

DEFER SENTENCE ON MRS. MARTIN; CONDUCT SCORED

(Continued from Page One)

"The defendant associated with these leaders, and came into the limelight, and now complains because she was in the limelight."

"The court wants to see for itself, whether an effort will be made to keep up the turmoil, and stir up criminal activity, or whether the defendant will behave herself."

"The people of Jackson county want peace. They need all their reserves to restore economic happiness, instead of battling disturbing elements in the community."

The court said at one point of his remarks, "I am disposed to postpone sentence for six months, to see what will happen."

In behalf of Mrs. Martin, Attorney W. E. Phipps read articles published in the Jacksonville Miner, which he declared were "provocative, and justified the assault, though it is not sanctioned by law."

Attorney Phipps also read an item in the Mail Tribune of October, 1929, praising the technical ability of Mr. Martin in the preliminary work at the airport, and "the efforts of Mrs. Martin" as his private secretary, closing with the news the Martins had purchased a home on Beall Lane. He then presented for the court to see a recent issue with a picture of Mrs. Martin, which he claimed was "intended to distort, pervert, and make her hateful to the public."

Politics Blamed. Attorney Phipps declared the assault grew out of a "political condition." Attorney Enright also spoke in behalf of the defendant.

Mrs. Martin appeared in court, wearing a fashionable dress, and a brown hat with veil to match. She listened intently to the remarks of the court, at one time rapidly tapping the desk with her pencil and conferring with her counsel at other periods.

The defense filed a motion for a new trial, and renewed its demurrer to the indictment.

TUNNEL HOLDUP TEN YEARS AGO

Today is the tenth anniversary of the Skakiy tunnel train robbery, in which four Southern Pacific train employees were murdered in one of the most wanton and atrocious crimes in Pacific coast records. The crime occurred at 12:35 noon, October 11, 1923. The DeAutremont brothers—Hugh, Ray and Roy—are now serving the seventh year of a life term in Salem state prison. They evaded the law for nearly four years. Hugh was convicted by a Jackson county jury that recommended life imprisonment. The twins—Ray and Roy—pleaded guilty, and received the same sentence. All made confessions. On the day these were made, letters were printed in this paper from citizens, who declared Hugh's conviction was "a miscarriage of justice."

POTATO GROWERS TO MEET ON THURSDAY

A meeting will be held at the chamber of commerce at 8 p. m. tomorrow evening of all Rogue River valley potato growers and all retail grocers, to work out a method of sale and to establish a reasonable price on potatoes. This meeting is called at the request of a number of retail grocers and potato producers.

Mr. Wing, chairman of the agricultural committee of the chamber of commerce, also desires as many of the agricultural committee as possible to be in attendance at this time.

NEW YORK, Oct. 11.—(AP)—Pre-holiday apathy held the stock market within narrow bounds today and leading issues backed and filled in a desultory fashion. Professionals continued to account for most of the meager transactions. A late mild rally failed to hold and the list closed somewhat easy. Approximately 950,000 shares exchanged hands.

KLAMATH INDIANS HELD NOT GUILTY

A federal court jury shortly before noon today returned a verdict of not guilty, in favor of Barnett Weeks, LeRoy Hood and Ella Hutchinson, Klamath reservation Indians, charged with stealing a government truck. The jury deliberated but a short time. All criminal cases on the federal court docket have been disposed of. Civil cases will occupy the remainder of the term, which is expected to last 10 days or two weeks. The first case to be heard is Warner against the Forrest Lumber company.

Now! A Quicker Way to Ease Pain

Don't Forget Real BAYER Aspirin Starts "Taking Hold" in Few Minutes

Here is quicker relief from pain—the fastest safe relief, it is said, ever known. This is due to a scientific discovery by which BAYER Aspirin starts "taking hold" of pain a few minutes after taking. The illustration of the glass here tells the story. A Bayer tablet starts to disintegrate or dissolve—go to work—almost instantly. This means quick relief from pain—fewer lost hours from headache, neuritis, rheumatism. And safe relief. For genuine Bayer Aspirin does not harm the heart. When you buy, see that you get the genuine Bayer Aspirin. The best way is never to ask for aspirin by the name "aspirin" alone. But if you want Bayer Aspirin's quick relief always to say "BAYER Aspirin."
