23 Years Ago

Mann's Dept. store came into existence and through these years has enjoyed the patronage of thousands of Southern Oregon men and women. This test of the popularity of Mann's deserves your attention. It is concrete evidence of the faith the people of this great country have in Mann's. When Mr. Mann settled in Medford 23 years ago, he had dreams of just such an institution as today is realized in Mann's Dept. store. A store reared on the policy he knew to be a proven fact, namely, that to survive and gain friends through the years, a store must be a part of the community it serves, and to this end, the ideals of Mann's have never changed. This store holds paramount the fact that quality, service and fair prices go hand in hand.
