ROXY PROGRAM IS THRILL PACKED

A terrific battle in a speeding auto, a death defying motorcycle stunt and the crash of an airplane into a huge radio tower, are a few of the thrills promised in the new serial, "The Whispering Shadow," which opens at the Roxy theater tomorrow.

Bela Lugosi, filmdom's favorite chill-producer, has the leading role, that of a sinister master magician, the proprietor of a speakeasy wax works.

In the feature picture for Saturday, Buck Jones will be shown minus the wide sombrero and woolly chaps of his usual screen characterization. In "High Speed" he has a new type of role as a daring young race-track driver.

BUSINESS MEN TO GENERATE PEP FOR FOOTBALL SQUAD

The Chamber of Commerce will hold a forum luncheon at the high school next Wednesday, October 4, at 12:00 o'clock noon. It was announced this morning by John C. Mann, who will act as chairman.

The purpose of the luncheon is to create enthusiasm among the citizens of Medford for the high school football team and to give encouragement to Coach Burgher and his squad for the coming winter.

The splendid records which have been set in the past by high school teams have been the means of obtaining a vast amount of publicity for Medford and it is believed that similar results can be accomplished this year if the squad receives the united support of the community. Luncheon will be served promptly at 12 o'clock and those who desire to attend are asked to obtain tickets at the Chamber of Commerce, price 40 cents. Following the luncheon, an assembly will be held jointly with the student body of the high school

and the Chamber of Commerce members, at which time the program will be short and snappy. Mr. Mann as chairman will assure the team that Medford is behind it and the remainder of the program will be taken over by a committee of old-time football players. This group includes: Dr. F. G. Thayer, Dr. Edwin Durso, H. B. Hammond, R. N. Butler, Robert Duff, L. H. Wilcox, Olin Arnsperger, Ward Beoney and Justin Smith and they will be assisted by Verne Shangle, Herb Grey, Glenn Smith, Harry Hinman and E. C. Ferguson.
