## Warner's Successor Instills New Hope in Indians—Oregon Plays Gonzaga—O. S. C. to Meet Montana

By RUSSELL J. NEWLAND (Associated Press Sports Writer) SAN FRANCISCO, Sept. 25.—(AP)—Opening skirmishes leading toward the Pacific coast conference championship will take place on far western grids today.

In the most important of the pre-skin scrambles, Stanford's Indians will square off against the University of California at Los Angeles Bruins.

For several seasons, Stanford has been in the football dumps but the 1933 squad makes its first bid for conference recognition with high hopes instilled by a new coach, Claude "Tiny" Thornhill, successor to Glenn Warner.

**Fumble in Opeher**  
Under Thornhill's leadership, the Indians started the fall campaign last week-end with a 27-0 win over San Jose State despite continued Indian fumbling, followers were impressed with the dash and tip displayed.

The visiting Bruins will have the advantage in the matter of experienced players and probably will take the field as the favored eleven. U. C. L. A. chalked up an easy double victory Saturday, defeating San Diego State 13-0 and Los Angeles J. C. Reserves, 24-0.

Other conference clashes will pair off Montana against Oregon State and Idaho against Washington, with the two coast teams in the roles of favorites. Washington beat Gonzaga 13-0 Saturday while Oregon State won two games by scores of 31-0, from Southern Oregon Normal and Willamette, respectively. Neither Montana nor Idaho have seen action yet.

**Trojans Play Loyola**  
Southern California's championship defending Trojans will take on Loyola's strong Loyola of Los Angeles squad in a non-conference tilt. Followers hope the game's outcome will be more impressively in favor of their team than was the case a year ago. At that time Coach Howard Jones' eleven eked out a 6-0 win over the Loyolans.

As a seasonal starter, Southern California's walloped Occidental, 39-0 and Whittier, 51-0, Saturday, while the night before, Loyola rushed through to a 2-0 win over California Tech.

California's Bears, victims of the season's first major upset when they lost to Santa Clara, 7-0, Saturday, will continue in the non-conference game class next week-end. The Bears will play a doubleheader against California colleges and the University of Nevada.

Washington State and Oregon flat non-conference gridiron seasons, the former meeting College of Puget Sound and Oregon playing Gonzaga. Washington State ran up a 48-0 score on Whitman last Saturday.

**TURKEY MIKE DONLIN POPULAR VETERAN OF BASEBALL SUCCUMBS**  
HOLLYWOOD, Calif., Sept. 25.—(AP)—Michael J. Donlin, "Turkey Mike" to the baseball world, is dead. Death overtook him as he slept for he was found yesterday morning, victim of a heart attack.

One of the most popular figures in baseball, Donlin reached the heights as an outfielder for the New York Giants when they won the world series of 1905 from Philadelphia.

In the 12 years he played in the National League, Donlin never failed to hit at a .300 clip. He began his career as a left handed pitcher with the Santa Clara, Calif., club of the old state league.

That was in 1899. A year later San Jose of the Pacific Coast league took over the franchise. Later in that season he was picked up by the St. Louis Cardinals as a pitcher.

Donlin always liked to tell about his pitching ability. "I was so wild," he said, "they made me into a left handed short stop. I was wilder than ever there, so they made me into an outfielder."

**HEUNERS SHOTS 204 POUND BUCK**  
Claiming the record for bagging the season's largest black tail deer, Ernest Heuners came to town today with a buck, weighing 204½ pounds, with feet cut off. He failed to venture a guess as to its weight with feet on.

The record is also believed in hunting circles to outdistance all reports for last year, when the largest black tail bagged by a local hunter, weighed 85 pounds. Heuners shot the buck up above Jacksonville, his home town.

N. B. Harris also reported good luck at hunting today. He brought in a deer weighing 168 pounds over the week-end.

A party of local hunters returned yesterday from the eastern Oregon country and brought back two mule-deer, which they did not consider comprising a very good hunting record. The deer weighed 168 and 214 pounds.

In the party were: Mike Herman, Emerson Merrick, E. W. Brown and George Lewis. They bagged the animals out from Lakeview, where they encountered some bad weather. It had snowed two inches, when they left there yesterday, and it was still snowing.

# In the Series

NEW YORK (AP)—If you're seeking a ready-made hero for the approaching world series between the Giants and Senators, don't overlook John (Blondy) Ryan.

The six-foot, 180-pound rookie shortstop from Lynn, Mass., has been one of the most important factors in the drive of the Giants to the National League flag.

His batting average is only slightly stronger than .22, but he's a hitting fool in the clutches, a brilliant if slightly erratic fielder and possessed of a fighting spirit that has been invaluable to the Giant's morale.

**"Made" Their Infield**  
A weak hitting "pusher" from Buffalo, they called him at the start of the season. Yet he "made" the Giant's infield. Mostly by sheer nerve and muscle.

He went out with a spike wound in July, and the Giant promptly hit the skids, their only real slump of the season. He was hitting only about .170 at the time, but without him the Polo Grounders couldn't beat an "og".

The wound still was far from healed when Blandy, unable to stand it any longer, sent his famous wire to Manager Bill Terry:

"Will be with you tomorrow. They can't beat us."

He was in there the next day, limping and wearing a shin guard. The Giant won, broke the slump that had bound them for two weeks and resumed their steady march to the flag. Blandy still wears the shin guard.

**There In The Pinches**  
Ryan, the son of a policeman and a former football and baseball star at Holy Cross, makes plenty of errors. But he seems to make 'em when it doesn't matter much. In the pinches he knocks the fans out of their seats with his stops and throws.

He'll strike out three times in a row when there's no mate on base. But on his fourth trip, if the Giant are a run behind and runners waiting to be driven in, he's most likely to knock all the paint off the center wall.

**O. S. C. IMPRESSES IN OPENING TILTS**  
CORVALLIS, Ore., Sept. 25.—(AP)—The 1933 edition of the Oregon State College football squad won two games Saturday, and they won them with an offensive that preases a real idea of the offensive to be offered by Stiner, Joslin and Franklin carried the ball in the opener for three touchdowns and in the final affray, Pupie and Jessup combined with the pair of backfield artists for three scores.

**Babe Ruth Talked As Tiger Manager**  
DETROIT, Sept. 25.—(AP)—The fans are putting Babe Ruth's name first these days when they talk about possible successors to Stanley R. (Bucky) Harris as pilot of the Detroit Tigers.

Frank J. Navin, president of the club, who accepted Harris' resignation Saturday with regret, is saying nothing, except that Ruth and a lot of other good men have been suggested to him.

**Roosevelt Junior Is Grid Candidate**  
CAMBRIDGE, Mass., Sept. 25.—(AP)—Franklin D. Roosevelt, Jr., son of the president, is a candidate for the freshman football team at Harvard.

He reports to Freshman Coach Cliff Gallagher at Soldiers' Field this afternoon. Roosevelt played tackle on the Groton school eleven last fall and was rated a promising lineman.

**TILDEN BEATS COCHET IN PRO TENNIS MATCH**  
PARIS, Sept. 25.—(AP)—William T. Tilden II today defeated Henri Cochet in straight sets 6-3, 6-4, 6-2 to give the United States three matches and victory in a Franco-American professional tennis series. It was the first meeting between the former Davis cup rivals since the cup campaign of 1920.

**Wildcat Puts Pep In "Kitt's" Race**  
BYRON, Calif., Sept. 25.—(AP)—The "kitties" which Charlie Hohman trained for his proposed cat race track certainly ran, but it was a scattershot rather than a race.

At a tryout at which Byron's sportmen had gathered, Tom Smith, just down from the hills, opened a sack and deposited a wild cat right among those racing kitties. All bets were off.

**Rodeo Injuries Fatal To Woman**  
IDAHO FALLS, Idaho, Sept. 25.—(UP)—Maria Gibson, 39, professional rodeo rider, died here last night of injuries received Saturday when her horse fell at a rodeo here. She was a native of Havre, Mont. Miss Gibson has performed at many western roundups, including Cheyenne, Wyo., and Pendleton, Ore.

# BEARS AND SPARTANS EKE OUT VICTORIES IN PRO FOOTBALL TILTS

CHICAGO, Sept. 25.—(AP)—Professional football commanded its share of interest in the sports world today following games in which the champion Chicago Bears inaugurated the season with a 14 to 7 win over the Green Bay Packers, and the Portsmouth Spartans beat the New York Giants 17 to 7.

The Bears were beaten until the last few minutes of play, but Left End Bill Hewitt, who learned his football at Michigan, saved the day by blocking two kicks.

Hewitt blocked Grove's attempted field goal on the Bears 27 yard line. Later with the ball on the Packers' 25 yard line he passed to Luke Johnson for a touchdown. With just a minute to play Hewitt blocked Arnold Tibert's kick on the 10 yard line and dashed for a touchdown. Mander again added both extra points. Buckeye Boldenberg accounted for the Packers' score in the third and Moe-nett added the one point.

The Spartans scored seven points through an intercepted pass in the second quarter and in the next frame added 10 more. Left End Badgro gave the Giant a touchdown in the last period when he picked up a fumble and ran 20 yards.

**MORGAN GIVEN DRAW IN AUSTRALIAN BOUT**  
SYDNEY, Australia, Sept. 25.—(AP)—Tod Morgan, former junior lightweight champion boxer from the United States, and Nedo Tarleton, former British featherweight titleholder, tonight fought 15 rounds to a draw.

Morgan had all the better of the early rounds, but the British boxer rallied toward the end to gain the split verdict.

Morgan weighed 139½ pounds and Tarleton 131.

# WINTER STAGES OPENING MARCH THROUGH OREGON

PORTLAND, Sept. 25.—(AP)—Winter held a pre-view Sunday and last night over much of the Pacific northwest, sending temperatures lower than had been recorded in more than six months.

Heavy frost was reported in many sections of Portland and the thermometer reached a low of 40 degrees, the coldest since April 19.

At Odessa, Wash., in the wheat country, the low was 26 degrees. Condon had 30; it was 32 at Pendleton, Baker and Heppner; Wenatchee had 30 degrees, Yakima 34, Pasco 30, Spokane 30, and Walla Walla, 42 degrees.

At Burns it was reported that deer hunters in the Steen mountains were making hasty returns to warmer spots. Temperatures were considerably too low for comfort. Cold rain fell in the valley, and snow fell in the hills in this region. At Hood River more than a half inch of cold rain fell, and 8 inches of snow piled up on Bennett Pass on the Mount Hood loop.

In the Willamette valley and southern Oregon, comparatively low temperatures prevailed. Salem had a minimum of 34, Albany 41, Medford 42, Marshfield 44, Roseburg 44, and Wolf Creek 42 degrees.

Warmer weather and rain was predicted for tonight and tomorrow. Storm warnings were ordered up the Oregon and Washington coasts today for southeast gales and heavy rain equals tonight and tomorrow. A storm off the Washington coast was reported moving rapidly eastward.

# BIG OUTBOARDS IN RACE FINALS

SEATTLE, Sept. 25.—(AP)—The "Big Boys" outboard runabouts with a power rating as high as 54 horse power, thunder into action today on Lake Washington and Green lake for national titles, as the two-day Pacific coast outboard championship meet comes to a close.

Fourteen coast titles were decided yesterday, 10 of them going south to California.

Both Adolph Spreckles, of Eugene, Ore., and Jerry Bryant, of Seattle, reached a speed of 47.244 miles an hour. Each was also a title winner.

Spreckles taking the class F hydroplanes, Div. 1 title, and Bryant the class E service runabouts, Div. 2 championship.

The proceeds of the meet are going to a hospital here.

# RADIUM MIRACLE CREATES MATTER

PASADENA, Calif., Sept. 25.—(UP)—The newest miracle of radium may give man his first view of the creation of matter, scientists of the California institute of technology reported today.

Experiments at the institute and by researchers in Cambridge, Eng., indicate that through the medium of the "wonder element," pure motion apparently has been changed into solid matter.

Latest reports of the scientists dwell principally upon factual observations supported by photographs.

Radium rays, whirling through space at incalculable speed, are converted into electrical particles, it was explained. When the transformation is completed, practically no motion is left.

# OREGON SOLONS PLEAD FOR DAM

WASHINGTON, Sept. 25.—(AP)—Intent upon discussing with President Roosevelt the advisability of a 72-foot dam across the Columbia river at Bonneville, Senator Charles L. McNary of Oregon was here today to protest against a reported move to modify original plans to call for a structure only 30 feet high.

Senator McNary was to be joined today by Mayor Joseph K. Carson of Portland. The two, with Representative Charles H. Martin of Oregon, will press for allotment of sufficient funds for construction of the 70-foot dam originally recommended by the U. S. army engineers. This structure, it was explained, would permit extensive barge operation on the Columbia and generate great quantities of hydro-electric power.

Since the plans were placed before the public works administration they have been tentatively modified to call for a 30-foot dam, without power features, costing \$15,000,000.

**LUMSDEN ADDED TO STATE BANK FORCE**  
SALEM, Sept. 25.—(AP)—The resignations of H. O. Vogel, assistant superintendent and trust examiner of the state banking department, and M. W. Starbuck, senior bank examiner, were announced by Superintendent A. A. Schramm. Both are joining the federal reserve bank staff at San Francisco.

Tinkham Gilbert and Edmund T. Way, deputies in the department, have been promoted to succeed Vogel and Starbuck. T. B. Lumsden, former Medford banker, and S. Dietrich have been added to the department.

# TOMMY BRIDGES HARD LUCK GUY OF YEAR'S PLAY

By Associated Press.  
Final returns on the major league baseball season won't be in for another week, but young Tommy Bridges of the Detroit Tigers has clinched the crown as the year's "hard luck guy" without further argument.

Bridges, one of the bright spots in an otherwise discouraging season which finally impelled Bucky Harris to resign his post as Tiger manager Saturday, has made four gallant efforts to add his name to the list of

no-hit pitching notables and each time has failed by the slimmest of margins.

His troubles started last year when a pinch hit by Dave Harris in the ninth inning cost him a no-hit game against Washington. Early this season he hurled one-hit contests against St. Louis and the Senators and yesterday he blanked the Browns and

Sam West, the "villain" on a previous occasion, and Art Scharen found him for singles. Tommy's two-hit hurling brought the Tigers a 2-1 victory in the first game of a doubleheader and they went on to clean up with a 5-2 triumph in the afterpiece as Carl Fischer allowed only five blows.

The Philadelphia Athletics had a romp at the expense of Al Crowder and two successors and batted out an 11 to 4 victory over Washington's American league champions. The Boston Red Sox beat the second place New York Yankees 10-8 in a game which produced 15 hits, 9 errors and 15 walks.
