Somerset Maugham Story At Rialto

"Short thereof is man's life; and narrow is the corner of the earth wherein he dwells," says Somerset Maugham in his novel, "The Narrow Corner." The picture of the same title, which opened today at the Rialto theatre, is fashioned from this theme.

It is a strange tale, this, full of color of strange places and strange people—and yet at bottom, as are all the characters of a Somerset Maugham story, these people are vibrant with the same life we all live. They act and move and feel just as we all do.

The story opens in Sidney, Australia, with a wealthy man sending his son away, secretly, in the night, aboard an old ketch with an outlaw skipper—bound for nowhere, told only to keep moving, and not get too near to a habitation where white men might be.

It winds up in a colorful island of the Malay Archipelago among as strange an assortment of human beings as it would be possible to meet, including a retired sea captain, wealthy from heaven knows what devilries on the seven seas, his son-in-law and granddaughter, an innocent girl of primitive passion, and a Dutch trader.

Douglas Fairbanks, Jr., has never been better than he is in the escaping young Australian, wanted for the murder of his paramour's husband. Dudley Digges as Dr. Saunders, an opium-smoking outcast, is a revelation; Reginald Owen, William V. Mong and Ralph Bellamy are also featured.

The surprise of the picture, however, is the work of youthful Patricia Ellis in the role of the girl, Louise.

Mystery Show At Holly Wednesday

Starting promptly at 11 o'clock Wednesday, the Holly theater presents something new and different in entertainment. On the stage, appearing in person, will be Ali Din and Company. This man of many mysteries will offer to the patrons of the Holly theatre his world-famous "spook show" which will include everything in thrills. You will see and hear, before your very eyes, spirit slate writing of any one living or dead, spirit rapping, spirit table raising, talking, skulls and a ghost. The climax of the entertainment promises to be one of many thrills, as it has been said that the ghost, when all the lights in the theater are turned out, leaves the stage, comes into the audience and sits with the awe-stricken "customers."

Dick Powell Star Of "College Coach"

Dick Powell, who made his first hit in pictures as a crooner, will be seen in his first straight leading role in the startling football picture, "College Coach," which comes to the Holly theatre tomorrow.

Not only are there exciting football scenes in which close to eighty of California's greatest football stars take part, but the picture gives the low down on professionalism in college athletics, as it exists at certain colleges.

Pat O'Brien has the title role while Ann Dvorak in the leading feminine part, supplies the campus romance.

Cast Of Stars In Craterian Film

Walter Winchell, Broadway columnist, whose today's gossip is tomorrow's scandal, is author of the story of "Broadway Thru a Keyhole," featuring Constance Cummings, Russ Columbo, Paul Kelly, Blossom Seeley, Abe Lyman and his band, Gregory Ratoff, Texas Guinan, Eddie Foy Jr., and Frances Williams, and now playing at Hunt's Craterian theater.

"Broadway Thru a Keyhole" has a background of night clubs and shows how a sweet and innocent young girl rose to fame, was befriended by a handsome young racketeer and finally became the wife of a famous radio crooner.

Because of the night club background of the yarn, the picture was filmed as a musical with a large dancing chorus and musical comedy and vaudeville stars.

Lowell Sherman directed "Broadway Thru a Keyhole." Most of the action takes place in gilded Broadway palaces of entertainment.

'HELL TO HEAVEN' OPENS AT ROXY

"From Hell to Heaven," a drama which peers into the intimate thoughts and secret lives of a group of people who make up one small section of a crowd attending the running of a famous derby, which opens at the Roxy today.

Carole Lombard, Jack Oakie, David Manners and Adrienne Ames head the cast.

TORSO FOUND ON REDONDO BEACH

REDONDO BEACH, Calif., Nov. 7.—(AP) A human torso was found early today by fishermen on the Beach near here. It apparently had been in the water for several months and authorities were unable to determine the sex.

Police said the arms, head and legs apparently had been severed with a sharp instrument, and expressed the belief they were confronted with a murder mystery.

The torso will be subjected today to a minute surgical examination in an effort to develop some clew which may lead to identification.

He says he will continue to manufacture batteries.

JACK BUCHANAN IN STUDIO COMEDY

A toy showroom, equipped with more than $10,000 worth of mechanical playthings, plays an important part in directing the appeal of "Yes, Mr. Brown," Jack Buchanan's latest picture, to children the world over. The picture comes to the Studio theatre on Tuesday and Wednesday.

The showroom takes up one whole section of the picture, being required to show Buchanan as the branch manager of a toy manufacturing company.

The yarn is just a little crazy, and it is portrayed so deftly by Jack Buchanan, Elsie Randolph and Margot Grahame that there is a laugh a minute.

Regular communication of Reames Chapter, O. E. S., Wednesday evening, November 8, at 8 o'clock. Visiting members welcome.

35 PER CENT OF CHEST OBEJCTIVE ATTAINED EARLY

Thirty-five per cent of the 1933 Community Chest goal of $9000 had been realized when the Mail Tribune went to press this afternoon, according to report from workers who started on the canvass of the city this morning, going out from the court house auditorium at 8:30 o'clock.

The following firms were listed as having gone over the top with 100 per cent support of the drive: Standard Oil Company of California, Groceteria No. 1, Groceteria No. 2, Medford Domestic Laundry, American Laundry, Mann's Department Store, First National Bank and the Jackson Hotel. The Montgomery Ward & Co. store had achieved its 100 per cent goal before the drive opened this morning.

As a sample of the spirit of giving contacted on many sides by workers this morning, Frank Hull, general chairman of the drive, reported the case of one small firm which was asked for about $15 and gave a check for $50. Giving the greater amount, the proprietor stated that he believed in the cheat and knew that the money would be needed and spent to a better advantage through that channel.

People who are able to give are giving generously, Mr. Hull stated, but more workers are needed to make the solicitations. Anyone able to give time as a solicitor is asked to call General Hamilton Patton, Mr. Hull, or call at the headquarters in the Chamber of Commerce as soon as possible.

Meanwhile, Sheriff William R. Tice of Woodbury county (Sioux City), refused to ask Governor Clyde Herring for state troops, despite demands from Sioux City residents that the militia be called out to help bring peace.
