

### HOBSON CARRIES SONS ATHLETES THRU FINE YEAR

#### Football and Basketball Teams Turn in Good Record—Baseball Activity Curtailed by Lack Funds

By Billy Hulen.

Southern Oregon Normal athletes, under the first year direction of Howard Hobson, former university of Oregon star, recently concluded the most successful athletic year in the history of the institution. Playing a total of 34 football, basketball and baseball games with Oregon and California schools and independent teams, the Sons won 24, lost 9 and tied 1 for a percentage of 77.7.

One defeat in Football.

Hobson's gridders, playing a tough six game schedule, suffered only one defeat. That was to Oregon Normal, when Larry Wolfe's Monmouth team sunk the Sons 20-6 in that now famous game at Ashland. Teams to fall before the Sons were: Pacific University, 30-0; Eastern Oregon Normal, 31-0; Chico State College, 14-7; and Humboldt State College, 25-0. In the first game of the season the Sons battled to a 12-12 tie with the California Aggies at Sacramento in a night game.

**Great Basketball Team.**

For the first time in the history of Southern Oregon, basketball fans were able to see the best teams in the state playing on valley floors. University of Oregon appeared twice, Willamette University, Northwest conference champs, played twice, Multnomah club twice and Oregon Normal twice. And in all these games the Sons emerged victorious. With the possible exception of Oregon State, winner of the Pacific coast conference title, Southern Oregon Normal was the greatest team in the entire northwest. They were invited to the National A. A. U. tournament at Kansas City but were unable to make the trip. The most amazing thing about the Sons was their great height and the fact that they were all freshmen just out of high school. The team averaged nearly six feet and a half tall. They played 23 games and won 18 of them, running up 601 points to their opponents 655.

**Fair Baseball Season.**

The least successful sport was baseball. The Sons, due to curtailment of athletic funds, played only five games. They gained two victories over the Medford town team but suffered losses to Humboldt in a two-game series and lost to Eagle Point's Cheesemakers in the finale.

A break in the Ditch Co. washed out the bank for about 200 feet in the neighborhood of Reese creek, near the Humphrey ranch. A large crew is still repairing the damage.

### HEADLOCK EXPERTS WILL MEET

Here's how Al Karasick, the "Russian Lion," applies his reverse headlock preparatory to flinging an opponent over his shoulder, an operation which does a foe no good and usually spells victory for Karasick. In addition to the reverse headlock, Al practices a "chiropractic" headlock with much success. Karasick meets the wily old grappler, Harry Demetral, also a headlock artist, in the main event at the Armory tonight.

Tonight's big night, as far as heavyweight wrestling in Medford is concerned, because Al Karasick, former light-heavyweight champion claimant of the world, and Harry Demetral, threat to champions for years, will clash at the armory ring following the Joe Reynolds-Gwede Anderson bout which starts at 8:30 o'clock.

Anderson and Reynolds will wrestle 45 minutes, or to the best two out of three falls. Reynolds will be the toughest opponent Anderson has met so far, and much of Anderson's future on the mat will depend on his showing tonight.

This stellar wrestling card has been made possible by Mack Lillard, promoter, with no increase in prices. Advance ticket sales indicate a packed house, as fans have rushed in early to be certain of the best seats.

### GOLFERS OF AREA INVITED TO PLAY HERE ON SUNDAY

The Rogue River golf course, never in better playing condition than at present, will be opened for non-members next Sunday when a blind bogey tourney will be staged, with particular invitation extended to Roseburg, Grants Pass, Klamath Falls, Ashland and northern California mailable welders to participate.

Prizes will include fine leather golf bag, first; shot-maker brassie, value \$9.50, third; No. 2 midiron (Flanger sole) fourth; half dozen golf balls, fifth.

Entry fee—non-members \$1, members 50c—will include luncheon to be served at noon.

Play will be by foursomes and the first tee-off promptly at eight o'clock for the eighteen hole test.

It is the plan of A. P. Johnson, chairman of the tournament committee, to get the tourney over with near noon, before the day becomes too warm. According to Jack Huston, pro, the visiting golfers may continue use of the course for the balance of the day, without extra charge if they so desire.
