## Birks at Home on Geneva Street

Mr. and Mrs. Glen J. Birks and children are being welcomed to Medford following their recent arrival from San Francisco. They have taken the former C. T. Baker house on Geneva, where they will make their home. Mr. Birks is new manager of the Metropolitan Life Insurance company, succeeding Carl Grant, who has moved with his family to Seattle.

## MEN

What is your future? Are you getting ahead? Are you on the road to independence in your trade or profession? Can you expect to make from \$40.00 to \$100.00 a week in 1933? If not, investigate this offer of free instruction and immediate employment. We have nothing to sell you.

We will take on additional men who wish to learn to do this work and who can get along on earnings of \$35.00 to \$40.00 a week while studying and practicing. We will train such men free. We will furnish full equipment with no deposit required. There is no expense, no previous experience in any kind of selling is necessary. If you are capable of understanding and following instruction, if you are one who likes to practice to learn skill and judgment in what he does, and if you are willing to work for success, then we will give you a chance. We cannot guarantee you that you will be a star, but we do guarantee you a trial with substantial earnings, practical instruction and guidance.

## ROYAL STADDARD

We have a wonderful invention that renders a very unusual service. Our men are thoroughly trained as to how to conduct our business. Those we believe, in a personal interview, can qualify, will be given the opportunity of seeing our invention, meeting our men, investigating their earnings, our company, and our entire business methods.

It is not unusual that men in this organization make \$25.00 to \$30.00 for one day's work.

This is a straightforward offer of sincere intent to worthy men who are in need of good substantial positions. Please do not apply for these positions unless you can meet the requirements, and the requirements are that you be of neat appearance, between the ages of 25 and 40, and of good character and reputation and willing to work.

Applicants will be personally interviewed Friday morning, 9 to 12 only. Apply at Hotel Medford. Ask for Mr. Groth.

## Miss McMATH Guest Here from Sacramento

Miss Flora McMATH, daughter of Mr. and Mrs. C. B. McMATH of Sacramento, Cal., formerly of this city, is a guest here for several days of the Misses Louise and Fredericka Brommer, having stopped here en route to Crovalls, where she will re-enter Oregon State college.

## AUDIT ALLEGES MISAPPLICATION COLLEGE STORES

(Continued from Page One)

In June, 1932, an unusual number of material changes were made to janitorial and repair budgets.

Orders Questioned. An order for and disposition of blinds amounting to \$961.79, made in 1931, was also questioned, as is an order for linoleum costing \$208.20.

The superintendent in his position has disregarded rulings regarding employment of one's own family in his immediate department," is another statement in the report.

Appended to the back of the report submitted by Otto P. Kubin for the departmental auditing division, who stated that the information it contained was secured through the efforts of S. D. Buell, a division auditor, were affidavits of witnesses interviewed by Buell.

Policy Change Needed. In a listing under general comments, the report states that from the foregoing presentation it appears imperative that some radical changes of policy should be inaugurated to the end that all possibility of misapplication of stores and labor should be eliminated. We feel that the condition is such that drastic measures must be adopted to bring about proper adjustment.

Released with each copy of the report was a copy of the college's reply, said to have been prepared at the request of Secretary of State Hoes and which he declared "closed the incident" so far as his department is concerned, his department being responsible for the annual state audits.

Included in this reply were documents and records purported to show that all charges in the special report were groundless or distorted, and that any technical irregularities have been corrected.

Old Rule Basis. The conclusion drawn in the reply being that the only foundation for the many changes contained in the special report are based on a fact that years ago the building department had been granted a special privilege of making direct purchases and disposal of materials used in the department, this being granted to facilitate the building when much work was going on.

## Pomona Grange

By Mrs. Gertrude Haak.

Pomona Grange held an interesting meeting at the Phoenix Grange hall September 9, with very good attendance of Grangers from all over the county. All Granges but one were represented.

There was considerable interesting discussion on the different measures that came up and the information given by some members was certainly a revelation. As a result, we believe that the way has been paved for a much larger field of influence by the Grange members, and one in which all the farmers of the county should benefit, and assist.

Methods of distribution of the farm product, milk, came in for a large share of attention.

The lecturer furnished a particularly pleasing program. Following the Oregon state song, led by Miss Francis Wilson, with Mrs. Mable Sims at the piano, were two duets by Wallace Ragsdale and Harry Tonn of Lake Creek. These songs were composed (words and music) by Wallace Ragsdale. Mr. Ragsdale is getting quite a reputation as a song writer and the composition of instrumental accompaniment.

Leading feature of the program was the depicting of the legends of the three graces, Ceres, Pomona and Flora, in beautiful tableaux, together with legends and stories from Greek and Roman mythology. This was most interesting and beautifully done.

Light refreshments will be served at the close of the meeting.
