Methodists Meet In Grants Pass; Program Reported

In clever folders, designed by Mrs. Everett Faber of Central Point, the program for the meeting of the Cascade district of the Women's Missionary Society at the Grants Pass Methodist Episcopal church, has been announced. The sessions will be held June 9, beginning at 10:30 a. m. and continuing until 4 p. m.

The complete program follows:

Opening Service—Miss Helen Carlton.

Appointment of officers.

Annual reports of committee.

Hymn.

Invocation of officers.

"My Story of a Training School"—Miss Mae V. Powell.

Demonstration—corresponding secretary, Mrs. N. J. Wiley.

Roll call—secretary, Mrs. A. E. Lyman.

1:30

Opening service—Miss May Phipps.

What I Found Interesting in the Annual Report—Ashland Auxiliary.

Music—Grants Pass.

"What I Believe Most Vital in a Missionary Auxiliary"—Talent and Medford Auxiliaries.

"Rethinking Temperance"—Rev. F. L. Wernett.

Prize from Home Missions—Grants Pass Auxiliary.

4:00—Closing.

Miss Scheffel

Guest from Klamath

Miss Cary School of Klamath Falls is a guest here this week of her cousin, Pauline Rogers. Both girls will spend a few days in Ashland as guests of Mrs. N. L. Gifford before Miss Scheffel returns home.

Altar Society Plans

Wednesday Card Party

St. Ann's Altar society will entertain at cards Wednesday evening at parish hall. Contract and auction bridge and 500 will be played, beginning at 8:15 o'clock, the time having been arranged, because of the closing May devotions at the church.

On the committee for the affair are Misses Mildred Dugan, Yvonne Devaney, Helen Dugan, Dorothy Ness and Meadeames Joe Myers, Joe Marshall, Jr., H. A. DuBouque, M. Doyle, Dalley and Dupray.

Brownie Pack

Organized Here

On March 22, the first Brownie Pack in Medford was organized by Miss Beth Gillings. Brownies are girls who are between the ages of seven and eleven years, who plan to be Girl Scouts when they are older. The Brownie Pack is under the jurisdiction of the local Girl Scout community committee.

The program, while not identical with the Girl Scout program, has the same high ideals of developing the girl for better womanhood.

There are now twenty registered Brownies. They are: Betty Jane Borland, Lucille Chisman, Virginia Clegg, Phyllis Clevin, Marjorie Cox, Rozella Cutcher, Jeanne Erskine, Betty Frey, Mary Gunther, Cora Ella Havens, Betty Latham, Mary Marain, Natalie Parker, Melissa Persons, Odille Ann Persons, Jean Smith, Dorothy Stubbfield, Carol Tengwald, Virginia Turnbow and Ann Van Valzah. The other members of the Dark Hollow Pack, who have not yet registered, are: Frances Comany, Phyllis Goodfellow, Adrienne Griggs, Ivy Hart, and Janet Turpin.

Miss Amy Lynch is Brown Owl and Miss Beth Gillings is Tawny Owl. These two positions correspond respectively to captain and lieutenant of a Girl Scout Troop. The Pack is divided into four groups called Sixes, corresponding to patrols in the troop. Instead of a patrol leader and an assistant patrol leader, there is a sixer and a second. Ann Van Valzah is sixer of the Elf six with Dorothy Stubbfield as her second; Jean Smith is sixer of the Gnome six and Lucille Chisman is second; in the Kelpie six Ivy Hart is sixer and Betty Frey is second; and in the Pixie Six, Melissa Persons is sixer while Betty Latham acts as second. Each Six lives in its own Sixland and has its own Six song.

The outstanding activities this year have been two enrollment ceremonies, a hike and a party which is to be held at the home of Tawny Owl on June 7.

The Dark Hollow Pack has met every Wednesday at 3:30 at the Washington school where the teachers gave splendid cooperation to Brown Owl and Tawny Owl. Plans are being made for the organization of several more packs after school opens in September.

HEATHMAN HOTELS

Wet Propaganda Subject of Adult C. E. Discussion

(Contributed)

"Wet Propaganda" will be discussed by the Adult Christian Endeavor at 7 p. m. under the leadership of Mr. Charles Nahas.

Why Dairy products go down in price when boise flows freely will be shown by government records.

The old worn-out argument of the wets that there was more drinking under prohibition will be introduced to Mr. New Argument "that there will be a market for farm products if we can revive the booze industry again."

It will be shown from speeches made in congress by "Wets" that they do not expect the American people to drink as much now as prior to 1918 and that it will take several years for America to get back her full appetite.

Will booze help anyone except under-derikers, lawyers, white slave, dealers, auto wreckers, etc? The answer given by the Salvation Army is no. All interested in facts are urged to attend this service at the Christian church.

Methodist Missionary Group to Meet

The annual Cascade district meeting of the Woman's Home Missionary Society of the First M. E. church will be held at Grants Pass Friday, June 9th for an all day session. Members are asked to prepare box lunches. Hot coffee will be served by the ladies of Grants Pass.

Dr. and Mrs. Jacobs

Visit in Medford

Dr. and Mrs. Milan Jacobs of San Francisco spent the week-end and Memorial day in Medford visiting at the home of Mr. and Mrs. J. W. Jacobs.

"Y" Board Meet

Monday Evening

There will be a meeting of the Y. W. C. A. board at the "Y" Monday evening at 7:30 o'clock.

Neighbors Woodcraft

To Report Convention

The next regular meeting of Chrysanthemum circle, No. 84, Neighbors of Woodcraft, will be held Wednesday evening, June 7, at 8:00 o'clock in the L. O. O. F. hall. A complete report of the Roseburg convention will be given.

Mrs. Conwill Hostess

To Contract Club

Mrs. Ralph Conwill was hostess last Thursday to members of the Contract club.

Pythian Sisters

Plan Supper

The Pythian Sisters will give a pot-luck supper on their regular meeting night at 6:30 Wednesday, June 7.

Sisters Wolfe, Swarts and Jeschke will be hostesses

Colonel Hargest

Auxiliary to Meet

Col. Sargent Auxiliary No. 13, U. S. Spanish War Veterans, will meet in the Armory Wednesday evening, June 7. All members are requested to attend, as it is the last meeting of the summer.

Mrs. Andlen Honors

Guests at Dinner

Mrs. Grant and Mrs. Muriel Hawk and small daughter were dinner guests Friday of Mrs. George B. Andlen.

Mrs. Lawton Guest

Here From South

Mrs. John Lawton, the former Miss Dorothy Norman, is guest here from Oakland of Mrs. C. W. Davis at her home on Cottage street.

Activities of Legion Auxiliary

By Mrs. Cole Holmes

Members of the Medford unit of the American Legion Auxiliary wish to thank every one who so generously gave to or helped in the poppy sale. It was very successful. We will be able to carry on our warfare work next year and the disabled veterans in the hospital will have a little money to help supply themselves with a few of the so-called luxuries of life. Unfortunately the everyday necessities but need a little money to supply themselves with tooth paste, gum, candy, tobacco and such. The Medford unit with a number of other units send a certain amount of money each month to the hospital, Mrs. M. M. Wright, who is the state chairman, can give the disabled each month.

The memorial committee under the chairman, Mrs. Ray Wright, made about eighty sprays and placed them on the graves of World War veterans and auxiliary members at the cemetery of Gold Hill, Jacksonville, Project, Phoenix, Talent and Medford. These sprays were composed of evergreens and large paper poppies white and shaped.

The sewing club of the Auxiliary is to meet at the welfare room over the home of Mrs. F. D. Wagner on Wednesday, June 5, at 8 o'clock. A good attendance is desired as more clothes are needed by the Red Cross.

The prizes for the Americanism contest were awarded by Mrs. K. D. Ross, president of the Medford unit of the American Legion Auxiliary, and Mrs. Jacobs at the assembly at the junior high school. The title of the essay was "What Constitutes Good Citizenship?" The first prize was won by Kathryn Mead. The winner of the first prize has her name engraved on a plaque donated for this purpose by the Auxiliary last week.

All three winners received a cash prize from the Americanism fund of the Medford unit.

The music club of the Auxiliary is to meet Monday from 7 to 8 p. m. at the home of Mrs. Gladys Watson.

The poppy division sponsored by the Auxiliary last week, is over and the winners were awarded their prizes. In senior high school Richard Slight was first; in junior high school Anne Dean was first, and in fifth grade Lloyd Colbaugh was first. Elementary division honors awarded to Reed Cox and Jimmy Berrian. Sixth grade honors were awarded to Elinor Shutz, Kathleen Edwards and Helen Smedley. The chairman of the poster contest was Mrs. Leo Williams. The posters of Richard Slight, Anne Dean and Lloyd Colbaugh were sent to Portland to enter the state contest.

Mrs. Andlen Honors

Guests at Dinner

Mrs. Grant and Mrs. Muriel Hawk and small daughter were dinner guests Friday of Mrs. George B. Andlen.

Mrs. Lawton Guest

Here From South

Mrs. John Lawton, the former Miss Dorothy Norman, is guest here from Oakland of Mrs. C. W. Davis at her home on Cottage street.

MAY EXCEPTIONAL WITH 25 CLOUDY DAYS; 1.41 RAIN

By Mrs. Cole Holmes

Compared with former records the month of May, 1933, was exceptional in the predominance of cloudy and showery weather. During the past 28 years of weather Bureau records, there were but two years, 1916 and 1925, with a greater amount of cloudiness in May, and but two years, 1916 and 1932, having an equal or greater number of days with 0.01 inch or more of precipitation.

The extreme cloudiness of the month is shown by the fact that there were 24 days on which clouds prevailed, 23 of which were recorded totally cloudy. Except for the 13th, when skies were clear, cloudy weather was practically continuous for the first 25 days. On the 26th clouds finally cleared away and during the balance of the month bright clear skies prevailed with an abundance of much needed sunshine.

Wet showery conditions accompanied the overcast skies from the first day throughout the cloudy period with but four days on which precipitation was not recorded. Measurable precipitation occurred on 14 days and there were 7 days with amounts too small to be measured. Daily rainfall totals were not large and a monthly maximum 24-hour fall on the 3rd and 4th amounted to 0.87 inches. However, there were occasional rain squalls during which rains were quite heavy for short intervals.

On the 11th, during the most severe rain and hail squall of the month, 0.19 inches fell in the half hour from 3:45 p. m. and 4:15 p. m. and it was estimated that the greater portion of the 0.19 inches fell within a ten minute period.

Precipitation totaled 1.41 inches and as compared with normal for the month shows an excess of 0.21 inches. Seasonal precipitation, however, remained below normal. The seasonal total at the close of May was 14.73 inches, showing a deficiency of 2.92 inches.

The month was also characterized by subnormal temperatures. Mean daily temperatures averaged 51.8 degrees, the lowest monthly mean for May in 23 years. Maximums averaged 68.1 degrees which is also a record lowest mean maximum for May for the same period. The mean minimum temperature of 40.5 degrees is ex-

ceeded in only two previous years as the lowest of record.

Whether conditions throughout May as a whole, although favorable for the minimum of frost occurrence, were not considered satisfactory for crop development or for farm or orchard activities, due mostly to the lack of sunshine.

Weather Bureau Office, Medford, Oregon.

MISS DALEY OPENS KNITTING SCHOOL

Following the precedent of Mrs. Franklin D. Roosevelt, who knits her leisure hours away, Miss Venita Daley of this city has announced opening of a knitting school in Medford, where school girls, business women, and prospective co-eds may learn to make their own sweaters and the many other jaunty costumes, fashions of this year from yarn.

Announcement of the special summer knitting classes was made in the schools last week, and Miss Daley yesterday stated that she would also include in the classes any persons interested in knitting.

"Girls at Smith and Welleley are knitting their own clothes and accessories," Miss Daley stated, announcing that it is quite the thing to do in eastern women's junior colleges. "Paris has decreed hand knit accessories for the mid dressed women of 1933" and Miss Daley is ready to lead Medford in the fashion trend.

Classes will be held each Monday afternoon at 2:30 o'clock in the women's reception room of the Knights of Pythias hall on North Grape. The organization meeting to be held June 12. Complete knitting instructions will be given and lessons on knitting of winter articles the class members prefer from baby bonnets to suits for sports.
