PLAN SUGGESTED FOR SUPERVISION OF PLAYGROUNDS

Contributed

Recently it has been called to the attention of at least three organizations in Medford, that the playgrounds in the city were not satisfactory due to lack of proper supervision. The absence of playground direction during the summer months is obviously not caused by lack of interest on the part of the citizens. It is caused by the shortage of public funds to support the program.

There are at least seven playgrounds in the city with more or less equipment. The areas set aside for these grounds are ample for almost any program which might be projected. In the summer time during a period of unemployment such as we have at present there is greater need than ever for organized recreation activities. The very fact that a great many are idle makes a program of free supervision possible and feasible.

With but a surface survey of the situation it is revealed that there are a number of young people, recently home from college, who have the time, talent and spirit for public service, and might welcome an opportunity such as this playground supervision provides. There are senior high school students also who could render splendid service in this work and at the same time gain valuable experience.

The plan would be to have the proper civic body authorize or appoint a playground director who would organize a corps of supervisors. A program of activities would be outlined according to the response. A time schedule could be worked out so that no one would be giving an unwarranted amount of time to the work. The Scout executive's office could be used as a meeting place for the supervisors whenever such meetings seemed needful. The Scout secretary could compile reports and type lists, schedules, programs, etc.

Since this suggested plan involves NO FINANCING it can be expanded or contracted as the demand seems to indicate. Any young people interested in this opportunity to demonstrate their initiative, leadership and spirit for public service, leave your name, address and telephone number at the Mail Tribune or at Mr. Hedrick's office. A meeting will be called for next Monday at 1:30 at the Scout Executive's office on East Main street if a sufficient number respond to the suggestion.

MISS HINCK HOME FROM C-C JAUNT

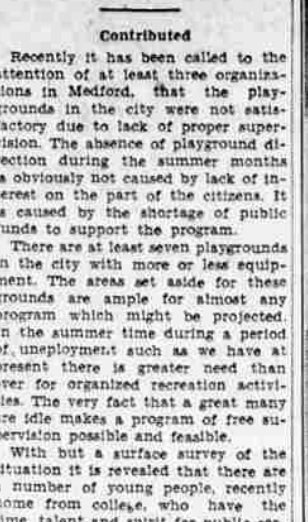

Miss Delphine Hinck, secretary to A. H. Bramwell, chamber of commerce manager, has returned from a three-day trip to Klamath county where she was guest of the Klamath county chamber of commerce, which each year invites information girls and chamber of commerce assistants to a trip to Crater Lake and other scenic spots of southern Oregon. This year the following cities were represented: Portland, Corvallis, Salem, Klamath Falls, Medford, Oregon City, Marshfield, Roseburg, Oregon Caves and Ashland in Oregon, and Yreka, Redding, Eureka, Susanville, Sacramento and San Francisco in California.

During the round table discussion at Rocky Point, where they spent one night, Miss Hinck made a short talk on Medford and as a result the girls present are more familiar with the scenic attractions of this city.

Miss Hinck took a box of Winter Nellie peans with her and the fruit was distributed to the girls during the three days session.

CUT SMALL FRUIT EXPRESS RATE TO POINTS IN SOUTH

ASHLAND, June 21.—(Sp.)—Cherry growers in this district were extremely pleased yesterday when after negotiations with the Railway Express agency, express rates on fruit for southern markets were reduced materially and the problem of transportation of fruit to these markets where the most profitable returns are received is solved for the season. There was indication that equally suitable rates may be made later in the year for the transportation of the peach crop—the cherry and peach crop being the major crops of the Ashland-Medford district.

The price per hundred weight on cherries shipped from Ashland, Medford and Talent, to San Francisco, Oakland and Sacramento was reduced from \$1.30 per hundred lbs. to 75c, and the insurance of overnight service on the shipment providing a certainty that the fruit will reach the Bay district markets in good condition.

From the same points in this valley to Los Angeles, Hollywood, Pasadena and Santa Barbara, the cost per hundred weight was reduced from \$3.30 to \$1.85.

According to Mayor Thornton S. Wiley, one of the major cherry growers in this district, and who will likely ship between three and four carloads of cherries from his own orchard, the prospects for both a bumper crop and market being good this reduction in express rate is one of the most satisfactory arrangements for fruit growers in the district in recent years.

The new service provided by the Railway Express agency provides for a pick up and delivery service within established limits.

There will be overnight delivery service between Rogue river valley and the Bay district and 28 hours service between the valley and southern California points.

Fruit men with cherries and peaches as the major crop are well pleased with the market prospects and the crop promises to be in excess of anything in recent years.

Phoenix Endeavor Sponsors Unique Church Banquet

PHOENIX, June 21.—(Sp.)—Senior Intermediate Christian Endeavor society of the Presbyterian church sponsored a dinner Tuesday night, advertised as "The Feast of Seven Tables." About eighty people were served, several coming from Medford and Ashland.

Miss Helen Porter, was hostess of the reception room. Each group of seven was seated at each table for seven minutes, when they were advised to progress to the next table by the hostess of the dining room, Miss Naomi Montgomery.

Two waitresses served at each table, and those serving were as follows: Marjorie Poling, Esther Permel, Adelle Boix, Florence Scherer, Marie Lyons, Maxine Cobleigh, Dona Montgomery, Opal Montgomery, Marian De Vries, Francis Porter, Mabel Hardesty and Fern Briscoe.

Those aiding in preparing the dinner and doing the kitchen work were Mrs. L. O. Carter, Mrs. Tom Carter, Mrs. Ralph Peterson, Rev. Ralph Peterson, Mrs. Bob Holcraft, Mrs. Will Poling, Mrs. C. C. Hartley, Miss Lulu Roberts. The clean-up committee was Collins Hartley, Glee Holbrook, and Virginia Porter.

Those in charge of decorations were Mrs. Ralph Peterson, Mildred Poling and Pauline McAbee.

Those in charge of soliciting were Ed White, Marlan DeVries, Pauline McAbee, Naomi Montgomery, Francis Porter, and Mildred Poling.

The tomato juice was donated by the Rogue River Valley Canning company, and the ice cream was donated by the Gold Seal Creamery company.

GOODYEAR TAKING WORKMEN BACK

Thousands of men and women have been returned to their jobs by the Goodyear Tire & Rubber company, not alone in Akron, but in Los Angeles and Gladsden, Ala., as a result of increased buying of their products by the public at large, according to C. C. Furnas, proprietor of the Medford Service Station. Between April 1 and May 31 a total of 2500 people were re-employed, and since then the company has continued to increase its payroll substantially.

"Your buying started this. Washington snapped the paralysis fear and your buying did the rest. Keep it up!" was the statement of R. W. Litchfield, president and, he continued, "it's putting men back to their jobs, back on the payroll. It's setting wheels turning, starting silent machines and bringing hope back to hearts that were black with despair."

"What is happening not alone in Akron but in Goodyear plants elsewhere, is happening in factories of every kind in towns and cities all over this great land! For your own as well as the common good, keep up your buying."

WORLD'S FAIR plus A FREE TICKET through CALIFORNIA

From most western Oregon and Washington points, you can include California in your trip East for not 1¢ more rail fare than a trip straight East and back.

Here is an example of what this means. Suppose you buy the \$90.30 ticket to Chicago. At this fare you can go straight to Chicago and back, of course. But via Southern Pacific you can swing down through San Francisco and Los Angeles. Then up to Chicago, and back via a northern line. If your destination is New York, you can include New Orleans and an ocean voyage in your trip, for not 1¢ more rail fare.
