

Golf Tourney Starts Sept. 1

ENTRIES INCLUDE TITLEHOLDER AND NORTHWEST STARS

Women's Southern Oregon Championship Also to Be Contested — Finals to Be Held On Labor Day

The fifth annual Southern Oregon golf championship tourney will open at the Rogue Valley course, Friday, September 1, with the finals scheduled for Tuesday, September 5, according to announcement Saturday by the tourney committee. Les Leal, of Eugene, defending champion who will be on hand to defend his title, will be forced to match strokes with some of the outstanding stars of the northwest, as several have indicated their desire to participate in this year's play.

The tourney will be in the nature of a double-header this year with the Southern Oregon women's championship being played at the same time. The Southern Oregon women's championship cup is now the permanent possession of Mrs. D. R. Wood, she having won it three times, and it will be necessary to post a new emblem for this year's competition.

Qualifying rounds of 18 holes will be played on the opening day, September 1, and the first round of match play will start Saturday noon, September 2. Quarter-finals are scheduled for the morning of September 2, with finals on Monday, Labor Day. In order to permit out-of-town golfers to familiarize themselves with the local course, all entrants paying the \$2 tourney fee, will be able to play on the course beginning Monday, August 28, without additional charge.

All entrants will qualify in some flight and there will be prizes for winners in each flight. Those defeated in the first round will go into consolation flights, insuring ample golf for all participants, to say nothing of opportunity to "cop" some of the worth-while prizes.

According to D. S. Clark, chairman of the committee, lunch and refreshments will be available at all times during the tourney.

The title was won in 1929 by R. W. Hammond Jr., and in 1930 was won by D. S. Clark. Hammond retrieved the cup in 1931 but failed to connect in 1932 and the emblem passed into possession of Les Leal. Hammond is expected to give the title-holder a run for his money this year as he has been playing "hang up" golf.

In addition to Leal, entry cards are expected from Dick Neer and brother Bob, also of Eugene. Star mashie swingers will attend the tourney from Klamath Falls, Ashland, Grants Pass, Roseburg, Marshfield and several towns in northern California. It is also reported to the committee that several participants in the Gearhart tournament will come here for a shot at the Southern Oregon crown.

In addition to the visiting golfers it is the desire of the committee that a large number of Medford players enter the contest.

Those who intend to play should obtain entry cards from Jack Hueston, club pro.

MAWTHORNE RACE TRACK, Chicago, Aug. 19.—(AP)—Signal Man, owned by the Audley farm of Virginia, won the Hawthorne juvenile handicap at six furlongs today with his running mate, Trey, second, and Pennote third. Lady Higliss was fourth.

Signal Man, ridden by Jockey Earl Poole, sprinted the distance in 1:14-2-5. New Deal stumbled and fell to his knees a second after the start throwing his rider, Jockey George Fields. The race had a gross value of \$7800 with \$5725 going to the winner.

WASHINGTON, Aug. 19.—(AP)—President Roosevelt today appointed Meredith Nicholson, Indiana author, to be minister to Paraguay and Leo R. Sack, Washington newspaperman, to be minister to Costa Rica.

Batteries: Stine and Bottarini; Lindolph, Salinsen, Gabler and Veltman.

LIGHTNING HITS PLANE IN FLIGHT

DOVER, Del., Aug. 19.—(AP)—A red cabin monoplane late today hurtled down from the skies near Leipzig, five miles west of here, and was buried under eight feet of water and mud in a marsh.

State troopers said the plane apparently was hit by lightning in midair, it immediately burst in flames and the engine exploded.

Neighbors and others, struggling in the mire to reach the debris and extricate the pilot, apparently the only person aboard, were driven back as high tide flooded the marsh.

Investigation disclosed a plane answering the description of the wrecked one, operated by Harold McMahon, of Oyster Bay, L. I., was missing.

WASHINGTON, Aug. 19.—(AP)—A special stamp will be issued by the postoffice department for use in connection with a proposed October flight by the Graf Zeppelin from Germany to the Chicago world's fair.

WOODBURN GRABS NORTHWEST TITLE FROM POCATELLO

POCATELLO, Idaho, Aug. 19.—(AP)—To Woodburn, Ore., today went the Northwest Regional American Legion Junior League baseball title on a 4-3 over Pocatello in the fifteenth inning. Miles City, champion of Montana, took third place in the tournament by defeating Walls Walls, Wash., 8 to 4 in a semi-final game.

The title win sends Woodburn to Topeka, Kan., where the western series will be played August 23 to 25.

To Battison of Woodburn and his potent bat got much of the credit for the championship for it was his home run with a mate on base in the ninth inning that tied the count a 3-all, and his single in the fifteenth scoring Battison that won the game.

Bevens, speed-balling for the winners, struck out 23 men, compared to 12 and 4 by Cooper and Black for Pocatello.

The game which required three hours and five minutes to play, was replete with thrills as the tide of battle appeared swaying to either team. Both were in trouble repeatedly and sensational catches and sparkling infield plays sent the deadlock into evening hours.

The score by innings:

Woodburn	000 001 002 000 001-4
Pocatello	000 201 000 000 000-3

Batteries: Woodburn—Bevens and Voget; Pocatello—Cooper, Black and Knowles.

TRICK SHOT WINS CANADIAN TITLE

TORONTO, Ont., Aug. 19.—(AP)—Joe Kirkwood, the Australian, trick shot star who never before has won a major title, ripped through the last two rounds of the Canadian open sub par golf today to score one of the most decisive triumphs in the history of the competition no Canadian has been able to win the past 14 years.

Kirkwood shot a 70 in the third round of the 72-hole medal play this morning, then topped off his first drive to the heights with a 69 that equalled Horton Smith's record for the course and gave him a total of 202 strokes, eight better than Harry Cooper, of Chicago, defending champion, and Lee Robson, of Toronto, who tied for second place.

RIGID GUARD FOR 'SNATCH' CHIEFTAIN

DALLAS, Tex., Aug. 19.—(AP)—Four prisoners held in the county jail here by federal authorities under charges of kidnaping Charles F. Urschel, wealthy Oklahoman, were rushed from their cells to waiting cars today and taken to the city police identification bureau for fingerprinting.

Harvey Bailey, the fifth person held here, remained under heavy guard in the county jail. Federal agents continued to refuse permission for his transfer so photographs and fingerprints could be made, fearing some attempt to free or kill Bailey might be made by friends or other members of the kidnaping gang still at liberty. He led the Memorial Day break of 11 convicts from the Lansing, Kansas, prison last year and has been identified as the machine gunner in the killing of four officers and Frank Nash, convict, in Kansas City last June 17.

THREAT NOTES TO UMPIRES IN C. OF C. MEMBERSHIP TILT

Never in the history of southern Oregon has there been such rivalry shown as has been going on in the Chamber of Commerce league games this past week.

Not only have both the teams resorted to clever baseball but they have both resorted to underhanded, uncalled-for little tricky coaching, both from the art of signaling and wig-wagging and it is said that the Shangles Rogues have even gone so far as to steal the Henselman's shin guards.

Umpire Emmens and Woodford, both have made signed affidavits that a party of the men, unbeknown to them, appeared at their respective homes and asked for food and clothing. They appeared well dressed and were refused help. Later both umpires received threatening letters which Chief McCrede has in his possession and are being investigated by the police.

Portions of the letters are as follows:

Umpires Emmens and Woodford, Gintlemen:

This Sheng! Heesa lee, heea to fasta go, Ima seck and Ima tela you fella Ima looza plant mon on thisa game Ima you don do a somthin.

Hensel hea a Hiza Kid and In a bet on hem buta you Umps you know see disaa ball good.

U beter leava 18 Chambe of Mya Commerce New Membersheep in thisa old stump, just by aidea thisa creek by noona time tonit, or mabe if you dont mabe you geta consequent, DONT MONK-IE.

Push-Em-Up Hensel Pete.

Every single member of the Henselman Boosa team has been called before the chief of police for handwriting tests and it is rumored that one of the members' handwriting is very similar to the threat letter.

The Shangle team seems to have been upset by the threat and are keeping under cover.

Footmaster Warner phoned baseball headquarters that a letter was just dropped in the box addressed to Galloping Harry and High Chair Shangle and that he is turning it over to the authorities.

Umpires Emmens and Woodford have called the game off until Monday, as it was deemed best in view of the frame of mind of the players at the end of the second inning.

Score at the end of second inning:

R. H. E.	
Shangle Rogues	27 30 102
Henselman Boosa	14 17 203

BROTHER CUTS OFF SISTER'S FINGER

It was all in fun, the father said, but Little Aubrey Ladine Walters, 6, daughter of R. E. Walters of Antelope creek, is minus her first finger of her right hand, which her brother, Daniel, 8, cut off with an axe yesterday when Aubrey held her hand on the chopping block.

The second finger was almost cut off also, according to Dr. W. W. P. Holt, who was called.

The children were playing with the axe, their father said, and after the accident first aid was administered by applying Climax Mineral water, which flows from a spring at the Walters ranch.

"I want it emphasized that first aid was given by applying the mineral water," Walters said, "and that Climax mineral water is a very beneficial disinfectant."

DAKOTA SENATOR AT CRATER LAKE

United States Senator Peter Norbeck of South Dakota passed through Medford Friday afternoon while en route from Crater Lake National park to San Diego, Calif., following a week spent in Grand Teton and Yellowstone National Parks.

Senator Norbeck is deeply interested in the general development of national parks for the complete enjoyment of the people and was particularly impressed with Crater Lake, of which he had heard much, but had never before seen. While in the park he was shown beauties of the rim drive by Superintendent E. C. Solinsky and road construction work now underway, which, in time, will provide motorists with a regular hard-surfaced road around the lake for a distance of 35 miles.

PARK PUBLICITY LECTURE TUESDAY

An interesting lecture is in store for Medford people, without charge, next Tuesday evening, when Avis Lobdell of Portland, known as the publicity lecturer of Nature's Wonderland, will be in this city to present her program at the high school auditorium at 8:15 o'clock.

Miss Lobdell was at Crater Lake yesterday, where she presented the entertaining program Saturday night, according to a telephone message received by Wm. F. Laaca. The lecture here will be sponsored by the Chamber of Commerce and the public is promised a very interesting evening.

Miss Lobdell's address will be accompanied by colored illustrations of southern Utah parks and other features, which will comprise an hour's entertainment. As women's welfare director of the Union Pacific railway, she has obtained some fine pictures of the parks, particularly Zion, Bryce and Grand Canyon.

The program to be given here was presented three times at Rainer National park and was enthusiastically received by large audiences. It will be repeated again today at Crater lake in response to many requests.

GREAT INCOHONEY TALKS TO REDMEN

An inspiring talk was given here Friday night by W. P. Wachter, great Incohonee of the Redman lodge of the United States, at the meeting at the local Redman hall.

The welcoming address was given by Mayor E. M. Wilson, who stressed the value of fraternalism. And speeches were also given by the Great Sachem of California, Julius Finsterbush; Great Senior Sagamore of California, George M. Smith and Great Sachem of Oregon, Alvin Sievers, who also acted as toastmaster.

Mrs. Wachter and Pocahontas Vera Thomas, who had charge of the business meeting, also spoke, and Dr. Duane A. Fellows, great chief of the records of Oregon.

Musical numbers by David Luman and Janet Rush were also enjoyed. Refreshments were served by the committee, composed of Evelyn Stagg, Helen Hicks, Oleta Rogers and Jack Doooms. An hour of dancing was arranged by the social committee, composed of Florence Rush, Carrie Milnes and Bud Lawrentz.

Ford Motor Company, Dearborn, Mich.

About this matter of minutes and miles

Henry Ford Dearborn, Mich.

The speedometer is a little thing, but can be a big source of wrong conclusions.

On a recent test, two cars of different makes, with speedometers set at 0, were given each two gallons of gas, and driven the same road till they stopped. The top car went 7 miles farther down the road than the low car, yet the low car's speedometer showed that it had gone farther than the top car. Paper miles and road miles may be two quite different things.

It is easier to build a speedometer that will read 70 miles an hour than a car that will go 70 miles an hour.

A Detroit man who has a summer home in Northern Michigan, began several months ago to drive his first Ford V-8. He says:

"My watch tells me that I go up north in less time than I did before, but my Ford speedometer says that I go at slower speed, and the trip registers fewer miles. In my former car the speedometer speed was higher, my mileage greater on this trip, but with my Ford V-8 I go in less time and use less gas."

There is no mystery about that. His former mileage, speed and gas consumption were delusions. He figured by a speedometer that did not measure accurately, and was not meant to. All his costs—operations, repairs, upkeep—were calculated on a wrong basis. A wrong speedometer misleads on all these items.

Some car manufacturers justify this practice. They say it is just as well for a driver to think he is going 70 miles an hour when he is going only 62. Well, let that pass as to speed; does it justify telling every driver that he is getting more mileage out of his car than he really is? A speedometer measures speed AND mileage; should it cheat on both?

Speeding up a clock cannot create more hours any more than speeding up a speed-meter can create more miles. An hour is sixty minutes long. A mile is 5280 feet long. Ford mileage and Ford speed are accurately measured—they are there—you get them—no one gets more.

Anyone can buy speedometers and have them "fixed" anyway he wants them. We deal with manufacturers who know our strict stand on accuracy and are glad to meet our specifications. The limit of variation in Ford speedometers, a limit that cannot be avoided in manufacture, is 2 1/2 at 70 miles.

We get our speed and mileage out of our engine and wheels, not out of our speedometer.
