By Harold Grove  
Before an Armistice day crowd of approximately 2000 persons, Medford high school Tigers defeated the Loggers of Eureka, 13 to 0, in a highly contested game Saturday afternoon.

The sun was shining and the weather was warm, a factor doped to prove a disadvantage to the trained Loggers of the cool coast climate of Eureka, Cal.

Medford produced the power and the grid strategy during the first half but weakened in the second half.

In the first five minutes of play Medford scored on a center smash from the Eureka three-yard line.

Bates packing the ball, and again in the second quarter, Giltinsky brought the fans to their feet when he made the most spectacular run of the game with the return of a punt 40 yards to a touchdown. Eureka did not threaten the Medford goal line in the first half, although they displayed some very good offense.

First Score Early  
From the kickoff, Medford carried the ball yard by yard on line bucks and end runs to the three-yard line, where Bates took the ball and crashed through the line for the first touchdown.

Giltinsky brought the fans to their feet in the first few minutes of the second quarter when he received a punt from Borroughs, Eureka half, and ran behind perfect interference 40 yards for a touchdown, and his kick from placement was good for the extra point.

From this point until half time the game was played mostly in Eureka territory.

"Ain't-cha got no football learnin'?" was what Coach Willard of Eureka poured into the Loggers' minds when he got them in their private bus just off the field. In what little time they had he certainly refreshed their minds on that subject, for when they came back into the game they showed Medford players how to scratch their own backs on their own goal posts, but that is as far as they got.

They opened up with the nearest lateral that any high school team could pull, but didn't go places.

Eureka Gets Break  
Eureka got a break in the later part of the third quarter when White's punt was blocked on his own 20-yard line. It looked good for the Loggers, but the Tigers tightened up and held them in their tracks. Medford took the ball and White called Kindred, Medford tackle, back for the punt. He got off a long, high punt which went for about 45 yards.

Eureka attempted a few line plunges but was held for no gain by the Medford line as the gun ended the quarter. From the start of the fourth quarter till the end the Medford fans were kept on edge as the Eurekaans fought, air and land, from deep in their own territory to deep in Medford's territory. They completed pass after pass but when things were going good would fumble, causing them to start all over again.

Borroughs gave Medford a scare when he broke through the line and went 40 yards before he was finally stopped by the safety man. The Loggers made one last attempt at getting a touchdown. They succeeded in getting to Medford's 40-yard line but on a play that looked like a sure touchdown, a fumble caused Medford to gain possession of the ball. Medford had completed one play when the gun ended the game.

The starting lineups were:  
Medford  
Hinnman, RE, Haight  
Kindred, RT, Stratton  
Prentice, RG, Cayo  
Hamrick, C, Abrahamson  
Baker, LG, Tomanovich  
Pelce, LT, Edlene  
Bennett, LE, Panucchi  
White, QB, Ball  
Giltinsky, LH, Borroughs  
Brown, RH, Knifsend  
Bates, FB, Nicol

Substitutions: Medford, Kuzman for Bates, Ghelardi for Giltinsky; Eureka for Baker, Fowler for Kindred, Stewart for Hamrick, Eureka, Boyce for Ball.

Referee—Erbe.  
Umpire—Flouck.  
Head Linesman—Lawa.

The only tennis courts available to the public here in the past have been private ones opened to outsiders.

### SONS BOW TO BEARCATS, 13-0

SALEM, Nov. 11.—(AP)—Dashing Orave and crumpling Olson "packed the mail" as Willamette University defeated Southern Oregon Normal school, 13 to 0, here last night.

Before the game was five minutes old the Bearcats marched 75 yards for a touchdown. Olson "churned" through center the last 20 yards to score standing up. Williams kicked goal.

The most diversified aerial attack seen here in years carried the sons to Willamette's 13-yard line in the third quarter, but Lancaster was unable to crack the line two yards for first down.

Elmer Brown did most of the passing and was the one Ashland man able to gain consistently. He was particularly brilliant on end runs and punt returns.

Lancaster's punting gained many yards for Normal. Oakes and Patterson were outstanding on defense for the Sons. "The better team won," remarked Irving Vining and Henry Enders of Ashland.

### ASHLAND HELD SCORELESS TIE

Ashland high school's football machine held the fast-stepping Crescent City outfit to a scoreless tie Saturday at Ashland, much to the gratification of an Armistice day crowd which witnessed the fray. The coast contingent threatened Ashland but once and lost their chance when they fumbled. Ashland threatened the Crescent City goal line often but lacked the punch to drive the pigskin over the line.

Three Crescent City men were hurt in the game, which was featured by vicious tackling of the Lithians.

### OREGON DEFEATS O. S. C. 13 TO 3 TO HEAD CONFERENCE

(Continued from page one)

In the fourth "Sew" Milligan missed the first try for point from placement, and Temple booted his own to add the last digit of the contest.

The score failed to indicate the closeness of the battle as Oregon State drove close to touchdowns several times, and Oregon ploughed with striking distance on other tough after trips.

Blancome Thrills  
The longest run of the battle witnessed Johnny Blancome, Oregon State sub halfback, headed for a certain score in the closing minutes of play, but a heartbreaking stumble over one of his own men cut him down on Oregon 15 yard line. He had taken a pass from Acheson on his 21 yard line, and the Beaver back skirted down the side lines for a total gain of 64 yards.

He tried to step around a Webfoot tackle who had caught up with him and he stumbled over his own interference partner.

Oregon State tallied its field goal early in the first period when Norman "Red" Franklin, an slippery back as the northwest has seen in years, reeled off 18 yards around right end to reach Oregon 20 yard line.

When a pass failed and two line smashes moved the Webfoots back only 8 yards, Schwammel dropped back to the 25 yard line and booted a field goal straight and true.

Oregon Unimpressed  
The early score failed to impress the lemon-yellow gridders and they came back in the second with a ripping, running attack from their own 29 yard line to pile up six successive first downs and a touchdown. Mikulak bolted through center from the 1 yard line to make the score.

Milligan's try for the extra point was blocked by DeVise.

The march started with a "break" when an Oregon punt was called back because a Beaver had run into the kicker, and the Eugene boys were awarded a first down on the penalty.

The second touchdown came after a still longer drive, Oregon travelling from its 24 for a succession of smashes.

Mikulak materially aided the movement when he broke through a hole at center for thirty one yards. The play actually gained 48 yards as Oregon State was penalized 15 on the play because of unnecessary roughness.

Temple and Mikulak kept pounding away and the former bolted through

### STANFORD HANDS MIGHTY TROJANS 13 TO 7 DEFEAT

LOS ANGELES, Nov. 11.—(AP)—Stanford's fighting football team outplayed and outscored Southern California before a crowd of 90,000 persons today, to win, 13 to 7, and administer the first defeat the Trojans have suffered in 28 games.

Not since September, 1931, when St. Mary's won by the same score as that of today, the Southern California suffered a reverse, although the record was spotted by one scoreless tie with Oregon State this season.

The big red team from Palo Alto cashed in on two field goals from sure-footed Bill Corbus in the last four minutes of play to climax a drive by the Indians, starting just after the home guard took a first period lead through the medium of a 43-yard run for touchdown by "Cotton" Warburton.

Corbus not only used his right foot to good advantage, but did a world of damage with his hands, playing a sensational defensive game against the hard charging Trojans.

There was little doubt in the minds of the great Armistice day crowd as the result when Corbus kicked his first field goal, after he had missed two. There was then only four minutes left to play. When he kicked the second there was just one minute left for the Trojans to do something about their record and they could not do it.

There was not much to choose between the first downs, ten for the winners to eight for the losers, but the Indians throughout the closing stages of the game, seemed very definitely going places and doing things. Throughout the third period and much of the latter the Trojans were too busy trying to stop their opponents to do much on their own account.

### BREEZE AND BUGS CURB ON NUDISM

SHELL LAKE, Wis.—(UP)—Forced out of Illinois and Michigan by law, nudists have purchased two miles of land along the thickly wooded eastern shore of Long Lake, two miles from Holy Island, the summer mecca of Lutheran ministers.

The possibility of legal action by the residents of the island to restrain the establishment of the nudist colony seems remote, as no complaints have been registered, either by the pastors, or residents along the shore.

"We believe anyone practicing nudism in this vicinity, or in any part of northern Wisconsin, for that matter, will be taken care of by the mosquitoes and the north wind," Rev. H. P. Nordby, pastor of Baldwin Norwegian church and owner of a summer home on the island, said.

"As far as I am concerned," Rev. Nordby continued, "I feel that some do not have to take off very much to place them in the nudist class. The past few years we have become used to the theory gradually."

The opinion of others who live on the lake is much the same as that of the Rev. Nordby.

### Communications

Patton Gives Thanks.  
To the Editor:  
Having gone over the top in this year's Community Chest drive, I wish, at this time, to extend my thanks to the people of Medford, and the outlying territory. No better cooperation has ever been shown by workers and donors alike in times past, than we have met with in this year's depression. It has been a real pleasure to be in charge of the drive, and I am extremely grateful to all who helped make it a success.

Very Truly Yours,  
HAMILTON PATTON.

### ILLINOIS TRIUMPHS OVER NORTHWESTERN

EVANSTON, Ill., Nov. 11.—(AP)—A crowd of 40,000 shivering spectators saw Illinois triumph over Northwestern, 3 to 0 today, scoring a victory over the Wildcats for the first time in five years.

As a result the fighting Illini remained in the race for the western conference gridiron championship.

### GUNNERS TO TRY NEW SKEET TRAP AT CLUB TODAY

Medford Gun club will hold its first skeet shoot at the club grounds at the north end of the Medford airport today. Shooting will start at 10:30 and continue through the day. Gun club officials announce that use of the new Skeet equipment will be open to all visitors as well as members and it is anticipated the club will have a record attendance of both shooters and onlookers.

The new skeet towers and equipment erected at the club grounds mark the installation of the first skeet shooting field in southern Oregon, the only other skeet field in the state being in Portland. The Medford equipment is the last word in skeet trap installation, was installed by an engineer according to National Skeet association specifications, and local members say it is without exception the best and most modern skeet field on the Pacific coast.

The club has more than doubled its membership since the skeet field installation was announced and will continue its membership campaign with 100 members as the goal which the club will require in June 1933 when the Oregon State Trapshooters association will hold its three day state champion shoot here. The club will also hold a special registered skeet celebration.

The local club is anxious for a large attendance of visitors at today's shoot and emphasizes that the public is welcome at the Medford Gun club shoots at all times. Shooting will continue through the day both at Skeet and the regular traps and lunch will be served on the grounds.
