

Farmers Will Be Guests Aug. 2 at Huge Picnic in Medford Park

RETURN GRANGERS HOSPITALITY WITH BARBECUE DINNER

Local Chamber Commerce Completes Arrangements for Gathering—Alenderfer Is General Chairman

Last night arrangements were completed for the staging of a huge farmers' picnic to be held in the city park on Wednesday, August 2, at 12 noon. It was announced by chamber of commerce officials. The picnic is in keeping with the chamber of commerce policy to promote agriculture in the section and will be conducted under the general chairmanship of C. O. Alenderfer. "Many of the granges have entertained the chamber of commerce during the past winter," stated Mr. Alenderfer this morning. "and in appreciation for their kindness we are inviting them all to attend the farmers' picnic."

Tickets for the affair are being distributed to all farmers, whether members of the granges or not, and can be obtained by applying to the grange master in their district. There is no limit on the tickets, 1500 being available, and farmers are urged to bring their wives and children if they so desire. Tickets can be obtained from the following: Albert Straus, master, Sams Valley Grange; Ruse Moore, master, Lake Creek Grange; Warren Patterson, master, Central Point; Harry Weagant, master, Talent Grange; I. A. Dew, master, Jacksonville Grange; George A. Andrews, master, Bellview Grange; Edwin Taylor, master, Applegate Grange; O. C. Maist, master, Phoenix Grange; Roscoe Roberts, master, Roly Ann Grange; Mr. Moore, master, Weyer Grange; Otto Pihlman, master, Rogue River Grange; W. E. Davies, master, Eagle Point Grange. Should get tickets.

In order that the chamber of commerce may make ample preparation for those expected, it is requested that farmers obtain their tickets on or before July 27, as a complete report by the grange masters must be given by July 29. By arrangements with George Nichols, a fine Rogue River valley steer is being fattened for the occasion and a large pit will be dug adjacent to the city park and the steer will be served in barbecue fashion. Farmers are asked to bring their own knives, forks, and spoons. Mr. Alenderfer has appointed W. A. Gates as chairman of the executive committee and the following other sub-committee chairmen have also been appointed: R. R. Shreve, waiters; H. N. Butler, seats and tables; Jack Swem, invitations; Harry Ward of Eagle Point will barbecue the meat and his reputation in this line is well known throughout this section. It is proposed by Mr. Shreve to enlist the support of 200 merchants to wait on the tables, each to be supplied with a white apron and cap. Preceding the picnic they will march in orderly fashion up Main street to the city park.

According to Mr. Alenderfer there will be no speeches or entertainment provided by the local merchants and any program which may be developed will be entirely in the hands of I. R. Kline, master of the Pomona Grange. Mr. Kline stated last night that the program, if any, will be announced within a day or so.

The coffee to be supplied will be kept warm through the courtesy of the Standard Oil company, which will supply a Flamo truck for this purpose. The Medford Chamber of Commerce is deeply indebted to the city council for having given permission to hold the picnic in the city park and according to arrangements so far completed, it is expected by Mr. Alenderfer that the affair will be one of the most successful ever put on in the city.

FOREST SMOKERS CITED FOR TRIAL PORTLAND COURT

Howard E. Denzer, 21, of Phoenix, and George A. Parrick, 21, of Medford, appeared before United States Commissioner Victor A. Tengwald this morning, charged with violation of the forest service laws, as result of smoking cigarettes while traveling on the east shore of Lake O' the Woods, an unsurfaced highway. The two were arrested by Chief Ranger Hugh A. Ritter of the Rogue River National forest for smoking July 4th. They will be held for trial in Portland, Mr. Tengwald stated this afternoon. Their commission of the offense having been established this morning through their own plea of guilty. They were released today on their own recognizance to await meeting of the federal grand jury. The highway they were travelling when smoking was unsurfaced, adding to the fire hazard created by failure to comply with the forest rules, it was shown. It is understood by officials that there is an increased abuse of this regulation, controlling conduct of visitors in the national forest, and they stated that they are anxious to convey to the public an understanding of the seriousness of the problem. The cooperation of all tourists and campers is asked to prevent fire losses in the forest, and observance of the section of the Agricultural act, prohibiting smoking on unsurfaced roads, is believed to be one of the most necessary elements in this campaign.

Reach for a Lucky —for always Luckies Please!

It's a man's cigarette.. —but women like it!
Men like a cigarette that has character. Women like a cigarette that's mild and pure. Naturally, Luckies please everyone. In their fine, ripe, tender tobaccos, you get the quality that thrills your taste... In their personal purity and mellow-mildness, you get the quality that delights your throat. In our opinion there's nothing so pleasing as fine tobaccos that are "toasted". That's why more and more men and women are reaching for a Lucky—for always "Luckies Please!"
because "It's toasted"
