

TOWERING GIANTS FROM 3-C CAMPS IN RING TOURNEY

Heavyweights Train For Legions Fistic Carnival — Medford Athletes To Start Training In Earnest.

A pair of man-mountains from Oregon's C. C. C. camps have enrolled to fight for the Dempsey trophy at stake for the winner of the heavyweight class in the American Legion's great relief fund benefit Golden Gloves championship amateur boxing tournament to be offered at the Medford Armory nights of August 14, 15 and 16.

The big fellows in question are Joe Kamphos, giant farm hand from near Chicago, Ill., who towers better than six feet into the Oregon ozone, and Ben Wilcox, Portland giant with fistic ambitions. Each weighs better than 200 pounds and each figures he will hammer his way into possession of the Dempsey award. They and other C. C. C. camp fighters are in hard training and will pour into town on the opening day of the big meet bent upon punching their way into possession of the title honors.

Wilcox hails from Camp Applegate, while Kamphos is stationed with other Illinois men at the Union Creek camp.

Anderson Heady

Big Jack Anderson, one of Medford's powerful heavyweights entered in the meet, is eager to engage either or both of the C. C. C. camp hunkies.

"Just toss either one or both of those camp heavies into the ring with me on the first night of the tourney and I'll punch them so full of holes they'll look like a piece of Swiss cheese," Anderson roared as he concluded a workout in private yesterday.

Medford's game amateur fighting men are to begin training in earnest at the Legion's open-air arena in the playground near the East Main Street bridge at 7:30 tonight. The workouts all this week and next are free to the public and hundreds are expected to look on as the local hunkies make ready to repel the attack of the out-of-town warriors in the biggest sports event ever to come to this part of the state. From 15 to 20 wild and exciting fights of three rounds each, with the Oregon amateurs fighting foomen from eight other states, will make up the card each night. Despite bigness of the event, most popular prices will prevail for the fights.

The first fight is to start each night at promptly 8:15 and the last tussle will end not later than 10:30.

May Conduct Two Rings

Legion officials today were debating whether or not to request that all out-of-town teams hold an elimination tourney and bring only a select team here for the hostilities or whether to permit all of the stout-hearted pugilists to come with furious fighting seen going on in two rings simultaneously.

Medford's hunkies will welcome either arrangement, according to those in charge, as all they want to know is that the referees know how to count to ten.

Gold Hill Enters

With Asil Walker, Billy Hammerly, Woodie Shaver, and Junior Robinson, all promising amateurs, heading the list, a strong team of amateur fighters from Gold Hill will come to Medford bent upon battering their way to the championships in the Legion's huge ring classic August 14, 15 and 16. Many fans from Gold Hill plan to attend the opening night of the tourney.

Prospect Boxers In

Dewey Hill, Prospect sportsman, is to bring a team of budding fighting amateur boxers to Medford to try for the Golden Gloves title in the American Legion's tourney.

FISH HOGS BAR RIVER WITH NET

ASTORIA, Ore., July 31.—(AP)—Expert anglers who are accustomed to get results when they whip their lines into river pools, were puzzled all this month by a very definite lack of reward on the Necanicum river, one of the best fishing streams in the state.

Saturday state policemen solved the puzzle. Louis Clana of Seaside, and Hans Kauffman of Portland, were arrested when police discovered they had installed two chicken wire fish traps across the stream, completely barring the river about three miles south of Seaside.

BRITISH VICTORY GOOD FOR TENNIS

SOUTHAMPTON, N. Y., July 31.—(AP)—Dwight W. Davis, donor, of the famous cup, hailed the English victory as a "fine thing" for international tennis.

"I sent a brief message of congratulations to the British Lawn Tennis association upon hearing of their splendid victory," Davis said. "It is a very fine thing for the cup not to remain too long in any one country. It is a splendid thing for the game."

Mrs. Helen Willis Moody said "It is a wonderful victory for the English and also a fine thing for international sport."

MEXICAN BASEBALL STAR HONORED

Meilo Almada, Seattle ball club fielder, was honored by the Mexican colony of Los Angeles at Wrigley Field when his team was playing against Los Angeles. The Sonora-born youth is shown with Rosita Moreno, Mexican actress, pinning a gold baseball on his uniform as part of the ceremony. He also got a watch. (Associated Press Photo)

DAVIS CUP GOES BACK TO BRITAIN AFTER 21 YEARS

PARIS, July 31.—(AP)—Lugging the case containing the Davis cup themselves, the triumphant British Davis cup team today took the boat train for La Havre and home.

France's six-year custody of the tennis trophy Dwight W. Davis donated in 1900 came to an end on the red clay courts of Roland Garros stadium yesterday as Frederick J. Perry, first-ranking British player, whipped young Andre Merin, French newcomer to cup competition in the fifth and decisive match of the challenge round. It returns to Great Britain for the first time in 31 years.

Only an hour or so earlier, Henri Cochet, the tennis atlas who had carried the French through five successful defenses of the cup they won from the United States in 1927, had beaten back father time long enough to conquer H. W. (Bunny) Austin in a bitterly-fought five-set duel, 5-7, 6-4, 4-6, 6-4, 6-4, and secured the series at two victories apiece.

EAGLE POINT DONE FOR 1933 SEASON

Roseburg's Vets came from behind in their clash with the Eagle Point Cheesemakers to win 13 to 8 after being pushed around in the first seven innings by Hoffard's men, the score reading 7 to 5 in favor of Eagle Point at the end of the seventh frame.

The Eagle Point aggregation has decided to call off their remaining league game scheduled for next Sunday with Ashland, owing to inability to procure sufficient talent and lack of support from the fans.

Manager Hoffard, who pitched yesterday's game, led his outfit at bat during the season with an average of .405. Swanson with .365, third. In addition to his good stick work, Conlin accepted all chances at his position on first base without an error in twenty games.

Tries Suicide

SALEM, July 31.—(AP)—Little hope was held for the recovery of Donald Silver, 33, who shot himself in the head with a shotgun here last night. He lived on a small tract with his wife and daughter.

Fishing the Rogue near Trail, George Webb and Ed Carlon both got the limit in jack salmon and steelhead Sunday.

The largest catch of steelhead reported for yesterday was J. V. Watson's, which he landed near Rogue Elk. Watson brought in four.

STEELHEAD WARY, BUT SMALL TROUT GIVE GOOD SPORT

Many Medford and valley people spent yesterday on fishing trips to the various rivers and streams of southern Oregon, some having exceptional luck, and others returning with empty baskets. The smaller streams of high altitudes seem to be the best place to catch trout now, state police of the game division report. Several were successful in landing steelheads.

Fred Scheffel and Clinton Spencer went fishing in the Rogue at the Elk picnic grounds Sunday, and after three hours of snafus, were unable to land a steelhead. They reported about 25 cars at the grounds, with hardly any successful fishermen in the lot.

A couple of steelhead were brought to Medford Sunday by Aubrey Norris and Keith Denman, who spent yesterday fishing near Bybee bridge. Their catches weighed around four or five pounds each.

Ronald DeVore's two steelhead caught yesterday weighed 6 and 7 1/2 pounds. He brought his in above Bybee bridge, near the mouth of Butte creek, on a fly.

Dolly Varden and some other trout were brought from small streams in the Diamond lake country yesterday, with Donald Richardson, son of Mr. and Mrs. J. Sanford Richardson, getting the limit. Other members of the party were Mr. and Mrs. Richardson, Mrs. Katherine Huntress and Henry Maury. Fishing is exceptionally good in all of the little streams in that district, according to reports.

John Yuzna fished in the ocean at Crescent City yesterday, and caught two black snappers.

Eighteen trout was the catch Herb Guenther brought in from Sunday's fishing on Garberry creek.

Moore Hamilton caught two trout Sunday afternoon on Hardy's riffle, near Gold Hill.

Among the limits of mountain trout caught during the past few days, was Ralph Cowgill's, landed on the south fork of Rogue river.

Mr. and Mrs. Gaston Fortie of San Francisco, who formerly resided in Medford, are spending two weeks at one of the C. T. Steward cabins on the Rogue, having arrived in the valley yesterday. They plan to do a great deal of fishing while here.

A party of three Santa Monica men — E. J. Phillips, A. Reuten and E. J. Beck — left Medford this morning on a fishing trip to Diamond lake.

Her Royal Highness, Princess Maria Antonia de Braganza, who is the house guest of Mrs. Non Tucker at Rogue's Root on the river, has been having wonderful success at landing steelhead. Joseph Chevigny reported

when in from the lodge today. The princess has landed about twelve fair-sized fish during her stay here. She arrived in Medford by plane Tuesday.

Roy Martin was fishing Sunday on Little Butte creek this side of Flab lake, and got the limit of trout.

According to Vern VanDyke at Lamport's, reports have been received of some wonderful fishing now at Diamond lake. Limits are being caught there daily.

Mr. and Mrs. James Murray and Mr. and Mrs. Bert Rostel went for a boat ride on Diamond lake yesterday and caught six rainbow trout, weighing from 1 1/4 to 3 1/4 pounds. They said many limit catches were brought in during the day.

Dr. Roscoe Watts of San Francisco and three brokers from the San Francisco Stock Exchange are vacationing at one of the C. T. Steward cabins in the Shady Cove district, along the Rogue, and are putting in their spare time fishing. Barney Steward said today that he couldn't say how many fish the quartet had landed, but that they had been telling plenty of fish stories. Some of the members of the party flew here Saturday, and others made the trip north via the Redwood highway.

ASHLAND PITCHER SUBDUES ROGUES FOR 9 TO 1 WIN

The lowly Ashland Lithians staged a surprising comeback Sunday, defeating the Medford Rogues 9 to 1 behind the three-hit hurling of their Indian moundsman, McLean. Billy Hulen, Ashland's fast-stepping shortstop, helped matters along for his outfit by blasting out a pair of home runs. Joania, catcher, and Hoxie, second baseman, also of the Lithians, chalked up homers while Smith of the locals poked out a circuit blow for one of the few hits permitted the Rogues.

McLean whiffed fifteen and awarded three passes.

Yesterday's victory was the second for Ashland in the season's schedule of the Southern Oregon Baseball League, the other win also being garnered at Medford's expense.

Box score:

| | | | | | | | |
|-------------------|----|---|----|----|---|---|---|
| Ashland— | AB | R | R | F | O | A | E |

PUBLIC LINKSMEN TO VIE TUESDAY

PORTLAND, Ore., July 31.—(AP)—Public Links golfers from all sections of the United States and an entry from Hawaii were touring Eastmoreland golf course today in their final practice rounds, before the opening of the 1933 public links title play set for Tuesday.

Before the first players tee off in the qualifying round tomorrow, 189 players are expected to be registered for play. Today 159 had registered for play.

Favorites on past performance and practice rounds here include: Robert L. Miller, 1933 public links titlist from Jacksonville, Fla.; Albert "Scotty" Campbell, Seattle; Charles Perera, San Francisco; and Charles Wilson, the long hitting star from Honolulu.

BASEBALL YESTERDAY

Coast League

OUR ELECTRIC REFRIGERATOR

KEEPS HIS FOOD FRESH AND WHOLESOME

The Doctor said: "The food and drink of your children are the materials of which their growing bodies are made. Keep an eye on their milk... be certain it is pure, safe... always fresh. Watch every single item of their food. Baby digestions are easily upset."

That's why I purchased an electric refrigerator and I have found it the best investment I ever made. First, as an investment in the health of my children; and the dividends have been 100%. Second, from the standpoint of money, it has actually cost less to own an electric refrigerator than to get along without one. Why not see your dealer today?

THE CALIFORNIA OREGON POWER COMPANY
