**W. D. Doty** of this city, one of the jurors drawn for the ballot theft trials and appearing as a prospective juror in the case of Walter Jones, Mayor of Rogue River, who went on trial Wednesday, as one of the accused ballot looters, created a scene in circuit court late yesterday, as he was disqualified.

The state declared that Doty, despite the warning of the court, had attended the La Dieu trial. Drawn as a juror, Doty declared:

"You'll never get a better juror, even if George Coddling was on trial."

As he left the juror box and courtroom, Doty mistook Deputy Sheriff Ed Leach for District Attorney George A. Coddling.

A "Congress" orator. Doty denied that he had attended the trial. Assistant Attorney General Moody informed the court that he had been present. The court ruled that Doty be withdrawn from jury service. He was an occasional "Congress" orator.

## NEW MOTOR FUEL GILMORE PRODUCT

Gilmore Oil Co. will make public the result of its two years of laboratory and speedway experiments on a new motor fuel sometime next week, according to word given C. W. (Chuck) Ellis, local Gilmore manager, by D. H. F. MacPherson, North-west division manager for the company. Mr. MacPherson was a visitor in Medford yesterday.

"We have shrouded details of our new product with all possible secrecy," MacPherson said, "because we didn't want any of our work disclosed until we were thoroughly satisfied that we had something that would instantly meet the approval of all motorists."

"We are so sure of its merit that our plans include an intensive and extensive advertising campaign in newspapers to carry the good news into the homes of all motor car owners."

"This new product will be sold only through independent service stations and garages in keeping with our fixed policy," MacPherson said.

**Wheeler-Woolsey Delight Many in Craterian Comedy**

The comical musical numbers in the latest Bert Wheeler-Robert Woolsey laugh barrage, "Diplomaniacs," now screening at the Craterian theater provide unique entertainment.

In one of these, enacted by Wheeler and Marjorie White, lately of "Hotcha," Broadway musical comedy hit, Miss White, portraying a blonde but belligerent charmer, decides she wishes to be wooed musically. Wheeler refuses and a wrestling match ensues. He is defeated finally and warbles tunelessly while Miss White sits astride his chest.

Another, in which both the comedians appear, is declared to be equally hilarious. The comedians are awakened, dragged from bed and dressed by a bevy of beautiful girls, the whole affair staged in rhythmic dancing and toe-kicking melody.

A brilliant cast enacts the plot of "Diplomaniacs" which presents Wheeler and Woolsey in a broad burlesque on the ineffectualities of the Peace Conference at Geneva.

## HOW SHE LOST 18 POUNDS OF FAT

For Less Than \$1.00

"Will say in regards to Kruschen: I took it to reduce. I lost 18 pounds after using one bottle and feel fine. Just bought one more bottle today and expect to lose 18 more pounds. I now weigh 148 and feel fine." Mrs. Harry Robinson, Akron, Ohio. (Jan. 6, 1933.)

Once a day take Kruschen Salts—one half teaspoonful in a glass of hot water first thing every morning. Besides losing ugly fat, SAPHAL will gain in health and physical attractiveness—constipation, gas and acidity will cease to bother—you'll feel younger—more active—full of ambition—clear sun—sparkling eyes.

A jar that lasts 4 weeks costs but a trifle at Jarnin & Woods, West Side Pharmacy, or any drugstore in the world—but demand and get Kruschen and if one bottle doesn't joyfully please you—money back.
