

NORTHWEST GAIN IN CAR LOADINGS CHEERFUL NEWS

16 Per Cent Increase for Next Quarter Predicted by Advisory Board — Hope, Optimism Are Inspired

PORTLAND, Ore., Sept. 22.—(AP)—A 16 per cent increase in car loadings in the Pacific northwest for the next quarter of 1933 compared with the same period last year was predicted by the Pacific Northwest Advisory board, in session here, today. Freight car demands for the fourth quarter are expected to exceed those of the third quarter by 7.8 per cent, the advisory board reported.

Today's meeting was attended by several hundred of the more prominent industrial, agricultural and railroad representatives of the northwest. Optimism Inspired Although general business conditions in the region continue unsatisfactory to representatives of industry and agriculture, sufficient improvement has been experienced in the past few months to inspire more hope and optimism than has been known in any time in the past four years, the board explained. Improvement in business during the next three months is expected in nearly every line of industry and agriculture, representative of the board said. The reports of all commodities indicated it will require 190,628 freight cars during the next quarter to meet requirements in the Pacific northwest, compared with 163,862 cars loaded in the same period a year ago.

Auto Industry Gains The largest gain—approximately 168 per cent—is expected in movement of automobiles and parts. Commercial and trade organizations reported that the revival in the lumber business shared with the NRA program in accounting for the greatest increase in employment in the northwest. Along the coast, the fishing industry added largely to employment, and wheat sections uniformly reported increased prosperity and improved business. Reports from industrial centers were spotted but indicated an average increase of from 10 to 25 per cent. Dairy sections reported there must be increased prices for dairy products before there will be marked improvement.

One Industrial Death. SALEM, Sept. 22.—(AP)—One death and 988 accidents were reported in Oregon industries the past week, the state industrial accident commission announced today. J. W. Funk, Yamhill logger, was the fatality. Florence Graves, accredited piano instructor, Studio 220 No. Oakdale, Phone 1042-W.

TOOK PILLS FOR 30 YEARS, THEN CEREAL BROUGHT RELIEF

Mr. Forsythe Endorses ALL-BRAN for Constipation

If you suffer from headaches, loss of appetite and energy or any other of the frequent effects of constipation, read this voluntary letter:

"After taking pills and tablets for about thirty years for constipation, I started to take your ALL-BRAN three times a day according to directions. Today I can eat cheese, and that is binding, and certainly feel fine."—Mr. Ed. Forsythe, Box 219, Youngstown, N. Y.

Science says ALL-BRAN provides "bulk" to exercise the intestines, and vitamin B to further aid regular habits. In addition, ALL-BRAN is rich in blood-building iron.

The "bulk" in ALL-BRAN is much like that of leafy vegetables. Inside the body, it forms a soft mass which gently clears the intestines of wastes.

Isn't this pleasant "cereal way" far more healthful than using patent medicines—so often habit-forming?

Just eat two tablespoonfuls daily. In serious cases use with each meal. If not relieved this way, see your doctor.

Get the red-and-green package at your grocer's. Made by Kellogg in Battle Creek.

SECOND ELECTION WILL BE NEEDED ON SEWAGE PLAN

A second election to submit to the people of Medford changes in the proposed sewage plant improvement program, demanded by the state board of health, will not be held until this city has been assured that federal support of the project is forthcoming, City Superintendent Fred W. Scheffel announced today.

The new requirements of the state board of health, announced by Frederick L. Stricker, call for installation of a complete sewage treatment plant instead of the pre-treatment units, proposed by Medford in the bond issue submitted to the people and approved in the special election this summer. While no additional expenditure of money is involved in the proposed second plan, the change in program necessitates a second vote of the people.

The first plan, submitted by Medford to the state board of health, was given Stricker's approval in a letter received by the city. When additional towns made application for federal funds however, and an expansive sewage improvement program spreading throughout the state appeared obvious, Mr. Stricker increased the demands. A complete treatment of sewage would have to be accomplished some time and the understanding here is that the state official decided it would be advisable to make the full improvement while federal aid could be obtained.

Had the concession been granted Medford, Mr. Scheffel stated today, similar demands could have been made of the state board of health by all other towns in Oregon. Medford's second application for R. F. C. funds will be ready for presentation tomorrow. At least two or three weeks will be required for receipt of an answer and until Medford is assured that the federal government will purchase the bonds to be issued, as provided in the R. F. C. program, no election will be called here.

Long Mountain

LONG MOUNTAIN, Sept. 22.—(Sp.)—Miss Nell Haley returned Sunday from Eugene, after being gone for a month.

Miss June Stowell spent the week end with Miss Gladys Nichols of Eagle Point.

A surprise party was given for Mr. and Mrs. Charles Jackson at their home Sunday evening. Mr. and Mrs. George Jackson of Medford, Mr. and Mrs. Ray Harnish and family and Mr. and Mrs. Theron Taylor and son, Billy, enjoyed the evening. Refreshments were served.

Mrs. H. C. Short and Mrs. M. L. Pruett were in Medford Wednesday attending to business.

Those who attended Orange meeting Tuesday evening at Eagle Point were Mrs. Nick Young, Mrs. Bill Holman and daughter Grace, Mr. and Mrs. I. R. Kline, Mr. and Mrs. Howard Short and Mr. and Mrs. George Stowell.

Anderson Creek

ANDERSON CREEK, Sept. 22.—(Sp.)—Dr. Hines of Ashland was on the creek Friday on business.

Miss Ruth Mays spent Wednesday afternoon at Mrs. Reed's.

LA DIEU OBJECTS TO PAYING COSTS OF BALLOT TRIAL

J. Arthur LaDieu, now serving a four year sentence in state prison for conviction of ballot theft, through counsel today filed with the county clerk objections to the cost bill filed against him by the county for recovery of public money expended in his trial. The district attorney's office this week filed a cost bill totaling \$780.90. The motion asks that a total of \$532.40 be stricken, leaving a balance of \$248.50 assessable against LaDieu.

ASTORIA HOTEL MAN Freed On Charges

ASTORIA, Ore., Sept. 22.—(AP)—Austin Osburn, hotel manager, was exonerated by the Clatsop county grand jury here Thursday which returned a not true bill freeing him of assault charges filed about two weeks ago by strike pickets of the Astoria Culinary Alliance who are picketing the coffee shop of Osburn's hotel.

FLYING BEER AT LOCAL AIRPORT

Flying beer came to Medford yesterday, the plane being piloted by Russell Lawson, well-known aviator, who is sales manager of the Oregon and Washington Pilsener Brewing Co. The ship is equipped with ice, cola, beer and glasses for serving the well-known beverage. The ship, on a state-wide tour, left here at about 4 o'clock for Klamath Falls.

Touring in the plane with Lawson were F. H. Purey, secretary and treasurer of the company; W. P. Lund, advertising counsellor; E. P. Rastegien, southern Oregon distributor, who will probably have his headquarters in Medford.

J'VILLE DANCERS GET FREE BEER

While the rest of the world has been waiting for nickel beer, the Jacksonville chamber of commerce has gone them one better by offering free beer—all one can drink—tomorrow night at the Jacksonville dance. Through cooperation of the local El Rey beer distributor, free suds to all customers has been made possible and first kegs will be tapped promptly at 9 p. m. in the newly created beer garden in the famous old U. S. hotel building. Chamber officials are preparing for the busiest night of the entire season and announced there will be no increase in prices.

GRIFFIN ELECTED PIONEER LEADER

John B. Griffin, Jackson county's oldest native son, will head the Southern Oregon Pioneers during the next year, it was announced yesterday following election of the 57th annual reunion, held in Ashland. Other officers chosen to direct activities of the pioneers were Miles Cantrall, vice-president; Mrs. Mamie Day Nelson, secretary, and Ella Garrett, treasurer.

The next reunion will be held in the historic town of Jacksonville in 1934.

MARAUDING COYOTE IS KILLED IN SCIO

SCIO, Sept. 22.—(AP)—The dogs were making a fuss at the Ed Povar farm near here, so Mrs. Povar investigated.

She found a coyote hidden behind some boards in the machine shed. A bullet from a neighbor's rifle dispatched the intruder in retaliation for many marauding raids in this district recently by coyotes and bears.

1 ALWAYS the finest tobaccos

2 ALWAYS the finest workmanship

3 ALWAYS LUCKIES PLEASE

Why do we say "Always Luckies Please"? Well, one reason is that every Lucky is made of choice, ripe tobaccos—the Cream of the Crop. Another reason—Luckies are always round, firm, fully packed—with no loose ends to sputter and spark.

Careful examination and inspection by over 60 precision instruments and 17 alert scientists guarantee unflinching uniformity. That's why Luckies draw so easily, burn so evenly—always mild and smooth. And that's why—"Always Luckies Please!"
