

Crescent City Forfeits 7-0 Win Over Tigers; Played 5 Ineligibles

VOLUNTARY MOVE BY COAST SQUAD REMOVES DEFEAT

Early Suspicions That "Ringers" In Action Confirmed—Athletic Relations Not To Be Severed.

The Crescent City-Medford game, which marked the Burgermeister's one defeat of the season, has been forfeited by the coast team, leaving the local team undefeated in practice as well as conference games. The announcement was made yesterday by C. G. Smith, Medford high school principal, following receipt of voluntary forfeiture from G. J. Reeves, principal at Crescent City.

In the game played here October 14, which ended with a score of 7 to 0 in favor of Crescent City, the coast team included in its lineup two men, who were post graduates.

The names of several players on the ineligible list at Crescent City were revealed as Gargetas, tackle; Johnson, halfback; and Hammond, fullback. There were also two Klamath Indians in the lineup, who were not regular high school students, officials stated. The name of one, Benson, it was learned, Hammond was the 210 pound fullback and Johnson the player who caught the winning forward pass.

Following the game here much gossip to the effect that several ineligible players appeared in the Crescent City lineup, was heard about town. To clear the atmosphere, Principal Smith asked Crescent City for an eligibility list and a personal statement from the principal to quiet gossip and suspicions prevalent here. Mr. Smith added that Medford was anxious to maintain the pleasant relations, previously existing between the two schools, and felt that a statement of the true condition would do much in that direction, since several reports here insisted that two players were graduated from Crescent City last June.

MONTANA DOWNED BY IDAHO PASSES

MAC LEAN FIELD, Moscow, Idaho, Oct. 28.—(AP)—In a gridiron that was little more than a bog, the University of Idaho Vandals moved out of the cellar of the Pacific coast conference by defeating the University of Montana, 12 to 6, here today.

After three quarters of mauling from one end of the field without scores, the customers were pulled to the edges of their seats by one of the most startling passing displays ever seen here.

Midway in the period Idaho's "Little Giant" Smith was rushed into the field to replace Earl Smith at quarterback. As soon as he laid hands on the ball he flipped a quick pass to Hanswacker, halfback, who plowed 40 yards through the mire to score.

WILLAMETTE WINS DESPITE WOUNDS

McMINNVILLE, Ore., Oct. 28.—(AP)—A badly crippled set of Willamette University ball carriers proved that they "could take it" this afternoon as the Beavers preserved their record of no defeats in eight years at the hands of Linfield's Wildcats. Willamette won, 22 to 6, by entering the final quarter in a 6-6 tie with two of its able-bodied backs already on the sidelines with injuries.

FIELD GOALS BY WASHINGTON STAR SMEAR STANFORD

WASHINGTON STADIUM, SEATTLE, Oct. 28.—(AP)—Thirteen thousand rain-soaked people saw eleven Washington Huskies defeat the Stanford Cards today 6 to 0, to make a new bid for the Pacific coast conference football championship.

The surprise victory came to the heretofore lethargic looking Washington crew on the wings of two sparkling field goals planted between the Stanford uprights by Bill Smith, Washington's candidate for all-American honors.

Smith booted the first in the opening quarter after the Huskies had been stopped on the Cardinal's six-inch line on the fourth down. And the second in the third quarter.

Both kicks traveled approximately 35 yards, counting the ten yards between the goal line and the uprights and the distance Smith went back to swing his accurate toe.

Stanford never threatened to score and only reached Washington territory on one occasion.

Washington gained the first break of the game when Joe Wlatrak, stocky guard, recovered Bill Sims' fumble of a punt on the Stanford 5 yard line. The Indians had considerable trouble handling the wet ball all through the game but on this particular play it was a terrific tackle by Wlatrak which caused the Stanford quarterback to drop the pigskin.

(By Harold Grove) Sitting in pouring-down rain Klamath Falls grid fans watched the mighty Tigers tear at the plumage of the red and white Pelicans ending in a 7 to 0 win for the Tigers. Handicapped in the first half by rain, neither team was able to make much headway. At the end of the half the field was very muddy and sticky, making it hard for the teams to hold onto the ball.

Ed Bennett, Medford end, after receiving a pass from Gillinsky and passing it to a Klamath player, stumbled across the goal line for the winning score early in the fourth quarter.

The ball was held in midfield practically all the first quarter. Taber got off some very fine punts for Klamath, and Gillinsky for Medford. The Klamath line was function very good on defense. Medford backs were held at the line of scrimmage time after time.

At the opening of the second quarter Klamath marched down the field to the 15-yard line but in attempting to buck through the Klamath line were held for downs. The Pelicans took the ball and were forced to punt. Taber punted for Klamath Falls. Medford again, with a series of passes to Bates and White marched down to the Klamath 20-yard line and again was held for downs as the gun ended the half.

Medford held the edge on yardage gained and first downs gained during the half.

At the kickoff of the second half fireworks were plentiful. Each team opened up with passes and end runs. The weather had cleared and the sun was shining. Medford completed some very beautiful passes. The longest of these was from Gillinsky to White. It was a beautiful bullet-like pass straight to White, a wing where after running about five yards, was stopped by the Klamath Falls safety man. The crowd seemed to have thought the Klamath quarterback couldn't determine who was the best ground gainer for them, so they started yelling "Give Taber the ball" and Barrows, Pelican quarterback, did give him the ball. He took 30 yards through the center of the line. He was tackled by Gillinsky, or rather thrown off balance, causing him to fall. That was the only long run made by the Pelicans.

As the gun ended the third quarter, Medford had just completed another long pass to White, placing them on the Klamath 30-yard line. Bates on an attempted line smash, was held for no gain. On the next play Gillinsky shot a long pass to Bennett who was about 20 yards down the field in the open; he kept running and was partially stopped by the Klamath safety man but he managed to stay on his feet long enough to cross the goal line for the touchdown. Gillinsky kicked the extra point. From then on, the Medford team took the defensive, holding on to the ball. Klamath got the ball once after the touchdown. They tried pass after pass, but they were knocked down by the Medford backs.

A large Medford crowd was on hand to witness the game along with a large body of loyal supporters of Klamath Falls. The business houses of Klamath Falls closed for the afternoon to support this game in hopes they would see a victory for their team.

He Did It Again Today

STATERS EKE OUT SLIM 2-0 WIN IN MUD DER COUGAR

Neither Team Able To Show Full Strength In Rain—Pass Combination Broken By Injury.

BELL FIELD, CORVALLIS, Ore., Oct. 28.—(AP)—A blocked punt, which rolled behind the end zone gave Oregon State college a 2 to 0 victory over the Cougars from Washington State college here today and smashed a link the Northerners had exercised for five years over the Beavers.

The narrow victory kept Coach Lon Stiner's Oregon Staters at the top of the ladder leading to Pacific coast conference supremacy. They have yet to suffer defeat this year.

The eleven "iron men" who last week fought the University of Southern California Trojans to a standstill, battled together through another period before a spine injury took out William Tomcheck, Beaver left tackle, just after the winning play in the second period. He was replaced by Stanley McClurg; it was the only substitution for O. S. C. during the game.

Ten thousand spectators who watched the game played on a slippery, slimy gridiron in a heavy downpour, saw the two-point score made directly after the opening of the second period.

Franklin punted to the Cougar 15-yard line. On the next play Sorboe made nearly five yards. Then Devin, Beaver center, blocked orbeo's kick and the ball rolled behind the goal line and over the end zone, with two Beavers and Sorboe diving after it. The ball was grounded by an Oregon Stater.

The only near-scoring attempt by Coach Babe Hollingbery's Cougars came in the third quarter when a field goal try by Dahien on his 17-yard line was blocked.

The Cougar's famed passing offensive was stopped both by the weather and an injury to Ted Christofferson, Hawaiian halfback, who was hurt early in the game. With him out of play the receiving end of the Cougar combination of Sorboe-to-Christofferson, the W. S. C. hopes dimmed. The Northerners attempted but one pass. This was in the closing minutes of play and it was incomplete. The Oregonians tried three overhead plays. One of them was good, but only for two yards.

GO-YARD RUN BY WARBURTON NETS TROJAN VICTORY

California Field Goal Margin Wiped Out In Last Quarter—Bears Show Form Reversal In Bitter Battle.

MEMORIAL STADIUM, Berkeley, Calif., Oct. 28.—(AP)—Out of a tangle of legs and arms today popped a Trojan will of the wisp known as Irvin Warburton to dash sixty yards to goal and on that brilliant run rode a 6-3 victory for Southern California over California's Bears in one of the most thrilling filled gridiron clashes this great bowl has seen in many seasons.

Seventy thousand wildly cheering fans had sat through three full periods and five minutes of the final quarter on what appeared destined to be an amazing reversal of form and the first defeat of Trojan forces in 27 games. The Bears were battling their traditional football foes on better than even terms by the margin of a field goal scored in the first period.

The downfall of last year's national mythical champion and two-year holder of the Pacific coast conference title seemed imminent. Then with a suddenness that left Bear supporters speechless the picture changed. Down on the slippery turf, the "Mighty Mite" or far western gridironers clutched the pigskin.

It was a cutback play. Warburton headed toward the right, his cleats dug in and he was off toward the left. A hole opened in the line. The "big boys" of the Trojan ranks couldn't have guessed through but it was made to order for the "scouter."

Warburton scooted, ducked and dodged. Half a dozen Bear tacklers clutched at him, but he seemed more slippery than a greased pig. Out in the end zone the Trojan quarterback fairly flew. The Bears in pursuit had no chance against a player who runs the quarter mile in impressive fashion during Southern California's track season.

Some 25,000 Trojan rooters made the weakin grin as Warburton sprinted over the last line for the points that eventually meant a fourth successive victory over one of the most bitter of rivals.

Larry Stevens muffed the try for point but Southern California's remarkable string of games without defeat had been raised to 27.

The Webfoot four-yard line on Cheever's runs and passes, coupled with Keeble's thrusts through the line. Here, they lost possession on downs and Park kicked out of trouble.

Still bent on crossing the Oregon goal line, Cheever completed successive passes to Mike Frankovich and Keeble which carried the ball to the Oregon 22, but penalties spoiled the Bruins' efforts there.

While Oregon made all the points, U. C. L. A. picked up most of the yardage. They gained 191 yards to 168 for the Webfoots, and out-downed the invaders, 11 to 8. Seventy of the Bruins' yards came from five completed passes in 15 attempts.

Cheever was the leading ground-gainer, averaging better than five and one-half. Mikulak was ineffective against the powerful U. C. L. A. line but in his stead, Temple and Leighton Gee broke loose frequently enough, with Gee averaging four and three-quarter yards a try.

TWO RETURN WITH ELK AS TROPHIES

Ernie Ernst, of California on-the-Rogue, and L. J. Adams, returned Friday with two fine specimens of elk. Mr. Ernst got a bull elk with 6 points and Mr. Adams a 5-pointer, both weighing around 1000 pounds. They were showing the elks to Medford friends Friday.

They also were showing the horns of a 7-point elk found in the deep timber that bore evidence of having been killed a year ago, and are supposed to be the antlers of an elk killed about a year ago by the two men who were sent to the penitentiary from that section of the state for killing elk out of season.
