

# SONS. Lose to State 21-0

## LAST PERIOD DASH NETS 21 TO 0 WIN OVER ASHLANDERS

### Willamette Beaten By Same Score — Valley Squad Looks Good On Passes Against O.S.C. "A" Team.

CORVALLIS, Ore., Sept. 23.—(AP)—Oregon State college opened its first football season under Coach Lon Stiner here today by defeating Southern Oregon Normal and Willamette university, each by the score of 21 to 0.

But it took all the Orangemen, divided into two squads, could muster to turn back the scrappy eleven from Ashland and Salem. In each game the Staters were unable to score until the final period with the exception of two points made against the SONS in the second period when a punt was blocked behind the goal line and the ball soared out of the end zone.

After the teachers from southern Oregon had held the Orangemen scoreless through the first quarter and most of the second, Tomback broke through and blocked a punt behind the visitors goal. The ball went out of the end zone for the Staters' first score, two points. The Staters came within six inches of a touchdown on their most sustained drive, when a fourth down plunge was short.

With the wind behind them, the SONS continued a defensive game, finally H. Joalin, fullback, broke through for the longest run so far, 30 yards. McIntosh put the SONS on their final yard line with a long punt against the wind. The Staters had the ball on the 8 yard line when the quarter ended.

The Orangemen finally got going in the last period, with Franklin and H. Joalin carrying the ball to punch over three touchdowns in quick succession. They used mostly straight drives through the line. Franklin's return of punts and Joalin's plunging stood out. The SONS showed well on passes. The Staters made 15 first downs to 3 for the visitors.

In the second game, the Bearcats, facing an entirely different and fresh Orange team, put up a fight that held their opponents scoreless thru three periods.

The visitors opened with a fast-breaking offense, Cannady and Orade carrying the ball for gains of 5 to 25 yards. Aided by penalties against the Orangemen and an OSG fumble, the Bearcats finally found themselves in possession of the ball on the Oregon State 6 yard line. But there they were held for downs. An exchange of punts put Willamette back on its own 20 yard line as the quarter ended.

The Orangemen took the offensive in the second quarter, but two fumbles and an intercepted pass halted three successive drives.

The third period was replete with blocked punts, fumbles and the ball seewaxed back and forth for some time.

Again the Staters displayed a final period offensive, under which the stiff resistance of the Bearcats finally gave way.

Willamette was penalized half the distance to the goal, giving the Staters the ball on the visitors' 33. In the end in to the side of the "B" team, had punched over the first touchdown.

The first play after the ensuing kickoff, Franklin ran 78 yards to the goal line, but was called back by a holding penalty. Passes then mixed with slashing runs gave the Staters another touchdown a few minutes later. Fangle carrying the ball over the final touchdown came when Franklin, near midfield, tried to catch a pass receiver, then started a dash that carried him through the entire visiting team of the visitors to score standing up.

The Lineup:

SONS O. S. C.  
Robinson LG W. Joalin  
Oakes LG Schwammel  
Anderson LG Tomback  
Mahoney C Devine  
Patterson RG Wedin  
Carter RT Field  
Howell RE Curtin  
Fugitt Q Pangle  
Brown LG McIntosh  
Bradford RH Bowman  
Lancaster F H. Joalin

Score by periods:  
SONS 0 0 0 0—0  
OSG 0 2 0 19—21

## OVELMAN GETS BUCK IN DAIRY CREEK AREA

Frank Ovelman, one of Medford's most successful hunters returned home Friday afternoon with a 200-pound, three-point buck which he brought down the opening day of the season in the Dairy Creek Ranger station district.

Ovelman declared he saw about 80 deer during his two-day stay in the woods but the only legal buck seen was the one he brought home. It will take a severe storm to drive the bucks down where they can be hunted, he declared, on return from the 190-mile trek. He was accompanied by Rev. N. D. Wood.

Mrs. Gerald Hines of Kentlandville, Ind., swallowed five safety pins and all were removed without causing serious injury.

Twenty-three lost babies at an Old Settlers Day at Columbus City, Ind., almost turned the program into a baby show.

## LEAPING LEO, HI GRID STAR FULL OF TRICKS, SPEED

(By Harold Grove)  
Medford football fans will be given a real treat with the dancing and prancing of Leo Ghelardi. The opposing teams will probably have to get a fly swatter or a small fish net to stop him.

The first year Leo (Leaping Leo) came out for football he was mostly all feet. He is proportioned up a little now but his feet still have the edge. How he can move his dogs so fast is more than most people can figure out. He actually moves them as if they were feathers. Regardless of what is said about Leo, he certainly is a good halfback. He is one of the trickiest of D. K. Burgher's backs.

Stanley Kunzman, last year's much talked of end, has suddenly become studious. He is actually taking six subjects instead of the required four. According to that, he should be displaying some very smart football this year.

Max Gillinsky, the little big man of the team, is playing his fourth and final year of high school football this season. Max says he is going to display a brand of football never before shown at Medford. Max states that he is going to co-operate with the rest of the team to bring home the bacon.

Max is employed at the box factory. He has been named the "King-fish" of the box factory for some reason or other. He is working nights there and going to school in the day.

"What a man!" Tommy Writter, the blond terror of Medford high grid machine, is back from his conquest of St. Helena, Ore. All during his stay there he has been trying to convince the people of St. Helena that he is a good football player. They believed half his story and told him he'd have to prove the rest.

So let's go, Tommy. The practice sessions have been rather broken up because of the inability of some of the players to come out. They are either working or have not finished their summer vacation yet.

The line will be composed of Galen Knox, who is still working in the peans, Bill Prentice, Pat Shaw, Ed Bennett, Joe Pierce and Lloyd Ham-mack. It is not definitely settled who will be in the starting lineups because there are some hard working youngsters battling for their places. The material from junior high is light in comparison with that of last year, but there are lots of boys who didn't make the first squad last year who will more than be on top this year.

Assistant Coach Ed Kirtley, who is in charge of the backfield, has been drilling his men on fancy stepping and straight arming and other ways of evading tacklers. Coach Burgher has been drilling the line of charging blocking and dummy tackling for the past week.

The date for the Weed Hi vs. Medford Hi game is tentatively set for September 30. The northern California teams have not drawn up their schedules as yet.

## ASHLAND DEFEATS YREKA HIGH 32-0

Winning their first game of the season, Ashland high school's football boys came through with flying colors yesterday, defeating the Yreka squad to the tune of 32 to 0.

Playing on their own field, Coach Don Faber's men were able to keep the northern Californians from scoring to the end of the game, by playing good football and lots of it, according to the many fans, who were out to see what the Lithia city had to contribute to the 1933 football season.

## Football Scores

- Pacific Coast
  - Washington 13, Gonzaga 0.
  - Santa Clara 7, California 0.
  - Oregon State 21, Southern Oregon Normal 0.
  - Southern California 39, Occidental 0.

  - Trinity 0, Texas A. and M. 38.
  - North Texas State Teachers 7, Southern Methodist University 0.

## BEARS UPSET 7-0 BY SANTA CLARA'S SUPERIOR KICKS

### California On Defense Most Of Game and Threaten to Score But Twice—Record Crowd Sees.

MEMORIAL STADIUM, Berkeley, Calif., Sept. 23.—(AP)—Striking in lightning fashion when a break of the game put them in possession of the ball twenty yards from the goal, Santa Clara's Broncos galloped down the touchdown trail for a few brief moments today to score a 7-0 victory over California's Bears and start the season in its way here with an upset.

Some 60,000 fans, the largest opening day crowd ever assembled here, saw Coach Clipper Smith's fleet footed squad snatch a brilliant and well earned win from the Golden Bear team Coach Bill Ingram had predicted would be the best he had developed at Berkeley.

The game was generally one of too much foot in football. Joe Paglia, Santa Clara's kicking ace toed off one of his noted "coffin corner" punts in the first minutes of the game and from that time on, California's Bears were in a hole they were not able to clamber out of until the early part of the last period.

California's kicking was at the other extreme and it was a misbooted ball in the early minutes that proved the undoing of the Blue and Gold warriors.

From his own 4-yard line, Bertoli, starting left half for the Bears, kicked a ball that traveled sixteen yards before it went out of bounds.

Sobrero, sub Santa Clara left half, went around left end to put the oval fifteen yards from goal. Kalkis, right half, rounded the line for four yards. Paglia, full back, was stopped at the line but Kalkis came back for a nine yard run around right end.

From the two yard line, Sobrero plowed across the goal. Paglia added the extra point with a place kick.

The touchdown was made as the gun sounded to end the first period. For the rest of the half and well into the last quarter, the Bears were on the defensive, most of the time deep in their own territory.

A brief spurt in the second period enabled California to chalk up its initial first down of the game but not long after Santa Clara again took command of the situation, utilizing a fumble recovered on the Bears 12 yard line, to make a thrust that ended one yard from goal. Just as the Broncos were knocking at the touchdowns barrier again, they fumbled and the Bears took possession of the ball on their four yard marker.

Another weak California kick went out of bounds on the 19 yard line and Santa Clara was down in the region of the goal posts again when the half ended.

Near the close of the third period Floyd Bower, sub left half back came into the game to give the Bears a new lease on life. Largely because of his smashes off tackle, the Californians reached Santa Clara territory for the first time. They lost the ball on Santa Clara's 45 yard line on an intercepted pass. It was one of two short sessions when California dominated the play.

California's lone scoring threat took place during the first part of the last quarter when McCormack, sub end, recovered a Santa Clara fumble on the latter's seven yard line.

In the closing minutes, Santa Clara again took charge and the game ended as Coach Smith's crew reached California's 21 yard line.

Call To Arms  
Medford citizens who have formerly played on college football teams are requested to notify A. H. Banwell at the Medford Chamber of Commerce early this week.

## BUCKING HONORS AT PENDLETON TO COOS BAY RIDER

PENDLETON, Ore., Sept. 23.—(AP)—A brilliant ride through a cold, drizzling rain brought the world's bucking horse championship to Floyd Stillings of Marshfield, Ore., as the 24th annual Pendleton round-up came to a close here today.

Stillings entered the finals with three other bronco twisters, Norman Cown, Jack Myers and Erwin Collins. After a good ride on Dempsey, in the semi-finals, Stillings drew Russ Hawkins, a big sorrel.

Straight across the arena he rode the pitching, sporting outlaw, spurring him at every jump. His ride was a feature of the closing day that won the acclaim of 20,000 spectators.

Bob Crosby, veteran round-up entrant from Kenna, N. M., thrice all-around cowboy winner at Pendleton, won the steer-roping contest when he threw his animal today in 23 seconds flat, to give him a grand total for three days of 63 3-8 seconds, or an average of 21 4-5 seconds.

Neither hunter bagged a deer. The requirements in California are "three points or better." And although the Noses saw many deer, they didn't get a shot at any with horns answering those specifications, Mr. Noe said.

## OREGON HUNTERS UNDER SUSPICIAN IN MODOC COUNTY

Californians don't want Oregon hunters coming down there to kill off their men—that's the impression the southern state has of Oregon hunting. Clarence Noe of this city, announced here following his return from a hunt in Modoc county. When he applied for a hunting license there, Mr. Noe said he was asked a long list of very exacting questions, regarding his experience in the woods, his ability to recognize a deer, to tell a deer from a man, and his past record as a hunter.

When his curiosity got the better of him and he asked the officer why the questions, he was informed that California didn't want Oregonians coming down to shoot off their men.

During the past five years there has not been a hunting fatality in Modoc county. Mr. Noe said he was also informed, and an average of 5000 hunters go after deer there each year.

Mr. Noe was joined on the hunting trip by his son Dr. Leland Noe, who flew to Medford from San Francisco to motor to Modoc county with his father.

Neither hunter bagged a deer. The requirements in California are "three points or better." And although the Noses saw many deer, they didn't get a shot at any with horns answering those specifications, Mr. Noe said.

## TROJANS CONQUOR TINY FOES EASILY

LOS ANGELES, Sept. 23.—(AP)—Southern California outbumped, outgained and outscored two opponents today to open the 1933 season with a double victory. Occidental College was defeated 39 to 0 and Whittier College fell 61 to 0 in the double header running the Trojan record of consecutive victories to 22.

A crowd of 35,000 saw the Pacific Coast conference champions get off to a flying start. The victors cleverly mixed an assortment of running and passing plays to confuse their opponents. Against Occidental the Trojans did comparatively little passing but in the second game half a dozen passers found just as many receivers ready to grasp flying footballs from the air.

ROME, Sept. 23.—(AP)—The date for the heavyweight championship bout between Primo Carnera, holder of the title, and Paulino Uzcudun today was definitely set for Oct. 22 by the Italian boxing federation.

To Ohio goes the credit for establishing the first state institution for the care of blind children. It was built in 1837.

Aiding the Civilian Conservation Corps by making aerial survey of forest tracts are 34 regular army officers from the country's air bases.

## SAILOR JACK IS A BIG SHOT NOW

A letter received by the sports department of the Mail Tribune from Sailor Jack Woods, former Medford wrestler and wrestling promoter, says he is embarking on his fourth year of mat promotion in Topeka, Kansas and doing very well, thank you Jack was one of the most colorful and well liked wrestlers ever to show here and also possessed considerable ability as a promoter. This latter art, he has apparently developed since leaving here as Topeka is one of the most rabid wrestling towns in the country.

A twelve-page printed program which the Sailor forwarded with his letter, showed a staff of fifteen people employed in staging his ring shows, not counting referees and performers.

Sailor Jack was a member of the Medford American Legion post and left a host of friends here who are glad to see him prosper.

General John H. Morgan, of Morgan raider fame in the Civil war, was once a manufacturer of bagging at Lexington, Ky.

The First Presbyterian church of East Cleveland, Ohio, has realized \$200 this season from the sale of garden produce raised on a farm operated by the church.

## STANFORD VICTOR DESPITE FUMBLES

PALO ALTO, Calif., Sept. 23.—(AP)—Gradually wearing down their opponents, Coach Tiny Thornhill's Stanford footballers made their debut under their new mentor here, this afternoon by turning back last year's far western conference champions, San Jose State college, 27 to 0, before 50,000 fans.

The Spartans put up a stiff resistance in the first half, allowing but one touchdown, that by Jack Hillman, Indian fullback, who broke through left tackle, cut back, and went 33 yards to a score.

After presenting a smooth, out too effective, attack in the first half, Stanford went back to its tricks of last year by fumbling frequently in the third and fourth periods. The score would have been larger, had the Cards held onto the ball.

RENO, Nev., Sept. 23.—(AP)—Gustave Sonnenberg, former world's heavyweight wrestling champion, and Marie Elliott Sonnenberg, Boston society girl known to the Hollywood film colony as Judith Allen, were divorced in the district court here today.

The decree was awarded to the actress on her cross-complaint charging extreme mental cruelty.

Although six native sons of Ohio have been elected President of the United States, no citizen of the state has ever been elected vice-president.

# Look for the NRA symbol in the Stores you Patronize..on the goods you Buy

IT'S UP TO THE WOMEN to see the New Deal through. We must give our patriotic help to the President's great plan to banish the misery of unemployment from the land.

If we, one and all, will pledge ourselves to buy from stores who have signed the PRESIDENT'S AGREEMENT—if we will ask for goods marked with the N. R. A. Symbol—breadlines will vanish. Prosperity will come.

Stores who have joined the N. R. A. will display the Symbol. Goods manufactured by members of the N. R. A. will be marked with it. Look—make sure—before you buy!

This advertisement contributed in the interest of the National Industrial Recovery Movement and the Merchants of Medford by the Medford Mail Tribune.
