

LANE COUNTY C OF C HITS HOME-GROWN RECALL ABORTION

EUGENE, Ore., Oct. 19.—(UP)—Unanimous support of Governor Julius L. Meier, target for a recall convention launched last week, was voted last night by the Lane county chamber of commerce, meeting at Junction City.

The chamber, representing all towns in the county, declared in a resolution that Governor Meier had performed his duties in a creditable manner, despite economic and political handicaps.

The recall campaign was launched by a group of Lane county residents. Petitions are now being circulated in Willamette valley cities.

SALEM, Ore., Oct. 20.—(UP)—F. W. Stevens of Lane county, leader of the recall movement against Governor Meier, told the United Press today the Oregon Recall league was assured of at least 10,000 members in Portland.

Members will circulate petitions there, he said, with success of the movement certain. Sponsors of the move must secure 83,000 signatures by mid-January to assure a special recall election. The governor's term expires in January, 1935.

All members of Crater Lake post 1833, Veterans of Foreign Wars, are requested to meet at the Eagles hall at 1 p. m., Saturday, to attend in a body the funeral of Comrade Robert Hayes, which is to be held at the Conger Funeral Parlors at 2 p. m.

I. D. CANFIELD, Commander. All members of the Auxiliary of Crater Lake post 1833, Veterans of Foreign Wars, are asked to meet at the Eagles hall at 1 p. m., Saturday, to attend the funeral of Comrade Robert Hayes.

JULIE CANFIELD, President. RURAL COMPLAINTS ABOUT HUNTERS

A number of complaints have been received by the district attorney's office from Jackson county ranchers, who announce that pheasant hunters are trespassing on private property to do their shooting. No hogs or cows so far have been reported "taken for pheasants," but the ranchers have their fears, and object to hunters entering without permission.

In response to their complaints, the district attorney's office issued a warning to all hunters, and announced today that warrants will be issued if they continue trespassing on private property.

Jersey Strikers Beat Worker to Death by Error

PATERSON, N. J., Oct. 20.—(AP)—Two men were seriously wounded by bullets today as rioting broke out in the strike-torn silk district of northern New Jersey. One of the injured may die.

In the earlier disturbance at the Clifton plant, John Cherchone of Paterson was stoned by fellow members of the picketing group of about 400 strikers.

Apparently thinking Cherchone was going to work when he attempted to climb the fence around the plant, the crowd beat him until he was unconscious. He was taken to Passaic General hospital, with severe scalp wounds.

Donald Machien, Passaic, a guard at the plant, also was beaten and chased to the railroad tracks. The crowd threatened to throw him under the wheels of a freight train, but police rescued him.

Machien, who was armed with a revolver, was arrested on a charge of carrying concealed weapons, but was freed following arraignment, when he pointed out he was carrying the gun on private property.

Police dispersed the pickets without further trouble.

A divorce decree was also granted in circuit court today in the case of Grace Burdell vs. J. R. Burdell.

Abstinence Plea State WCTU Way to Combat Drunk

PORTLAND, Oct. 20.—(AP)—Education of children and adults to the value of total abstinence will be emphasized by the Women's Christian Temperance union of Oregon, as one of the major moves in dealing with the return of liquor after more than 15 years of prohibition.

This work of the W. C. T. U. was re-asserted here Thursday and today the closing day of the 50th annual convention of the temperance organization.

Mrs. Ada Jolley was re-elected president of the state union, at yesterday's session. The only change in the list of officers was substitution of Mrs. Etta White of Portland for Mrs. M. Frances Swope as corresponding secretary. Mrs. Swope had served for more than 20 years and retired this year.

Miss Maude M. Aldrich of Gresham, national director of the motion picture department of the W. C. T. U., made one of the principal addresses of the day. "It has been found," she said, "that normal offspring became practically extinct when the father and mother had been users of alcohol for five generations. As long as alcohol exists or is used as form of beverage the children of the land will not have a fair opportunity to be well reared."

"We must educate children and adults to the value of total abstinence, including in our education the scientific fact that an average drink of alcoholic liquor narrows the vision and slows down the cooperation between mind and muscle one-half."

TRUCKERS GAIN 60-DAY TRUCE ON MILEAGE PAYING

SALEM, Oct. 20.—(AP)—By a compromise agreement with State Utilities Commissioner C. M. Thomas here last night, all truckers will be permitted to operate under a \$10 contract carrier fee and make mileage payments every 30 days, pending action by the special session of the legislature.

Thomas addressed members of the Truck Owners and Farmers' Protective Association last night, after which a committee of truckers held a three-hour conference with the commissioner before agreement was reached.

Under the emergency measure, every truck driver, whether he came under the contract carrier provision before or not, may take advantage of the \$10 fee and monthly mileage payment plan.

"Application to be filed for contract carrier permit only, accompanied with \$10."

"A temporary permit will be issued for a period from present date to expiration of the special session of the legislature, called for November 20; such temporary permit to be enforced for not more than 60 days from October 20, 1933. It is understood and agreed that fees for mileage during period of operation under this temporary permit are to be paid at the close of each 30-day period of operation under the temporary permit."
