

HARVEST SALE

SAFEGWAY STORES

DISTRIBUTION WITHOUT WASTE

Every year at Harvest Time Safeway emphasizes the importance of the season with this master selling event . . . Safeway Harvest Sale! This fall sale has become an institution, a sale worth waiting for, a veritable store-wide harvest of exceptional values during which everybody saves in a substantial way. And this year are savings especially great, for many of the Harvest Sale offerings bear prices that disregard today's higher price levels entirely! You just can't help but save at Safeway.

"BEST"

We don't pretend to tell you what coffee you should drink. That's up to you. Our contention is the best coffee is the kind you like best. Maybe the coffee you are using is the "best". But you can not know for certain until you have tried Airway or Nob Hill or Dependable. That's logic, isn't it. Try our coffee in your next cup. There is a blend for every taste.
