

ROOSEVELT BOSS OVER ALL PHASES ADMINISTRATION

(Continued from Page One)

Moley's influence is no different than it was March 4.

All is quiet again on the Potomac.

Once Mr. Roosevelt puts his faith in a man it is not easily disturbed even by more important things than expense accounts and airplanes.

That does not alter the probability of Mr. Woodin's early resignation.

This man you see standing next to Mr. Roosevelt in pictures is quite a person.

Wise ones would have you believe the administration has put a banana peel under Huey Long.

The deflation of Long has failed to materialize so often that you cannot be sure of it until you see it with your own eyes.

The administration grapevine from the Philippines is bringing bad news.

No date has been set for a referendum. Speaker Manuel Roxas, (friend of the bill) has been ousted.

Some strategists are now sorry they did not treat Quezon better when he was here.

The silver victory at London was political rather than economic.

Senator Pittman will receive and probably deserves some political prestige for getting those anti-silver wolves to agree to anything.

The government economists say the price of silver will NOT be materially influenced.

A certain near-insider tried to sell the Moley resignation yarn to a newspaper for \$800.

Chairman Sanders of the republican national committee is now in Europe but will return about August 20 in time for a national committee meeting at Chicago, Sept. 16.

A Washington writer who made a reputation writing the last administration is toasting this one.

Senator Thomas (Oklahoma) kept his eye on Wall Street from a local brokerage office before the recent market drop.

CHINESE WILL BUY HEAVILY OF WHEAT

PORTLAND, July 28.—(AP)—John J. Lavin, coast representative of the Chinese government agency, said here today that under present plans Portland will be Pacific coast headquarters for the Chinese in the purchase of fifteen million bushels of wheat or its equivalent under provisions of the R. F. C. loan recently arranged.

WASHINGTON, July 28.—(AP)—Farm administrators revealed today that they are planning for an increase of wheat exports from the Pacific coast to the Orient, and are prepared to use part of the proceeds of the processing tax on wheat to finance the program.

DEATH IN STREET FOR LITTLE EUGENE GIRL

EUGENE, July 27.—(AP)—Dorothy Lutz, four year old daughter of Mr. and Mrs. Lindley Lutz, was killed here this morning when she was struck by a car driven by Bruce Gladstone.

Police said the child darted into the path of the speeding machine after she had crossed the street with a playmate. Police did not hold Gladstone.

RACKET KINGS NAMED IN ONE INDICTMENT

CHICAGO, July 27.—(AP)—A blanket indictment charging Al Capone,

LAKE CREEK, PHOENIX JOINT GRANGE PICNIC SCHEDULED AUGUST 6

A joint picnic of Lake Creek and Phoenix Granges will be held August 6. A program of entertainment and sports, in which all will be anxious to participate, is being arranged by the committee in charge. It is anticipated as a most enjoyable event of the season and 100 per cent attendance of both granges is asked. Last meeting of Lake Creek order was much better attended than usual and a pleasant evening was spent.

Race Driver Injured

LOS ANGELES, July 27.—(AP)—Injured when his machine locked wheels with another on a turn at the Ascot saucer last night, Ernie Triplett, twice winner of the Pacific coast automobile racing title, today was reported by White Memorial hospital attaches as resting comfortably.

Call the Southern Oregon Credit Bureau. They can tell you who pays his debts promptly.

ANGORA WOOL RABBIT BREEDERS ORGANIZE; FINDLEY IS PRESIDENT

The Angora Wool Rabbit Breeders of Southern Oregon held a meeting last night at the home of F. C. Findley on South Peach street, at which time a club was formed to be known as the Angora Wool Rabbit club of Southern Oregon. A one hundred per cent representation of the Angora Wool Rabbit breeders were present and the following officers were elected: President, F. C. Findley;

treasurer, S. S. Davenport; secretary, Dr. I. H. Gove. The membership included the following big Angora wool rabbit breeders: Dr. I. H. Gove, S. S. Davenport, Volney Dixon, J. H. Dawson, H. Lowe, J. M. Greene, and F. C. Findley.

A price of \$10 for all select, standard breeding stock was set by the members on all stock sold through the Angora Wool club or by each individual member.

A code is being adopted as applies to the Angora wool rabbit industry in Southern Oregon and will be announced in a few days. Mr. Dixon of the well known firm of Gaddis & Dixon, was present and gave an interesting talk on the iron and steel industry as it affects the Angora wool rabbit industry. S. S. Davenport, who has the finest Angora wool rabbit in southern Oregon, gave vital facts and statistics that every

Angora wool rabbit breeder should know in order to be successful in the Angora wool rabbit industry. Headquarters until further notice are at J. H. Dawson's shop on 44 North Front street, Medford.

LORTON THANKED FOR WORD TO ROOSEVELT

W. H. Lorton of this city yesterday received a letter from Louis Mott Howe, secretary to President Roosevelt, in answer to a message sent July 11 by him.

The letter read: "The president has received your letter of July 11th and has asked me to thank you warmly

for your generous word of commendation. He wants you to know also that he is most appreciative of your desire to be of service. We will be glad to keep your offer in mind, should an occasion arise."

Pendleton Cooler
PENDLETON, Ore., July 27.—(AP)—This city and the adjacent country was enjoying a cool west breeze this morning, bringing considerable relief after yesterday's sweltering heat. Wednesday's maximum temperature was 102 degrees.
