

DEAD-PAN JOE TO TRY BATTING EYE ON NEW PITCHERS

By the Associated Press.

As the 1933 Coast League pennant battle swings into its 16th week today, Sacramento takes the field against Joe Demaggio of San Francisco in the week's feature series.

Joe will have the regular San Francisco lineup to back him up, but just the same it will be a Demaggio-Sacramento series. The stumbling Seals aren't rated much opposition for the fast-moving Senators, but their kid outfielder has it in him to make it quite a series.

For one thing, he has hit safely in 53 consecutive games, four more than any other Coast leaguer in the history of the circuit. For another, he is still banging away and driving towards the all-time professional baseball mark set by Joe Wilhoit of Wichita in 1919. Wilhoit's mark is variously listed as between 61 and 69 games.

Finally, the redoubtable Sacramento pitching staff is the only one Joe hasn't faced since he went on his hitting rampage May 28 at Portland. He thinks he can hit Solon tossing just as well as any other. The Senators think not. They are giving him a "Joe Demaggio" night tonight to make sure.

In second place and eager to be at the top of the league ladder, Hollywood meets Seattle at Los Angeles. With a record of 23 defeats in their last 36 starts, the once dangerous Missions return to their home grounds for a series with Portland.

Some of the season's best pitching is promised this week at Oakland where Los Angeles engages the Oaks.

JACKSON FLOPS NIPPON MATMAN

PORTLAND, Ore., July 18.—(AP)—Coming back after losing the first fall, Bulldog Jackson took the next two, to win from Tetsura Higami of Japan in the main event of last night's wrestling card here. Jackson weighed 158, and Higami, 160.

Higami took the first fall with an airplane spin in 17 minutes. Jackson evened it up five minutes later with a hammerlock, and then in less than two minutes took the deciding fall with a series of flying tackles.

Otis Clingman, 160, Oklahoma City, took one fall and the semi-windup from Johnny Semanic, 137, St. Louis.

Logger Heiberl, 155, St. Helena, Ore., won the opener from Dorry Detton, 165, Logan, Utah, taking two falls out of three.

SIMMONS SAYS YANKS WILL TAKE PENNANT

NEW YORK, July 18.—(AP)—Al Simmons picks the New York Yankees, Washington Senators and his own Chicago White Sox to finish one-two-three in the American league race.

"The Yanks have the best team in the league," the clouting Sox outfielder declared. "If they don't repeat they will have only themselves to blame. They dislike the Senators so heartily they've been pressing themselves out of a lot of games with them."

KLAMATH WINS, 24-3 FROM ROSEBURG VETS

ROSEBURG, July 18.—(Sp)—The Douglas County Vets took a real wallop at the hands of Klamath Falls Pelicans Sunday when the latter took revenge for the defeat administered them here, interrupting out runs to win the game 24 to 3. Roseburg was weak on pitching strength. Backley was relieved by Thompson who fared no better, Klamath Falls rapping out nine home runs during the course of the contest.

The next game is to be played at Roseburg against Ashland.

VETERAN GOLFERS DRUB PAR TO LEAD WASHINGTON OPEN

SPOKANE COUNTY CLUB, Spokane, July 18.—(AP)—If anybody other than Walter Pursey of Seattle or Ted Longworth of Portland wins the Washington state open golf championship at the conclusion of the last 36 holes of medal play today it will be a big surprise to the spectators, and a bigger surprise to Mr. Pursey and Mr. Longworth.

The two coast professionals yesterday exhibited an sensational par-shooting battle as has ever been seen in the state, with Pursey nosing out Longworth by one stroke for the lead over the field, but he had to beat par by eight to gain the slim advantage.

While the morning gallery was flocking after Albert "Sooty" Campbell, Seattle's new Goliath of golf, the two veteran pros proceeded to turn the Spokane course upside down.

Pursey captured 10 birdies before he ran into trouble and this only slipped on two holes to complete the day's performance with 66-70-134, or eight under par. Longworth matched stroke for stroke with the Seattle ace, except for an out-of-bounds ball which cost him two under a new local rule and he fell one swing behind Pursey. His cards were 66-71-137. They led the field by such a wide margin that all except Bert Wilde of Bellingham, Bill Miller of Spokane, Willie Price of Olympia and Campbell were considered out of the race. And those named weren't given much chance.

KRUSE MEETS GIANT WRESTLING TEACHER ON THURSDAY'S CARD

In taking on George Nelson here Thursday night, Bob Kruse, the Oswego brocolli king, will be going out after "big game" in the mat racket as Nelson is one of the giants of the ring, weighing over 230 pounds. The big man is wrestling instructor of the Utah Agricultural college, a post he has held for the past ten years. He teaches the college boys fancy holds during the winter months and usually tours the country in the summer, meeting the best heavyweights in the business.

Contrary to generally accepted standards among the behemoths of the mat, Nelson is master of many holds, which he uses with the speed of the lighter grapplers.

As Kruse is also extremely agile for his 208 pounds, the match Thursday night should be a thriller. Promoter Mack Lillard has signed Medford's fast coming Swede Anderson for a set-to with Pete Belcastro of Sacramento to open the card and this affair should also keep the fans on the edge of their seats.

Bernard E. Lyman, of Sandusky, O., has been engaged in building racing yachts and boats since 1873.

FREDERIC KITSON PASSES SUDDENLY

Frederic Wellington Kitson, well known resident of Medford and southern Oregon for the past ten years, passed away at a local hospital this morning after a very short illness. Mr. Kitson was born in Cloverville, New York, October 10, 1881. He spent his early life in New York, attending public schools and later entering University of Syracuse. After leaving college he spent five years in the Franklin Automobile company of Syracuse, in the coat department. Later going to Idaho, where he sold automobile accessories.

In 1920, he was united in marriage to Mable Sharpe at Portland, Ore. They have one son, Robert Lewis, aged 10, and he also leaves his mother, Mrs. Sarah Kitson, of this city.

He will be remembered by a host of friends, as accountant for the Dodge Motor Car company of this city, for the past 10 years.

Funeral services will be conducted from the Per Funeral home, Thursday at 4:00 p. m. Rev. Wm. B. Hamilton officiating. Remains will be transferred to Portland for cremation.

FISHERMAN STEPS IN DEEP HOLE, DROWNS

PORTLAND, July 18.—(AP)—Paul White, 45, drowned in the Willamette river near here Sunday while fishing with two companions. Angling in comparatively shallow water, White attempted to wade out from shore and was seen to slip into a deep hole. Weighted down by his fishing clothes and gear, he did not reappear.

Japan exported three times as much yarn in 1932 as in 1931 to set a new record of two billion square yards of cotton cloth exports.
