

Ask Us Another..

*Here are some of the questions
people ask us about the
President's Reemployment Agreement
sometimes called the "blanket code"*

Q. *Who started all this?*

A. President Roosevelt. It's one more step in his big plan that has already put more than a million men back to work.

Q. *What's the big idea anyhow?*

A. To end unemployment. To wipe out child labor (something the country's been trying to do for generations). And to restore the purchasing power of the richest country in the world.

Q. *How's he going to do it?*

A. Every employer is asked to split up existing work so that everybody will have a job, and to raise the hourly wage rate, where necessary, so that everybody will have a living wage.

Q. *And that's what they mean by the blanket code?*

A. Yes—it's called the "President's Reemployment Agreement."

Q. *Does anybody HAVE to sign?*

A. No. It's a gentlemen's agreement between President Roosevelt and every man, woman and child in the country. He is asking you to lend a hand.

Q. *Why should the employer sign?*

A. Because when everybody goes back to work, everybody will spend more money. And that will speed up business for every employer.

Q. *What does the employee do?*

A. You work less hours. You share your job with someone else. But you get a guaranteed minimum wage.

Q. *How can the housewife help?*

A. By signing a pledge to patronize the stores and industries that display the President's seal—they are SHARING to bring back prosperity.

Q. *And one more question—what's all this talk about an industrial code?*

A. The industrial code will be the rules and regulations adopted by each industry for its guidance. But the country can't wait for all these individual codes to be ironed out. We need the blanket code to put men to work, and raise wages, right now!
