Shot at Sonnenberg to Spur Grapplers on Tonight's Armory Card

BELCASTRO AND KARASICK MEET IN MAIN EVENT

Dynamic Italian Will Give Russian Lion Plenty of Action—Swede Meets Ray in Opening Mat Program

An ex-champion who has wrestled the best of them, and a youngster who would like to, and will before he's done with it, are to meet on the Amory mat tonight when Al Karasick former light heavyweight wrestling champion of the world meets Pete Belcastro, husky Italian from Sacramento. Medford fans will see skill and fight pitted against less skill and more fight when these two huskies clash. The winner, furthermore, may meet Gus Sonnenberg here in the near future.

Sonnenberg threw Karasick in Klamath Falls last week, but won on a foul when Karasick had the former world's heavyweight champion groggy after they had each taken a fall. If Belcastro throws Karasick tonight, and many fans have a feeling he will, Pete will get the chance he has been wanting, a shot at the big money boys.

The real grunt and groan match, however, will be between Swede Anderson, Medford's new heavyweight hope, against Ray King of Seattle, in a 45-minute preliminary. Anderson jumped into the heavyweight ring recently by getting into a brawl with Belcastro, and was subsequently matched against him. Anderson showed up so well that he has been a regular attraction since, with his trainer, manager and adviser, Ray Frisbie, working out with him regularly.

With the winner in the Belcastro-Karasick match getting a shot at Sonnenberg, nothing short of a massacre is expected tonight.

SHERWOOD CONFIDENT HIS TEAM WILL WIN AT ELKS' CLUB PICNIC

Encouraged by confidence in one of the best kittenball teams ever assembled in southern Oregon, Stanley Ganten Sherwood is looking forward to an easy victory tomorrow evening when his players meet an aggregation led by Sam Colton at the annual Elks club picnic at the lodgemen's picnic grounds along the Rogue river.

"Whereas," said Mr. Sherwood this afternoon, "players on the Colton team are good, they can never come up to the high standard of my boys. They were carefully selected and we have two teams in reserve which could beat Colton's best. Furthermore, I can see nothing in the stars that spells defeat for our team.

"I shall gladly wager my superior type of mustache against the hirsute appendage on Colton's upper lip. If my team loses, I shall turn it over to him, and if he loses, I shall expect to take charge of the Colton mustache at once.

Sherwood further stated Colton acted without authority in announcing his batteries. He states complete mystery surrounds the identity of catcher and pitcher, but they are so good, a no-hit no-run game would not be a surprise.

The game will be one of the features of the Elks picnic and is expected to be hard fought.

ELKS' CREW BUSY AT PICNIC GROUND

A big crew of Elks left this morning for the picnic grounds on Rogue River to transfer the fight ring to the scene of the "grand picnic and beer bust," scheduled for tomorrow evening.

Men were also busy today setting up booths and completing other arrangements for the picnic, which is expected to outdistance all past records in attendance and entertainment.

The committee will remain at the grounds until festivities open tomorrow to be sure that everything is in readiness for the big B. P. O. E. celebration.

ANNUAL LEGION PICNIC MONDAY

Annual picnic of the American Legion Auxiliary and American Legion will be held next Monday evening, June 26, at the Elks picnic grounds.

Supper will be served at 6:30 p. m., the committee supplying coffee and cream. All members of the legion and auxiliary are urged to attend, bringing their own food and table service.

Music for dancing will be provided. To defray incidental expense the men of the legion will be assessed a small sum.

The committee in charge consists of Mrs. E. J. Leach, Mrs. O. L. Overmeyer, K. D. Ross, Lee Bricker and Cole Holmes.

Call the Southern Oregon Credit Bureau. They can tell you who pays his debts promptly.

LEGION SPLIT BY DISSATISFACTION ON VET BENEFITS

(Continued from Page One.)

exaggerated importance. They think it will turn out to the benefit of the disabled vet in the end. The rolls will certainly be purged of the swivel chair heroes who lost a tooth five years after the war and are getting paid for it.

That means more consideration will be given those actually disabled.

Mr. Roosevelt is silently disregarding the criticism against his associates who are talking and writing for hire. He has informed them confidentially they may get as much money as they can that way as long as they avoid embarrassments to the administration.

The result has been a deluge in the magazines, newspapers and loudspeakers. It is mostly innocent propaganda. Important government issues are only rarely discussed. None of the secrets of the administration are told.

Holier-than-thous stamp around the capitol berating the practice. They claim it is undignified; that it has never been done before.

Mr. Roosevelt's position is understandable. He has pointed out privately that government salaries require a financial sacrifice from many men. At least one of his secretaries was making more money before he took the job.

The president can see no harm in their picking up a little change on the side. Most of them need it.

Eugene Meyer is quietly planning to take a hand in reorganization of the Republican party.

That is the meaning behind his purchase of The Washington Post. He has not dabbled in politics before. He was a great admirer of President Coolidge but did not get on so well with President Hoover toward the end. His friends will probably be old-line party men like Congressman Wadsworth, Leader Snell and Charles Hilles rather than the Hooverites.

Up to now he has played a lone game. The big boys in New York respect him highly. He will never be a candidate for office but he may have a lot to say about who is.

This talk about the budget being in and out of balance is a matter of wasting words.

The old hard-budget theory of the Hoover regime is out the window. In its place we have in fact two budgets. One contains the ordinary receipts and expenditures of the government. It is balanced. Outside that there is a vast relief and rehabilitation program. It is being funded on a good business basis so far. But it unbalances the regular budget to a point where it would tip upside down.

It is not possible yet to figure exactly how much the budget is out of balance in dollars and cents. If you could figure it you would have the extent of inflation so far.

MEDFORD JUNIORS TRIM ASHLAND IN OPENING GAME

ASHLAND, June 21.—(Spl.)—In the first of a three game series to determine the winner of the Jackson county district in the American Legion Juniors baseball league, the Medford Juniors defeated the Ashland Juniors 12 to 7 Monday afternoon at the high school field.

Ashland, handicapped by an absence of four of their first string players, turned in a remarkable game, both at bat and in the field. And with the return of these players, Ashland should make an even better showing against Medford in the next game of the series to be played Friday afternoon at the Fairgrounds.

Robert Hardy, on the mound for Ashland, was nicked for ten hits and struck out nine men but gave eight passes to first base.

Wilson, backed up by good support in the field, allowed the Ashland boys seven hits and struck out fourteen men.

Ashpole, shortstop for Medford, starred in the field and at bat, connecting with a home run, a double and a single from five times at bat. Murphy, Ashland's second baseman, collected three singles from four trips to the plate.

The score by innings:

Medford	322	120	020
Ashland	211	020	010

Batteries: Wilson and Stoddard, Hardy and Baughman.

FENNELL WINS PRIZE ON DRUG SALE ESSAY

Keith Fennell, ambitious young manager of Gardner Drugs Inc., has been awarded a ten-dollar prize for his essay on "How I Increased My Sales of Red Cross Products During March, April and May," according to a letter received from the Johnson & Johnson company which conducted the contest.

Thousands of entries were sent to the contest headquarters and the following judges selected the most meritorious ones, including Mr. Fennell's: Herbert Mayes, editor of American Druggist; Jerry McQuade, editor of Drug Topics, and James P. Gagin, manager of Chain Store Age.

PERRONI CONTINUES RING VICTORY STRING

CLEVELAND, June 21. — (AP) — Patsy Perroni, fast-stepping 22-year-old Canton, O., youngster crowned a string of 19 straight ring victories last night by punching out his twentieth consecutive triumph over Johnny Risko.

DUNLAP ESCAPES ELIMINATION BY NARROW MARGIN

HOYLAKE, Eng., June 21.—(AP)—George T. Dunlap, Jr., leading United States entrant in the British amateur golf championship, narrowly escaped elimination in the fourth round today as Harlc de Forest, of the Royal and Ancient club of St. Andrews, carried him to the 19th hole before succumbing.

Keeping pace with the American, C. Ross (Sandy) Somerville, Canadian holder of the United States title, continued his brilliant play to defeat J. Walker, 6 and 5, and Roger Wethered, former titleholder and one of the British favorites, won a fourth round match from Henry Howell, 3 and 2.

Earlier in the day the long-driving Cyril Tolley, holder of the championship in 1920 and 1929, and an American resident for several years, won from T. C. J. Manners, 2 and 1, with a rather erratic display.

Two American residents of London, Robert Sweeny and Douglas Grant, advanced to the fourth round, but Charles Sweeny, brother of Robert, was defeated in a third encounter by H. N. M. Fogg, 4 and 3.

Ashland School Directors Named

Ashland, like Medford, this week noted an exceptionally large vote in her annual school election. A total of 412 votes were reported yesterday with Frank Davis and Elwood Hedberg the winning candidates for positions on the school board. They will succeed Homer Billings and Wirt Wright, retiring members, who were not candidates for re-election. Other candidates this year were W. E. Blake and C. A. Haines.

Oregon Weather

Fair tonight and Thursday, but fogs on the coast; temperature above normal in the interior; gentle northerly winds offshore.

GOLD BLOC DRIVE FOR ADJOURNING CONFAB WEAKENS

(Continued from Page One.)

rive at this end we bring you our entire aid."

Later he emphasized this with: "I repeat that the French delegation brings here France's full aid to the success of the conference."

Names Fundamentals.

The French finance minister asserted that the conference would be a total failure unless it marked progress toward political, economic and financial security. He asked:

"How are you going to conceive a lasting upturn in business without, first, political security; second, economic security and reorganization of production; and, third, financial security and reorganization of production; and, third, financial security, which assures the stability of money as the common measure of exchange?

"We believe these are fundamental points, and if the world economic conference does not mark progress in these subjects the conference's failure will be total."

At another point he said: "Large currency fluctuations not only imperil national moneys and economic structures, but also threaten modern society, which is founded entirely on credit."

What Makes a Safe Tire? . . . I KNOW!

ARE you willing to risk your life on advertising statements claiming blowout-proof and unblowable tires? One manufacturer gives as the reason for claiming blowout-proof tires—the use of one ply of another color—another, a patented "no breaker" construction—a mail order house, high stretch "elastic" cords, etc., etc. Actually the fundamental cause of a tire blowout is the flexing of the tire which causes friction of the fibers *in the cord*, resulting in heat and causing the rubber to soften and the cords to deteriorate.

There is a reason why Firestone Tires have won the 500-mile Indianapolis race *for 14 consecutive years, the most gruelling tire test.* The reason is the Firestone patented *extra process* of *Gum-Dipping* which saturates *every* fiber and insulates *every* cord with pure rubber—which gives *strength* to the cords and *prevents* friction and heat in the fibers. This year 42 drivers in this race equipped their cars with Firestone Gum-Dipped Tires and *not a single driver had any tire trouble.*

Race drivers *know* why Firestone Gum-Dipped Tires *are safer* and not subject to blowout and *will not risk their lives* on ordinary tires. Your life and the lives of your family are often in danger at the high road speeds of today and you should not take greater risks than the race drivers who *make sure* that they have the *best* and *safest tires they can buy*—Firestone.

THE MASTERPIECE OF TIRE CONSTRUCTION

Come in today. We will give you a liberal trade-in allowance for your old tires on new Firestone High Speed Tires—*the safest tires in the world.*

See Firestone Gum-Dipped Tires made in the Firestone Factory and Exhibition Building at "A Century of Progress" Chicago.

Firestone

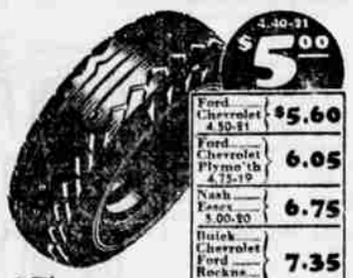
Patented Construction Features Give You Greater STRENGTH, SAFETY and MILEAGE

Ford, Chevrolet 4.50-21	$6.39
Ford, Chevrolet Plymo'th 4.75-19	6.85
Nash, Essex 5.00-20	7.53
Buick, Chevrolet, Ford, Nash, Plymo'th, Rockne 5.25-18	8.20
Studeb'r, Auburn 5.50-18	9.20

Other Sizes Proportionately Low

Firestone SUPER OLDFIELD TYPE

This tire is the equal of all standard brand first line tires in Quality, Construction and Appearance. Sold at a price that affords you real savings.



Ford, Chevrolet 4.50-21	$5.60
Ford, Chevrolet Plymo'th 4.75-19	6.05
Nash, Essex 5.00-20	6.75
Buick, Chevrolet, Ford, Rockne 5.25-18	7.35
Auburn, Studeb'r 5.50-18	8.15

Other Sizes Proportionately Low

Firestone OLDFIELD TYPE

This tire is *superior* in quality to first line special brand tires offered for sale by mail order houses and made without the manufacturer's name and guarantee. This is *"The Tire That Taught Thrift to Millions."*

Ford, Chevrolet 4.50-21	$5.05
Ford, Chevrolet Plymo'th 4.75-19	5.48
Nash, Essex 5.00-20	6.07
Buick, Chevrolet, Ford, Nash, Plymo'th, Rockne 5.25-18	6.63

Other Sizes Proportionately Low

Firestone SENTINEL TYPE

This tire is of better Quality, Construction and Workmanship than second line special brand tires offered for sale by mail order houses and others and made without the manufacturer's name and guarantee.

Ford 30x3½	$3.15
Ford, Chevrolet 4.40-21	3.25
Ford, Chevrolet 4.50-21	3.85
Ford, Chevrolet Plymo'th 4.75-19	4.20

Firestone COURIER TYPE

This tire is of good Quality and Workmanship—carries the name "Firestone" and full guarantee—sold as low as many cheap special brand tires manufactured to sell at a price.

Firestone BATTERIES

Firestone Batteries set a new high standard of Power, Dependability, Long Life and Economy. We will test any make of Battery FREE.

As Low As $5.40 and your old battery

Firestone BRAKE LINING

The new Firestone Aquapruf Brake Lining is moisture-proof and embodies a new principle which produces smoother braking action and more positive braking control. We will test your Brakes FREE.

As Low As $2.40 Per Set

Relining Charges Extra

Firestone SPARK PLUGS

Give a hotter spark, increased power, and have a longer life. Double tested and sealed against power leakage. Old worn plugs waste gasoline. We will test your Spark Plugs FREE.
