

### NAMING HUBBELL MOST VALUABLE GAINS APPROVAL

#### Slender Southpaw Ace of Series Is Nearly Unanimous Selection of Baseball Writers' Committee

(By HERBERT W. BARKER, Associated Press Sports Writer.)  
NEW YORK, Oct. 12.—(AP)—The selection of the Carl Hubbell as the National league's "most valuable player for 1933" will bring few squawks from John Heydler's circuit and absolutely none at all from the Washington Senators, champions of the American league.

By almost unanimous consent, the slender southpaw pitching ace of the

CARL HUBBELL  
World champion New York Giants was adjudged the most valuable to his team in balloting by a committee of eight members of the Baseball Writers' association of America. The results of the poll were announced yesterday by Denton Thompson of the Washington Star, committee chairman.

Given 77 votes.  
Hubbell polled 77 points out of a maximum possible total of 80, and won out by decisive margins from Chuck Klein and Wally Berger, slugging outfielders of the Phillies and Boston Braves respectively.

For several years Hubbell has been rated one of the National league's most effective hurlers, but the lean master of the screwball never before enjoyed so spectacular a season as he did this year. He was the dominant pitching figure in the Giants' dramatic drive to the National league pennant, winning 23 games, 10 of them shut-outs and twice turned back Washington in the world series. The Senators failed to get an earned run off him in 20 innings.

Few Pitchers Chosen.  
Hubbell's selection marks the first time a pitcher has gained the award since 1924 when Dazzy Vance, then of Brooklyn, was the winner. No member of the Giants had been named since Larry Doyle won the old Chalmers award in 1912.

Back of Hubbell in this year's balloting finished Klein with 48 points, followed by Berger with 44. Manager Bill Terry of the Giants was fourth with 35, with Pepper Martin of the Cardinals fifth at 31.

### WILSON BOUNCES BELCASTRO OUT OF RING TO WIN

Displaying more rough and tumble tactics than wrestling science, George "Wildcat" Wilson, former football star, took two falls and the march from Pete Belcastro, Sacramento Italian, in their heavyweight main event at the Armory last evening before a fair-sized crowd which turned out to see the renewal of hostilities on the wrestling front for the winter.

Wilson took the first tumble with a body slam after seven minutes of rough going between the men who appeared evenly matched. Belcastro returned to the ring with fire in his eyes and soon had Wilson in trouble with a series of toe holds. The ex-Gridman was forced to pat the mat a few minutes later when the Italian clamped on a vicious toe hold which Wilson was unable to break.

The third and deciding fall went to Wilson in eleven minutes after he had softened Pete up with a series of rabbit punches and headlocks preparatory to piling him all over the ring with Sonnenberg butta. The final flying charge into the midriff sent Pete hurtling through the ropes to the floor outside the ring where he was counted out by Referee Les Wetas.

### TIGERS TAKE ON CRESCENT HIGH HERE SATURDAY

A game expected to further test the strength of Darwin K. Burgher's Tigers, and their ability to pick up through practice, will be played on Van Scoyoc field Saturday afternoon at 2 o'clock, when the local high school eleven meets the Crescent City high school team.

Although no definite information as to the kind of team the northern California town has this year has been received, Coach Burgher said today that the school generally sends out one of the most outstanding set of grid battlers in northern California.  
Saturday's tilt will be Medford's third this season. The locals defeated Weed, 27 to 0, and Roseburg, 14 to 13. The boys are said to be showing signs of improvement in the work and Coach Burgher is confident they will get all right, although, he said, "they have a long way to go yet."  
On Medford's list of injured are Billy Bates, Keith Estes, Lloyd Hammock and Max Gillinsky.
