CINCINNATI, Sept. 9.—(AP)—Amateur golf's big six-day marathon will start Monday with 161 challengers seeking qualifying positions for the United States championship.

Over this difficult 6780-yard layout, where par 71 has never been bettered in competition, the first 18 holes of the 36-hole qualifying test will be played. The 32 low scores Monday and Tuesday will advance to Wednesday's match play rounds.

VALLEY GOLFERS IN STATE MEET

H. D. Bentley who gave "Hank" Fringle a stirring but losing battle in the Southern Oregon championship in the recent tourney here, will join Bob Hammond, another local links star in an attempt to garner laurels in the Oregon open which starts Monday in Portland.

SCOUT CAMP-O-RAL COMING WEEK-END

All Boy Scout troops of Medford, Ashland, Eagle Point, Gold Hill, Jacksonville, and Hill, Cal., will meet in this city Friday and Saturday, September 22 and 23, for a Camp-O-Ral on the playgrounds at Scout headquarters on East Main street. It was announced yesterday by Larry Schade.

Camp will be made after school Friday and will be broken up Saturday night. Troops are asked to furnish their own tents, cooking utensils, and all equipment. Each unit will be in charge of an acoutmaster, and scouts will cook their own meals.

ROGUES WILL INVADE GRANTS PASS TODAY

Manager Hal Haight's Medford Rogues will invade Grants Pass today for another try at the Athletics of the Climate city.

Haight was somewhat noncommittal Saturday in regard to the published challenge of the "old timers" led by Mark Patton, who want to play the Rogues, winner-take-all next Sunday.

According to the Rogues member, he has no objection to playing the men who shone as stars here 25 years ago, in fact he would be delighted to do so, but has serious doubts as to whether some of them could hobble around the bases, much less play an entire game.

BRITISH RACQUET AGES COMPLETELY OUTCLASS YANKS

FOREST HILLS, N. Y., Sept. 9.—(AP)—The last American hope of saving something out of the tennis wreck of 1933 was blasted today by the twin shotmaking wizards of the British empire, Australia's marvelous Jack Crawford and England's brilliant Fred Perry.

In exhibitions so devastating and decisive that no room was left for argument, the Anglo-aces from opposite sides of the world swept the last two American contenders out of the national men's singles championship and will meet tomorrow for the title already lost by California's Ellsworth Vines.

Crawford, despite a bad spill in the first set that painfully twisted his left knee, scored an unexpectedly one-sided victory over the wild and over-anxious New Yorker, Fred X. Shields, by scores of 7-5, 6-4, 6-3.

Perry routed Lester Stoecken, the tall California blond, with almost ridiculous ease in the first semi-final, 6-3, 6-2, 6-2.

The invading stars were favorites, but the lopsided margins by which they put to flight the last American defense shockers, Shields gave the crowd what few chances it had to cheer the homebreds, but he, too, found the pressure as well as the skill of his opponent too much to handle.

WAGERING BRISK ON HORSE RACES

SALEM, Sept. 9.—(AP)—Seven colorful horse races resulting in the heaviest betting of the week closed the six day meet at the fair here today, bringing the total to \$53,448 paid into the wagering windows during the entire period. Two jockeys were injured in the contests, one horse fell during the race and several mounts were left at the post in some of the closest matches seen for some time.

Race Results

NEW YORK, Sept. 9.—(AP)—C. V. Whitney's High Glee today won the 27th running of the Matron stakes and its purse of \$18,000, defeating six other two year old fillies over six furlongs at Belmont park. E. R. Bradley's Bazaar, victor in the Hopeful at Saratoga, finished second and Jabot, stablemate of the winner, third.

NEW YORK, Sept. 9.—(AP)—Samuel Riddle's War Glory, son of Man of War, today added the Lawrence Realization to his list 1933 stakes victories as he defeated five other three-year olds in the 41st running of the one and five-eighths miles race at Belmont park. W. R. Coe's Pomposity, an outsider, was second, and F. A. Griffith's Sarada third.

HIGH GRID SQUAD STRENGTHENED BY RETURN OF WHITE

Announcement that Tommy White, veteran back field man and one of the spark plugs for Medford high school's squad will be back under the Red and Black colors this season brings a ray of hope through the gloomy football prospect here.

The Tiger backfield which was sadly wrecked by graduations, will be without the services of Red Scheel and Clyde Fichtner, a pair of pile-driving line plungers and also adept at open field running.

Head Coach Darwin K. Burgher and Line Coach Ed Kirtley hope to have some of this year's material out for preliminary practice Monday and will hustle the boys along in an effort to get a semblance of team-play before the game scheduled with Weed, September 22, one week after school's opening here.

Another problem facing the Tiger mentors is the request of Klamath Falls for a change in date from September 28 to 21st. Klamath claims the gridiron there is needed for a game between Southern Oregon Normal and the Oregon frosh on September 28. On the other hand, it is known here that the Pelicans will take the field with a veteran team left almost entirely intact after last season. To meet this experienced outfit a week earlier than the date scheduled would be folly for the Tigers, their coaches point out.

Pat Shaw, two-year letterman and Bill Prentice and Glen Knox, the latter two, one-year lettermen, are regarded as prime candidates to fill the shoes of Bob Minear and Stub Glem, sterling guards of last year, lost to the team. Ed Bennett, who performed satisfactorily last year, is expected to hold down one of the end positions this year but Bill Lindley, a star of last season, is out via the graduation route and his berth will be fought for by three newcomers—Bob Hinman, Claude Hoover and Stan Kunsman. All three have shown football class in second team play and Hinman, who towers far into the ether, is expected to prove a bulwark despite the fact of his youth.

Burdett Kindred and Ronald Baker, both lettermen, and Joe Pierce, sub tackle from last year, are looked upon as likely material to plug the holes left by loss of both first string tackles.

The center position will see hot competition between Ruse Brown and Don Stewart, with merit about evenly divided. Filling the line in the 1933 edition of the Tigers presents no great problem for the coaches.

Lea Ghelardi and Max Gillinski, halves who have made good, will both be in uniform this fall and there is a wealth of material remaining from last year together with some husky and talented youngsters coming up from junior high. Among the latter is Sammy VanDyke, an all-around athlete who has not yet fully decided to go out for the squad but who is looked upon as prime football timber should he decide to play.

Klamath Falls' giant fullback, Taber, is back in school this fall, according to reports from over the hill, with the avowed intention of cracking the Tigers' line like a charge of nitro in a bargain counter safe. Taber has an unpleasant memory of what Stub Glem did to him last year and is seeking revenge, it is said.

TILLAMOOK, Ore., Sept. 9.—(AP)—A ban on hunting in the coast area swept by a September forest fire, is to be sought by the local chapter of the Isaac Walton league. HAVE MONEY Stay Away From Debt

DEBT is a tough old master when debts are made through extravagant living. Extravagance leads to debts and debts have lead many a man to his downfall. Stay out of debt... buy after you have the money. When a debt is made it must be paid... "easy payments" are often hard to pay.
