

# EGGS WILL JUMP 2 CENTS TUESDAY PORTLAND LEARNS

PORTLAND, Ore., Oct. 9.—(AP)—Further advance in the price on local fresh eggs was announced by Edna B. Reed, general manager of the Pacific Co-Op, effective Tuesday morning. The new prices will be 2c higher than last week with oversize 31 and extra 29c, standards 25c, mediums 25c. No change in others.

PORTLAND, Ore., Oct. 9.—(AP)—Cheese showed a barely maintained tone at leading primary points during the week. In spots the trade was inclined to show a small degree of strength early in the period but this disappeared generally with the revival of very free and liberal offerings.

Practically no changes were suggested in the price list either on the coast or in the east.

Market for butter was showing a generally steady tone with a fair degree of activity suggested in late trading here. Open market sales were within the late price range.

Market for live chickens was holding steady except for light weight hens which were more or less of poor quality. Broilers were in favor and at full prices.

Market for country killed meats has a generally steady tone with practically no change in the price from last week. Tops on vealers were still around 8 1/2c extreme with hogs 8c. Beef remained slow.

Trading in the potato market was about steady locally although the movement out of the source was by no means brisk. Demand appeared up to immediate local offerings.

Market on onions was being held steady here but speculative interest was nil. Growers in general were seeking 75c and sacks for No. 1 grade with small lots moving at that.

# "WE RENT ALL THREE... BUT MOST PEOPLE WANT Plymouth"

AN INTERVIEW WITH ALBERT M. ZUCH, MGR., U-DRIVE-IT CO., AKRON, OHIO

"When twice as many patrons ask for PLYMOUTH as for any other car... there must be a reason!"

ALBERT ZUCH's branch of the Ohio U-Drive-It Company today is operating nine Plymouths to four each of the other two low-priced leaders.

"I can see why people are sold on hydraulic brakes," Mr. Zuch says. "We have fewer accidents with cars that have them."

"Then, too, no other car we have maintenance. We hardly ever have to touch the engine."

"And that's something, when you remember our cars have different drivers nearly every day!"

Salesmen want a restful ride, and Plymouth's Floating Power engine mountings eliminate vibration. Women like the style, room and easy-handling quality.

Everyone wants a car that's solid and dependable. Plymouth's Rigid-X double-drop frame is many times stronger than the ordinary type, and its body is steel reinforced with steel. Greater safety and longer life.

Yes, there are reasons why twice as many people ask Mr. Zuch for Plymouth. You can see

them yourself, in fifteen minutes behind the wheel.

Why not accept your dealer's invitation to see why Plymouth is the country's fastest growing car. Sold by Dodge, De Soto and Chrysler dealers.

STANDARD MODELS priced from \$445 to \$510; DeLuxe Models, \$495 to \$595. All prices are F.O.B. Factory, and subject to change without notice. Convenient time payments.
