

HILL SEEKS DISMISSAL OF SUIT IN COLLECTION ON BANKS FRUIT PAPER

Gilbert W. Hill, orchardist, has filed an answer to the suit of the Columbia Paper Mills against L. A. Banks and 28 others, named with Hill, as defendants in the action. Hill asks that the case be dismissed, and that he receive costs. In the neighborhood of \$3000 is sought. Hill is represented by Attorney W. G. Trill. Demurrers to the suit were filed last week by W. H. Arnold, and other defendants. Hill was a member of the Pear Growers' association, one of Banks' numerous organizations. Wrapping paper was purchased from the paper concern, and turned over to Banks for use in his own orchards, it is claimed. Purchase of the paper was through the Pear Growers' association directors, of which Banks was one. Other members, through counsel, hold that the acts of the directors or other officials is not binding upon them, that they received no value from the transaction, and Hill contends that he had nothing to do with the purchase, and knew nothing of it.

IDEAL CONDITIONS FOR DEER HUNTING

Rain of Sunday night in the hill areas made hunting conditions ideal for the opening of the deer season tomorrow. The rain last Sunday night in the hill areas of eastern Jackson county dampened the underbrush, reducing the fire hazard and making travel less noisy. Many hunters left today for favorite spots in the woods. Deer are reported moderately plentiful. Other hunters are waiting until the end of the season, or a general storm that will drive the deer out of the higher levels.

EQUALIZATION BOARD MAILED OUT DECISIONS

The board of equalization has completed its work for the year, and is mailing notices of allowance or denial of requests filed by Jackson county residents for tax cuts. Of the 61 filed, less than a dozen were allowed. Many of the applicants withdrew their requests, so no decision was necessary. Reasons given for reductions were based on decline in rental values, depreciation because of change in highway routes, and claims of high assessments.

Styles for every college hour are appearing on the fall calendar. And stadium fashions are not the least of these. Here Toby Wing and Verna Hillie are ready to cheer from kickoff to touchdown. Miss Wing wears brown and gray tweed with a natural lynx collar, while Miss Hillie's choice is a dark gray worsted with sleeves and collar in shaded kimmer.

When the busy co-ed puts her books aside, she may choose the tailored ensemble shown on the left. It is brown and there's rust-colored satin in the upper part of the frock and its girdle. The beret-like hat has a feather tuft. The black velvet gown would be at home at a sorority dance or an after-football affair. Bands of ermine are effective trimming. The yoke is of net.

BURDELL DIVORCE CASE UNFINISHED

GRANTS PASS, Sept. 19.—(Sp.)—The Burdell divorce case, brought from Medford the latter part of last week, was rested in circuit court Saturday after witnesses had been heard. The case will be completed when Judge H. D. Norton holds court in Medford later, as the reason for its having been brought here was to take the testimony of a witness who was leaving Medford before the court meets here. George Burdell was suing his wife, Marnilla Burdell, for a divorce, charging cruelty. Mrs. Burdell had entered a counter charge of desertion and asked custody of their only child, whom she alleges Burdell took with him when he left some time ago. The child had not been located.

PIONEER REUNION PHOTO ENLARGED

A picture of the Pioneer Reunion of 1895, has been unearthed, and its enlargement by Verne Shangle, will be one of the features of the annual Jackson county Pioneers Reunion, at Ashland Thursday. By the enlargement the identity of the faces in the picture will be easier. Col. F. L. TouVelle has offered a prize of \$10 for the pioneer who provides the most names of those present. Already a Jacksonville pioneer has picked out close to 50. At the 1895 re-union Mrs. William Warner aided in serving the banquet, and her father, Judge W. M. Colvig, was one of the orators. The old home of General John H. Morgan, confederate cavalry leader, has been restored and made into a museum at Lexington, Ky.

LOOK OUT FOR THESE SYMPTOMS OF CONSTIPATION

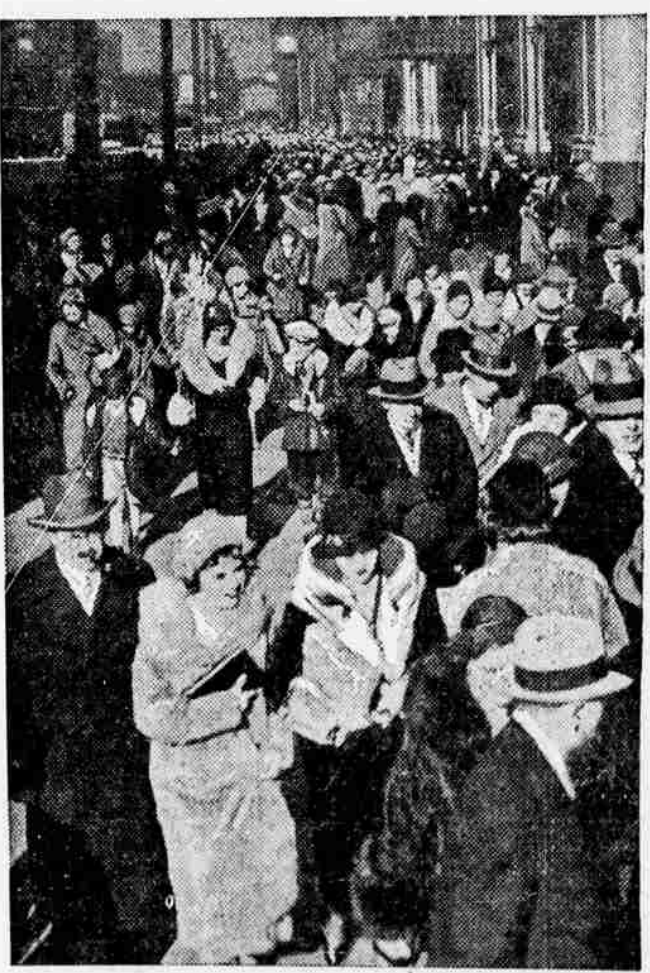

Get Relief With Kellogg's ALL-BRAN Headaches, loss of appetite and energy, sallow complexions, and sleeplessness are often warning signs of common constipation. Unless checked, constipation may impair health. Today, you can get rid of common constipation by simply eating a delicious cereal. Laboratory tests show that Kellogg's ALL-BRAN provides "bulk" to exercise the intestines, and vitamin B to further aid regularity. ALL-BRAN is also a good source of blood-building iron. The "bulk" in ALL-BRAN is much like that in leafy vegetables. Inside the body, it forms a soft mass. Gently, it clears the intestines of wastes. How much better than taking patent medicines. Two tablespoonfuls daily will overcome most types of constipation. Serious cases, with every meal. If not relieved this way, see your doctor. Enjoy ALL-BRAN as a cereal, or use in cooking.
