

### ROBERTS ELECTED NEW PRESIDENT OF BAR ASSOCIATION

At the annual meeting of the Southern Oregon Bar Association held at Grants Pass, Saturday evening, the following new officers were elected for the ensuing year: Geo. M. Roberts, Medford, president; W. T. Miller, Grants Pass, vice president for Josephine county; Horace M. Manning, Klamath Falls, vice president for Klamath county, and O. H. Bengtson,

George M. Roberts

of Medford, secretary and treasurer. Delegates to the annual meeting of the Oregon Bar Association, to be held at Bend, Oregon, September 29th and 30th, were selected as follows: Geo. M. Roberts and A. E. Reames, of Medford, and Niel Allen of Grants Pass.

Many points of interest to the profession were discussed, and appropriate action taken on necessary matters. While this was one of the best meetings that the association has had in a long time, the members noticed the absence of Frank Newman, Gus Newbury, Wm. and E. D. Briggs, Harry Skyrman, Joe Filgegl, and a few others who have been very faithful in their attendance. The members were at a loss to explain the absence of some of the "old faithfuls" until someone happened to remember that the deer season had just opened, which at least accounted for the absence of quite a number.

### HEALTH ASSOCIATION WILL HEAR REYNOLDS AT TUESDAY MEETING

Clarence W. Reynolds, field representative for the state relief committee under the national program, will be here tomorrow to address the bi-monthly meeting of the Jackson County Public Health Association, which will be opened to the public to enable all to hear Mr. Reynolds' message.

The meeting will be held in the county court house auditorium at 8:30 o'clock. Mr. Reynolds has announced as his subject, "Morale and Employment." He is in close contact with the relief program and will bring to Medford much information of interest to all persons concerned with conditions here and throughout the state.

The members of the Gold Hill unit will be hostesses at the meeting tomorrow, and a large attendance is anticipated as Miss Mildred Carlton, president of the health association, is extending an invitation to the public.

### LEADER TRAINING MEETINGS SLATED

Local leader training meetings, which are to be attended by representatives from 14 units in the county, will meet November 6 and 7 and December 11 and 12 in the senior high school sewing laboratory for a session in sewing instruction. Mrs. Amelia Seger, clothing specialist from Oregon State college will assist Mrs. Mabel C. Mack, county home demonstration agent, in the work, it was announced.

Vegetable cookery meetings are to be held October 7 and 28 and November 25 in the high school for leaders from each unit, according to Mrs. Mack.

### DR. HOLT LEADS ROTARIANS NEXT

Dr. W. W. P. Holt will have charge of the program at the regular weekly meeting of the Medford Rotary club at the Hotel Medford tomorrow. According to an announcement sent to members by Joe Marshall, secretary of the club, Mrs. J. W. Craigs, a home economist, will address the Rotarians on "Characterful Philosophy" as a special feature of the interesting program. Will Holt has arranged.

The meeting will be held in the basement banquet room of the Hotel Medford and a one-hundred percent attendance is requested by C. J. Seaman, president of the club.

Health's Drug Store is open for business in its new location, 29 N. Central Ave. Their phone number remains the same, 844.

### BUILDING OF SEWAGE DISPOSAL PLANT CAN BE WINTER ACTIVITY

If Medford's application for federal funds for sewage plant construction are forthcoming, the winter weather, just ahead, will in no way interfere with progress of the project. City Superintendent Fred Scheffel announced today.

The improvement will be practically composed of structure concrete, which can be poured with satisfaction in winter weather.

The fish lake concrete work, Mr. Scheffel recalled this morning, when discussing the anticipated local improvement, was done during the months of December and January.

The second application to the Reconstruction Finance Corporation for funds for the improvement is nearing completion, Mr. Scheffel stated, and a second election to present the bond issue to the people, will await the federal decision regarding the gift and loan being sought.

### DRUNKEN TRANSIENT ORDERED QUIT TOWN

One man was ordered out of town, another was fined \$25 for reckless driving, and two forfeited cash bail in city court today, Judge A. D. Curry announced.

Z. E. Parsons appeared on a reckless driving charge and was fined \$25. James Clays, a transient, was apprehended for drunkenness, and was ordered out of town immediately. Ed Riggs, arrested some time ago on a charge of drunkenness, and Ed Akers, arrested on a similar complaint, each forfeited \$10 cash bail.

### RAYMOND ERICKSON, 15 GETS DEER ON BIRTHDAY

With his first shot on the first day out, Raymond Erickson, 15, of this city, bagged his first deer Saturday in the eastern Oregon country, the youth reported here today. Hunting with his father, Fred Erickson, out from Mixup Springs, the boy brought down a three point mule deer. His father was also fortunate and shot a forked horn. They returned to Medford Saturday night.

### Snow Falls At Crater Sunday

A snowfall of four or five inches at Crater Lake was reported here last night by motorists returning from the national park. Trees laden with snow added beauty to the highway, they also stated, adding that there was no storm to interrupt passage.

### CHANGE JUNIOR HIGH SCHEDULE TO SHORTEN DAY

A change in the Junior high school schedule, which will enable most of the pupils to shorten their day's work was announced this morning by Superintendent E. H. Hedrick. At least one period can be trimmed from the day by almost every pupil under the new arrangement.

The school day, lengthened to enable fewer teachers to care for the classes at Junior high school, was judged too long for many of the pupils after the economy program was placed in operation.

Under the new arrangement the same number of teachers will care for the classes, but pupils will be allowed absence for one period a day in most cases.

Periods, open for elimination by pupils, will be: The first period of the day, 8:15 a. m. to 9:00 a. m., or the sixth period, 1:00 p. m. to 1:45 p. m. or the ninth period, 3:15 p. m. to 4:00 p. m.

The choice of period taken off by the pupil will not be up to the pupil, as there would be danger of all taking the same time. A program will be worked out for each pupil by the teachers.

The teaching force in the Medford schools was decreased by 12 this year, when salary cuts of from 18 to 27 per cent were also made. This decrease is partly represented in the placing of 20 teachers on half time, which was done to enable more to work while money was at the same time saved the district.
