Dear Mothers:

The event you have been waiting for is now here—September 30th is the opening day for sittings for the Annual Kennell-Ellis Studio—"Most Attractive Child Contest."

This contest, judged photographically, is open to all boys and girls from five months to five years of age. You may enter more than one child . . . You receive a free sitting for each entrant . . . You have an equal chance of winning very worth-while merchandise prizes. Watch for the announcement of the names of Medford merchants donating prizes.

Soft materials, such as wash prints and crepes, photograph to better advantage than organdies. Tanned and sunburned skins only add life, color and lustre to flesh tones, one reason why we always hold our big annual event during the fall.

Remember, this contest is open for all children within the age limits. Being more ably equipped in our new studio to serve you, do not delay in bringing your children in. Telephone us for any additional information.
