## WE WOMEN MUST KEEP OUR YOUTH

Oh, bother the birthday days! Staying young is really very simple... if you know your carbohydrates and minerals, your proteins and vitamins. These are the vital elements Nature so generously stores in whole wheat. And you can have them, every one, in delicious golden-brown biscuits... Shredded Wheat.

It's the very food of youth! Just whole wheat with nothing added or taken away. Ready cooked, ready to eat. Yes, ready to serve in many delightful ways... with milk or cream, with fresh or preserved fruit. Try it tomorrow, and the next day; try it for at least ten pleasant meals. Perhaps you'll find, as millions have, that it's youth... by the bowlful!

With Certo and the Certo recipes you can put up double the amount of jelly or jam in the usual time, too. Certo, you see, cuts your boiling time for jellies to only one-half minute. And jams rarely require more than one minute. Hence you can make a complete batch in 12 minutes or less from the time the fruit is prepared.

And Certo will give you better tasting jam or jelly. All the fresh fruit flavor will be kept intact.

And because no fruit juice has time to boil away, you'll get as much as one-half again more glasses from the same amount of fruit.

So get your fruits today. And get your Certo, too. That's all you need to start right now to fill your cupboard with delicious jams and jellies—that will delight your family all winter long! Certo is a product of General Foods. Get it at your grocer's.

## DELICIOUS CEREAL OVERCOMES COMMON CONSTIPATION

ALL-BRAN Provides "Bulk," Vitamin B and Iron

Kellogg's ALL-BRAN meets a basic need of the American dietary. It supplies "bulk"—so helpful in correcting common constipation. In eleven years, ALL-BRAN has won millions of satisfied users.

New tests show added reasons for the success of ALL-BRAN. Laboratory experiments prove that, in addition to "bulk," it provides vitamin B to help tone the intestinal tract.

The headaches, loss of appetite and energy that so often result from constipation can be overcome by this pleasant cereal. How much better than using pills and drugs.

ALL-BRAN is mild. Its "bulk" is much like that of lettuce. Within the body, it absorbs moisture and forms a soft mass, which gently clears the intestines of wastes.

Two tablespoonfuls daily are sufficient to overcome most types of constipation. Chronic cases, with every meal. If not relieved this way, see your doctor.

Another benefit of ALL-BRAN is that it has twice as much blood-building iron as an equal amount by weight of beef liver.

Serve as a cereal, or use in cooking. Tempting recipes on the red-and-green package. Sold by all grocers. Made by Kellogg in Battle Creek.
