

RELIEF BURDEN MUCH REDUCED IN JACKSON CO.

Through operation of the Civilian Conservation Corps, the public works program and the National Recovery Act, the Jackson county relief committee has been able to reduce its case load from 2500 to 2000, Victor Tengwald informed members of the Allied Welfare Association at luncheon at the Hotel Medford today, speaking as representative of the relief committee.

The committee will carry on more social work this year, he stated, instead of direct relief work, in order to fit the people to meet their problems with greater self reliance. The committee has found it unnecessary to establish a relief kitchen for transients here. Mr. Tengwald stated, adding that all people of the county are asked not to aid transients but to refer them to relief headquarters in the city hall. Jobs were given to 281 Jackson county men in the Civilian Conservation Corps, bringing an income of \$9000 a month into the county.

Representing the Jackson County Public Health Association, of which she is president, Miss Mildred Carlton stated that the meeting conducted last week, addressed by Attorney Porter J. Neff and Clarence Reynolds was the most successful in the history of the association. The spirit of co-operation inspired there by the two men, Mr. Neff speaking for the N. R. A. and Mr. Reynolds for the state relief committee, she said, had aroused the health workers to greater achievements.

Another clinic to be conducted this year by Dr. Dixon, psychiatrist, was announced by Miss Carlton, who also reported with great regret that Dr. Dillehunt will not conduct a clinic this year because funds are not forthcoming here for necessary X-ray work. In order to help the children in need of his aid, she explained, X-rays must be taken, and the money is not available.

SHE ATE ALL-BRAN TWELVE YEARS WITH FINE RESULTS

Delicious Cereal Relieves Constipation

Read this very enthusiastic letter: "Something like eleven or twelve years ago, I began eating Kellogg's ALL-BRAN. When I started, it was called simply Kellogg's Bran, and I believe it was one of the first products of the kind on the market.

"My friends often laugh at my fondness for ALL-BRAN. It gives such a clean taste in the mouth, and I do not feel satisfied until I have had my ALL-BRAN.

"If the Kellogg Company should ever stop manufacturing ALL-BRAN, here is one who would be greatly disappointed."—Miss Amy Person, University Park, Iowa.

Science says that ALL-BRAN provides "bulk" to regulate the intestines, and vitamin B to further aid regularity. Also iron for the blood.

The "bulk" in ALL-BRAN is much like that of leafy vegetables. How much safer than taking patent medicines—often harmful. Just eat two tablespoonfuls daily for most types of constipation. For serious cases, try it three times daily. If not relieved this way, see your doctor.

Sold in the red-and-green package. At all grocers. Made by Kellogg in Battle Creek.

\$100 REWARD FOR POISONER OF DOGS

Another dog poisoner is at work in Medford, according to reports received today by the Jackson County Humane society from the region of North Central street, where one of the stricken dogs was found this morning in time to save his life.

A reward of \$100 is offered by the Humane society to any person producing information leading to the apprehension and conviction of the poisoner. The dog found this morning had been given a dose of strychnine.

KLAMATH DEATH STILL UNSOLVED

KLAMATH FALLS, Ore., Sept. 29.—(AP)—Everett Cummings, 32, was at liberty today after he had been arrested yesterday morning in connection with the death of his aunt, Mrs. Stella Mang, 53. Mrs. Mang died Wednesday night and there was some belief she might have been poisoned. Cummings was with his aunt at the time of her death and called the attending physician. He was taken into custody yesterday morning just as he was about to file bills of sale and property deeds made out to him by Mrs. Mang.

Officers said the contents of Mrs. Mang's stomach had been sent to Portland. They were awaiting word of the analysis from the University of Oregon Medical school. They are all up here on particular missions—the three men who arrived on the Shasta this morning to vacation at the Northwest Fur farm near Prospect—and all Elmer Lind has to do is send the limit of steelhead daily to Herbert J. Fleishacker with whom he is associated at the Anglo California National bank in San Francisco.

Montfort Crowell who has just returned from Africa where he has been making films in the Uganda country, was a member of the party, expecting to catch the limit of steelhead "If there are any in the river."

ANNA HUGHSON FIRST WHITE WOMAN WED IN COUNTY IS CORRECTION

Mrs. E. L. Farra, a native daughter of Central Point, was a visitor in Medford this morning, and stated that the story in the Oregonian last week concerning the death of Mrs. Mary Hill Dunn, contained an error. The article stated that Mrs. Dunn was the first white woman married in Jackson county.

Mrs. E. L. Farra says that her mother, Miss Anna Hughson and father, Nathaniel C. Dean were the first white couple to be married in Rogue River valley. They were married Nov. 15, 1852 and lived all their lives on their ranch in the Willow Springs district.

The mother of Tom and John Ross was a bridemaid at the wedding. Mrs. Farra's mother's family was six months coming across the plains in 1852. John and Tom Ross's father took a pack train and load of supplies and met the emigrants on the other side of the Siskiyou and escorted them in a civilian account of the Indians.

DAILY STEELHEAD MISSION OF THREE

They are all up here on particular missions—the three men who arrived on the Shasta this morning to vacation at the Northwest Fur farm near Prospect—and all Elmer Lind has to do is send the limit of steelhead daily to Herbert J. Fleishacker with whom he is associated at the Anglo California National bank in San Francisco.

DRUM CORPS CHAMPS OFF FOR CONVENTION

PORTLAND, Sept. 29.—(AP)—The Salem American Legion drum corps, national champions, and more than 100 other legionnaires from Oregon, boarded a special section of the Union Pacific's Portland Rose here last night for Chicago and the 1933 national convention of the legion.

The Salem corps will defend its title as the best outfit in the nation, having won the national trophy at the convention here last year.

BROMLEY EXHIBITS GOLD RUSH MOVIES

H. L. Bromley, advertising manager of the California Oregon Power company, returned yesterday from a business trip to Yreka. While there, Mr. Bromley showed the Copco movies of the 1933 Gold Rush to the Yreka Lions club and a "ladies night" dinner of the 20-30 club. The Copco films were also exhibited at the Broadway theater Tuesday night and Wednesday afternoon and night, a percentage of the proceeds being given to the Yreka unemployment fund.
