat. Still sore."

No doubt this would come around.

"Yeah, need some warm weather, though. Too blankety cold for baseball."

How did things look in general, so far.

"O. K."

Did the new A's impress him?

"Not so hot. Still a breeze for us."

Everything was quite all right, then?

"O. K., kid. See yuh later.

The gazelle-like maneuvers of the Babe at the outset of the campaign have brought discomfiture to the camp correspondents who harped steadily on Ruth's shortcomings afield and on the bases.

They said he was anchored in right field, so he promptly started out to cover more territory than he has handled in a couple of years, galloping up and down the bank in front of the bleachers and snagging every hit that came his way. He saved Gomes's great victory over Earnshaw with a bare-handed catch.

They hinted he would need administration support to negotiate the bases, so he stirtled one and all by stealing second base against the Aathletics one Sunday afternoon.

Maybe he can't keep up this pace but the Babe no doubt is having a lot of fun, meanwhile, laughing at the boys.

Ruth will draw the customers and do his share, barring accidents, but Lou Gehrig will do most of the heavy hauling for the world champions this season.

Going on his ninth consecutive year without missing a single ball game, Gehrig is one of the marvels of the game. He started his streak in 1925 and only needs about 100 more games to top Everett Scott's all-time record of 1307 games played in succession. The wear and tear of such in iron-man performance seems not to have affected Columbia Lou in the slightest.

He doesn't have as much worry about his weigh as Ruth. His mode of living and temperament favor a long playing career. He is hitting the ball harder than ever and already off to a better start than usual in the home run derby. In short, it lookat like a big year for the big eel-eater of New Rochelle.

ROGUES TRAMPLE MINERS, 21 TO 2, IN PRACTICE TILT

Locals Have Field Day at Bat With 19 Bingles — Williams, Caldwell Shine As Mound Substitutes

Making their initial appearance at the fair grounds, the Medford Rogues yesterday defeated the Jacksonville Miners by the lopsided score of 21 to 2.

No mates, it was not a football game, but a baseball game, and thoroughly convinced local fans that we have a ball team this year which, without a doubt, will give any teams in the state a run for their money.

Heavy Hitting

The game was marked by heavy hitting on the part of the Rogues, who hit two Jacksonville pitchers, Coffman and McIntyre for a total of 19 safe blows. With the exception of Lange, every member of the Rogues got at least one or more hits. Coy, catcher, led the attack with 4 hits. Clay connected for a home run and two singles, while Green hit two three-baggers. Although held hitless, Lange starred at second base, handling nine chances without an error. Hess and Lusk hit hardest for the Miners, getting two hits each.

Williams on Mound

As neither Lake or Pritchett was available for service, Manager Haight sent Tooley Williams to the mound. Williams held the Miners to three hits and two runs in four innings, giving way to young Jack Caldwell, rookie pitcher, who twirled shutout ball for the remainder of the game.

All members of the Medford team were guests of Geo. Hunt at the Crateriam last night, witnessing the sensational baseball picture, Elmer the Great, featuring Joe Brown.

Practice sessions will be held at the fair grounds Thursday and Friday, starting at 5:30 p. m.

Manager Haight and members of the team were quite indignant over an article appearing in yesterday's Mail Tribune which emphasized the fact that the Grants Pass teams were claiming the championship of southern Oregon for this year. As basis for their claim, Grants Pass stresses the fact that they beat Eagle Point two out of three games and that the Cheesemakers were the only outstanding opposition. Evidently the boys from the Pass overlooked the fact that Medford has played Eagle Point on three occasions, winning all three games—score 4 to 2, 6 to 4, and 3 to 1.

As a matter of fact, states Manager Haight, "It's the first time that I ever heard of a team winning or claiming a championship in May. As a rule, those matters are settled along in August and September, most teams hardly even starting before Hay. Has the Grants Pass management overlooked the fact that Klamath Falls, Coquille, Medford and even Gold Hill have baseball teams, anyone of which would be very likely to take the "would be champions" into camp."

RECKLESS DRIVING CHARGE IS FILED

Allen McClanahan, 30, was arrested last night charged with reckless driving, as the result of an auto crash at Fifth street and Central avenue last night. McClanahan is also charged with not possessing a driver's license, and weak brakes.

The car driven by McClanahan collided with the Packard sedan belonging to Ed G. Brown, causing it to careen across the street into a state police car standing at the curb. The state police car was so badly wrecked it was necessary to call a wrecker to haul it to a garage. Two wheels were torn off.

Occupants of the two autos escaped without injuries.

W. S. C. REPEATS IN CAPTURING TRACK AND FIELD CROWN

PULLMAN, Wash., May 31.—(AP)—For the second consecutive year, Washington State college wore the track and field championship crown of the northern division of the Pacific Coast conference.

She won it with points to spare in the annual division meet here yesterday in which teams of the Universities of Washington, Oregon, Idaho, Montana and Oregon State colleges also competed.

Three conference records were surpassed and one tied, but a brisk breeze was blowing and officials of the meet expressed belief that the records would not be accepted.

Captain Paul Starr of University of Oregon, double winner in the sprints last year, ran the 220-yard dash in 21 seconds flat to break the record of 21.6 seconds set by Wesley Foster, Washington State negro flash, in 1928. He also won the 100-yard dash in 9.8 seconds, one-tenth of a second slower than the conference record.

Warren Demaris, also of University of Oregon, threw the javelin 205 feet, 9 inches, to better the record of 199 feet, 3 inches set by Arthur Crewes last year. Homer Hein, Washington State, threw the spear 204 feet, 10¾ inches, which also was better than Crewes' record.

Hal Dunker, Washington State sophomore, heaved the shot 49 feet, 7⅞ inches to break the mark of 49 feet 4 inches set by Paul Jessup, University of Washington, in 1929.

In the 220-yard low hurdles, Captain Dan Bracken, University of Washington, tied the record set by Anderson, in 1929, at 23.2. McCoy of Oregon was second.

DEATH TOLL IS THREE IN MEMORIAL DAY CLASSIC

By Charles Dunkley, Associated Press Sports Writer.

INDIANAPOLIS, May 31.—(AP)—Three daring young men lay dead today, tragic victims of smashups yesterday in the 500-mile automobile race won by Louis Meyer, Huntington Park, Calif., in a record-breaking finish.

By his triumph, Meyer became the second driver to win the race twice. The other was Tommy Milton of St. Paul, who triumphed in 1921 and came back to ride to victory in 1923. Meyer previously had won in 1928.

With three deaths yesterday and two in the qualifying tests Sunday, the race had claimed five lives, the biggest sacrifice to speed since 1919, when three were killed. The three victims yesterday were Mark Billman, 27-year-old Indianapolis driver; G. L. Jordan, also 27, Lafayette, Ind., mechanic, and Lester Spangler, 27-year-old driver from Los Angeles competing for the first time in the Indianapolis classic.

While the cheers of 100,000 spectators were acclaiming Meyer as the speed king of 1933, Billman and Jordan were dead. Spangler succumbed to his injuries last night, five hours after he had been injured.

The bodies of Spangler and Jordan were horribly crushed when their car, traveling at terrific speed, hit a machine driven by Malcolm Fox of Westville, N. J., on the southwest turn shortly after Billman had wrecked his car on the opposite turn.

Another car, racing in front of Fox skidded and forced him to shoot towards the outside retaining wall.

Spangler's racer hurtled over Fox's machine, and landed on the wall. Fox's car shot to the outside wall where it dangled until pulled off by a wrecking crew. Neither Fox nor his mechanic was seriously injured.

The accident, coming within a few seconds after Billman had crashed, was one of the most spectacular in recent years. Both Spangler and Jordan were tossed from the car and fell with great force on the brick track. Both suffered skull fractures and were so disfigured they could not immediately be identified.

Billman met death on the southeast curve when he skidded into a lower retaining wall and then smashed against the outside wall. His left arm was nearly torn off, both legs were broken and he suffered internal injuries.

Billman's riding mechanic, Elmer Lombard, of Indianapolis, was catapulted out of the car. He landed outside of the track more than fifty feet away but was not seriously injured.

Meyer, $12,000 richer as the result of his victory, intends to go back to California. He may race in another event but he is not sure.

The 29-year-old Californian, driving without relief, smashed all records for the race by covering the distance in 4:48:00.75 to average 104.162 miles an hour, shattering the record of 104.144 hung up by Freddy Frame of Los Angeles in winning the 1932 race.

ROSENBERG NELIS FETCH TOP PRICE

Rosenberg Bros., owners of the Bear Creek orchards, report the recent sale of a carload of Winter Nelis pears (720 boxes) at auction on the New York market for $3.35 per box. This is the highest price of the year for local pears.

According to Harry Rosenberg, the price is significant in showing that the inflation values have affected pears, as well as other commodities, and that "it contains a note of hope for the growers."

ARCHERY STARS' PICTURES TAKEN

Photograhps of Mr. and Mrs. Herman Prouty of Portland who hold some of the world's most outstanding titles in archery, and who participated in the archery convention events here the first of the week, are being sent to the Underwood and Underwood by the Medford Chamber of Commerce.

Mrs. Prouty holds the state, west and northwest and ex-national archery flight shoot championship and the world's record, won at Corvallis when she shot 346 yards.

Mr. Prouty is national champion of two years and has shot arrows the greatest known distance, his record being 466 yards.

Pictures of the two champions were taken by J. Verne Shangle during the archery convention.

NELSON HEARING SLATED MONDAY

The preliminary hearing of Walter G. Nelson, of Portland, road construction worker, charged with hit and run driving, in which S. W. Baize, aged road watchman, sustained serious injuries, was contained this morning by Justice of the Peace William R. Coleman, until Next Monday. Nelson is at liberty on $1500 bonds.

The condition of Baize, was reported as improving, and attending physicians believe, he will recover. He sustained a severe hip injury, and other hurts.

Nelson is alleged to have ignored Baize's signal to halt, at the Central Point cut-off- Pacific highway intersection, and to have failed to render aid and assistance, after striking Baize with his auto He was arrested an hour later by state police.

Degree of Honor to Meet—Degree of honor will meet tomorrow evening at 7:30 o'clock at the Labor Union hall. Friends of the members are cordially invited to attend. An interesting program has been prepared and refreshments will be served.

VINING VICE-PRESIDENT HIGHWAY BEAUTY GROUP

Professor Irving E. Vining of Ashland has accepted the vice-presidency of the Oregon Council for the Protection of Roadside Beauty, according to W. S. Bolger, president of the chamber of commerce.

Mrs. Jessie M. Honeyman, president of the Oregon Council of the Protection of Roadside Beauty, requested the local organization to recommend someone for the vice-presidency and Mr. Bolger appointed Professor Vining.

"Mr. Vining's deep interest in the scenic resources of Oregon and particularly southern Oregon, fits him admirably for the position," stated Mr. Bolger, "and we are very happy that he has seen fit to accept the appointment."
