The Jackson county recreation club entertained the grange masters and wives and grange lecturers Wednesday evening, August 30, at the courthouse auditorium.

The purpose of the meeting was to discuss the plans for the recreation project for the coming year, and the selection of recreation leaders by granges of the county.

The meeting was opened with community singing led by Vaughn Quackebush, president of the club, welcomed the guests, Mabel C. Mack, home demonstration agent explained the aims of the recreation and dramatics project and the recreation club. Recreation leaders are to be selected for each of four phases of work, Mrs. Mack explained: Singing and music appreciation; dramatics; marches and active games; folk dancing. These leaders are to be selected in September.

The work of the leaders includes two very definite phases first, to develop his own talents in the largest way for service, and second, to find and develop as many as he can from the group who will, in time, be of service to other groups.

A successful leader must be one who will attend regular monthly training meetings, and who has the co-operation of the grange members, Mrs. Mack stated.

Plans for recreation leaders for the coming year include five phases: 1. Song competition and interpretation. 2. Public speaking course. 3. County dramatics contest. 4. Dramatics institute in January. 5. Recreation training meeting held monthly.

The following recreation program was presented for the enjoyment of the guests, with Ray C. Ward presiding:

Solo—Vaughn Quackebush.
"America the Beautiful," and its interpretation—Frances Wilson.
Stunt—Edith Bohnert.
Readings—Eudora Bohnert.
Grand March—Arnold Bohnert.
Relay Games.
Folk Dances—Mrs. Ray Ward, Mrs. A. E. Brockway, O. C. Maust.

Plans were made for the recreation camp to be held at Dead Indian Soda Springs, September 23 and 24. Ice cream and cake were served at the close of the program by the refreshment committee, Mrs. Ray Ward, chairman.

Bing Crosby Comes To Craterian Soon In 'College Humor'

"College Humor," Paramount's boldest words-and-music version of college life as it ought to be, opens Sunday at Hunt's Craterian.

"College Humor" boasts an all-star cast, a fast-moving story, a top-notch chorus, and music that already has proved successful on the radio and dance programs.

In its cast are Bing Crosby, Richard Arlen, Mary Carlisle, Jack Oakie, George Burns and Gracie Allen, Lona Andre and Mary Kornman. The Ox-Road Co-Eds, a chorus of stunning youngsters, provide the dancing. Its music—"Learn to Croon," "Moonstruck," and "The Old Ox Road," its three hit tunes—was written by Sam Cowell and Arthur Johnston.

"College Humor" is the story of a campus at which reputations made on the gridiron are lost in the boudoir; where co-eds learn the facts of life more readily than mathematics or science.

Bing Crosby is cast as a young instructor. Arlen and Oakie are football heroes, each in his own fashion. George Burns and Gracie Allen are college widow and college-widower, in their own particular styles. Mary Carlisle, Lona Andre and Mary Kornman are among the co-eds who make life difficult for the boys.

Marie Dressler and Wallace Beery in "Tugboat Annie" appear at the Craterian tonight and Saturday.

tees interest for the life of the bond (between 15 and 18 years), although they may be called in at any time.

"The response on the part of mortgage holders in this part of the state has been particularly gratifying," the assistant manager said, "and it appears that mortgagees and all other persons holding obligations rather than foreclose and force the families out, are going to willingly volunteer to accept these bonds."

The mortgages are written on a monthly payment basis, with interest on the principal beginning thirty days after the date of the mortgage.

May Waive Payment

Certain cases, upon investigation, where it is found absolutely necessary, principal payment will be waived for one year, and under certain conditions, payment can be waived for an additional two years. Each case, however, will be determined upon its own merits.

Three types of loans are being made, he said. Bonds are issued for payment of mortgages and cash to take up the rest of the assessment and taxes, bearing interest at five per cent. This is based on 80 per cent of the appraised valuation.

The second is made to liquidate taxes and assessments only where the property is free of any mortgage indebtedness. This loan is on 50 per cent of the appraised value of the mortgage, the interest being 5 per cent.

May Advance Cash

The third class is to persons who are unable to refinance the mortgage any way but cash. In such instances, a cash loan will be made not to exceed 40 per cent of the corporation's appraisal. Interest in these cases will also be six per cent.

It is not contemplated that many such loans as the latter are to be made, Mr. Walter said, for most cases where the payment is in default, it is in excess of forty per cent of the value.

It is expected that the money brought into Jackson county through these loans, will amount into six figures, he explained.

Mr. Walter, who has taken over the work as assistant manager, is well

They are living, are entitled to the loan, if they can show that they intend to retain it as a home, and eventually occupy it themselves.

"Those who reside with relatives, and agree to eventually go to their homes will also be considered," he said.

Have Big Capital

The corporation has been formed with capital at \$200,000,000, and the first issue of bonds will be for two billion dollars, Mr. Walter said. They will be serial interest bearing bonds of four per cent, payable semi-annually. They are secured by the first mortgage on the home, and further secured by the \$200,000,000 capital stock used in payment of taxes and assessments, also by whatever balance may be left from the four per cent on bonds, the five per cent charged borrowers after deducting the cost of operations. From this source, a normal return of between eight and ten million dollars a year is expected.

Mr. Walter stated that the corporation has established a market for the owners' bonds and they will be accepted at par in payment of home owners' loan mortgages. The federal reserve banks will accept them as collateral security on 80 per cent loans by independent banks. The federal home loan bank will accept them from banks, and savings and loan offices at 80 per cent, and the public works division of the Reconstruction Finance corporation will accept them on the same basis.

CONSUMERS' DRIVE IN NRA CAMPAIGN WINS BIG SUPPORT

Chamber of commerce officials in charge of the NRA drive which opened Thursday morning, were pleased with the response the six captains, their lieutenants and corps of workers received upon their first day of the campaign to get every business house in the city and surrounding territory lined up with the national recovery act.

Colonel O. O. Alenderfer and Major J. C. Thompson said today that reports were very accurate, and that the workers had received a wonderful reception every place they had gone.

The drive to line up all of Jackson county's consumers will be started in earnest Tuesday morning, in an attempt to get one hundred per cent support through the co-operation of every home in Jackson county.

Although some of the consumer signs have been given out at the chamber of commerce, where the booth is now located, local consumers are asked to call there any time and receive their window sticker.

"It is not necessary to wait until the solicitor calls at your door to gain your support," Robert Boyl, acting manager of the chamber of commerce said today.

Jackson county, with the exception of Talent and Ashland and the territory in those immediate vicinities, will be covered by the Medford chamber of commerce, Mr. Boyl said.

Consumers may sign at the post office in Ruch, Gold Hill, Applegate, Eagle Point, Trail, Union Creek, Perist, Climax, Copper, Beagle, Sams Valley, Brownboro and Lake Creek. At Jacksonville the cards will be at Godward's Basket Grocery, and at Central Point at the Central Point American.

Fred O'Kelly's store in Rogue River will be the headquarters for that district, and those at Prospect may obtain theirs from Ludo Grieve at the Copco headquarters.

SHRINERS PLAN MONTHLY MEET COMING WINTER

The fall season for the Medford Shrine club opened today with an enjoyable luncheon at the Medford Hotel, presided over by the new president of the club, Jack Thompson. A series of interesting monthly meetings has been planned by President Thompson and, in a few words spoken to the gathered Shriners, he urged their enthusiastic attendance and interest during the coming season. Noble W. R. Elliott, formerly of Reno, Nevada, now residing here, was a guest at today's meeting and was welcomed to Medford by the Hillah Shriners.

The speaker of today's luncheon was Don Newberry who addressed the Shrine club members on the National Recovery Act. Mr. Newberry pointed out the aims of the President's much-discussed reemployment program and urged his audience to do its part in familiarizing employers, employees and consumers with the seriousness of the present economic situation and assist in securing wide-spread public acceptance of the N. R. A.

The enthusiasm in which southern Oregon people are backing the President's business recovery program was lauded by Don Newberry. Surveys now under way indicate nearly one hundred percent cooperation on the part of the public in this section and already a gratifying number of men have been employed, he said.

The next meeting of the Medford Shrine club will be held Friday, October 6th tonight local Shriners will journey to Ashland to attend a meeting of Hillah Temple.
