Cuba's New President

This is a recent portrait of Carlos Manuel de Cespedes, who has succeeded Gerardo Machado as Cuba's chief executive. (Associated Press Photo)

SILVER SCREEN REVIEW

By Mary Greiner Kelly.
A very healthy picture, thank you—especially from the feminine viewpoint. You see, it unleashes a whole cellar, full of suppressed female desires (page Mr. Freud) centering around the mythical dominance of the so-called weaker sex in good old Amazonia. Speaking, of course, of "The Warrior's Husband" which opened at Hunt's Craterian yesterday.
