

**ARMISTICE DAY**  
NOV. 11 1933

The glory of heroism is eternal, as is the spirit of sacrifice. In memory of our men who forsook all earthly joys that posterity might be secured in the arms of peace, Saturday we pay a tribute of heart-felt thanks. May He ever show us the light of fraternal love.

**Gibbs Quilting Hoop**  
Grandma Would Have Loved It!

This looks as though the old-fashioned quilting frames were permanently stored in the attic. A mammoth embroidery hoop (nearly two feet in diameter) with a powerful thumb-screw adjustment, makes pick-up work of quilting. Art needlework departments of the big stores report increasing popularity of quilt-making. This Gibbs Quilting Hoop should make it even more popular.
