

ROGUES WIN 20-16 IN BATTLE WITH GOLD HILL SQUAD

42 Safe Swats Chalked Up During Game At Cement Metropolis - Chief McLean Shines With Willow

Medford's Rogues continued their winning streak yesterday by again defeating the Gold Hill aggregation 20 to 16 in an old fashioned slugfest on the latter's diamond.

The game was marked by heavy hitting, a total of 42 safe hits being hit from the bats of the two squads. The Rogues started on a rampage in the very first inning when seventeen batters went to the plate, scoring eleven runs on nine hits, three walks and one error. It required thirty minutes to retire the side in that canto. Another run in the third, three in the fourth and five in the eighth was the order in which the twenty runs were scored.

The Gold Hill boys showed their fighting spirit by almost tying the count in the fifth inning by scoring seven runs and driving Pitcher Bill Lake from the mound. They had previously scored five runs in the third canto, which made the score 15 to 12 at this point of the game.

The Gold Hill fans went wild as the result of this rally and became almost beyond control. Their favorites were making a wonderful fight and a victory over the Rogues, which to them would be the prize of the season, was visioned by many. Chief McLean, who started the game at second base, relieved Lake on the mound and with exception of the eighth inning when three runs were scored, held the situation well in hand.

McLean on Bat Spree The Indian also had a field day at bat getting six hits in seven times up, including a homerun and scoring six runs. Williams also starred at bat with four hits and two walks. For Gold Hill Emory and C. Kell were the heavy hitters, connecting for four hits each. L. Foley starred in center field for the home boys by making several catches of hard hit balls.

CHINESE DUMPS HIGH HAT TEDDY

Wong Bock Chung, giant Chinese grappler, took the odd fall from Ted Thye in their match at the Jacksonville Gold Rush Jubilee Saturday night after the pair had staged a rough and vicious battle as the main event on a card promoted for the old mining town celebration by Mack Lillard, Medford matchmaker.

Chung demonstrated his deadly "Manchurian choke hold" in winning one of his falls, though Thye was ultra cautious in seeking to prevent the Oriental from getting behind him, a position necessary in securing the hold. Thye took his only fall with wristlocks and Chung the final with a choke and body press.

At Karalek disabled Everett Kibbens with a Boston crab to win their semi-final match, after Kibbens had taken the first tumble with a series of Sonnenbergs.

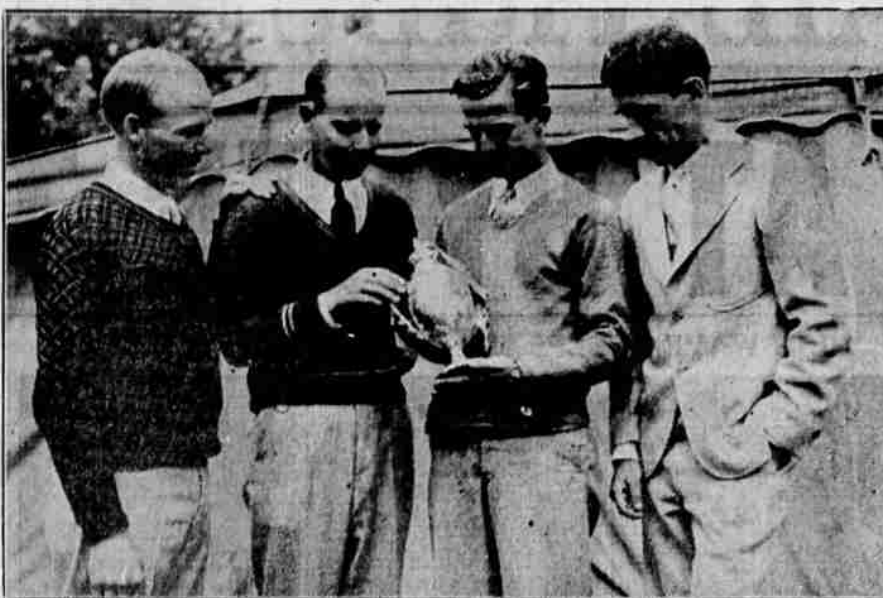

Pete Bellocastro took to the air to defeat Fireman Ray Frable in their curtain-raiser, clamping on a flying head scissor for the only fall of the set-to.

Many Medford fans were present and expressed a desire to see more of the Chinaman's art in a match here.

He will succeed Major General Campbell King who retired July 31.

SCATTERGUNNERS VIE FOR AWARDS

Another merchandise and trophy shoot was greatly enjoyed by the target busters Sunday morning. About 25 shooters were out and participated in the special events.

A handicap trophy has been placed in competition, sponsored by Chester Wood, chairman of the program committee, and will be known as the Chester Wood challenge trophy. This event drew 15 entries and ended in a tie. George Eads, shooting from 18 yards, and Bill Bates from 21 yards, each broke 25 straight. This tie will be shot off at the next regular club shoot, September 3.

The "Skeet" committee has made excellent progress in enlisting the support of a large number of sportsmen who are anxious to participate in this new sport of Skeet. Equipment has been received and will be installed as rapidly as possible.

KING SNAKE FINDS RATTLER FOE NOT WORTHWHILE BITE

SPRINGVILLE, Cal.—(UP)—The prize ring axiom that "they never come back" couldn't be applied to Donald Sutch's fighting snakes.

Sutch, Springville promoter, blamed the heat when 20 rattlers and 20 king snakes curled together fraternally and refused to fight in a widely ballyhooed Fourth of July battle at his dude ranch here. Nearly 500 spectators sweltered in the sun while the snakes remained quiescent. One died from the heat.

But when two of the reptiles, under cooler climatic conditions, got together on Sutch's front lawn, the speedy sinuous king snake scored a belated victory over his traditional adversary.

Sparring cautiously, he suddenly whipped his fangs behind the rattler's head and coiled around his foe. The rattler apparently lost consciousness. Then the king snake swallowed the
