WASHINGTON, Sept. 11.—(AP)—Validity of the state law passed by the legislature at its last session prohibiting dentists from using certain types of public advertising was upheld by Circuit Judge H. D. Norton of Grants Pass, in a decision received here today.

The demurrer of the state board of dental examiners to the complaint of Dr. S. T. Donohue of Eugene, who sought to test the law, is sustained and temporary injunction against the operation of the law issued when the suit was filed here June 9 is dissolved. Dr. Donohue announced the case would be appealed to the state supreme court.

Judge Norton cites in his decision two similar cases, one in Oregon and one in Washington in which opposite views are held. He follows the Washington decision. In his decision he said: "Following down the two lines of decisions it seems to me entirely apparent that the Washington case follows the majority rule and the clear preponderance of judicial opinion."

POLISH BALLOON WINNER IN RACE

By the Associated Press. Two American balloonists were found today in a remote section of Canada, weak and ill from a week's hardships but only 500 miles from their starting point in Chicago.

Poland's entry became the apparent winner of the 1933 international James Gordon Bennett balloon race. Poland's team of war heroes, Capt. Franckek and Lieut. Zygniew Buryak, landed near Riviere a Pierre, northwest of Quebec in a Canadian wilderness. Like the American team of Ward T. Van Orman and Frank A. Trotter found today, they had wandered for days before reaching civilization.

Van Orman's distance in the Good-year IX appeared to have won third place. Second place evidently went to Lieut. Comm. T. G. W. Settle and Charles H. Kendall, who named the United States naval balloon.

PASTOR AND WIFE FOUND MURDERED

RIPLEY, W. Va., Sept. 11.—(AP)—Beaten and shot to death, the bodies of the Rev. A. M. Eddy and his wife were found at their home at Grace Fork today.

Mr. Eddy, pastor of the Mt. Hope Church at God, had been shot to death while sleeping. Indications were that his wife was awakened by the shots and fled, wounded, from the house.

She had been pursued and shot again as she fled down the highway. Then, officers said, her assailant had beat her over the head with a shotgun.

The weapon, shattered by repeated blows at Mrs. Eddy, was found beside her body at the edge of a small cove.

Officers said the gun had been identified as one borrowed from a neighbor several weeks ago by the ministers son, Ralph, 16. Ralph could not be located nor could the Eddy automobile be found. A search for the youth was started immediately.
