

### CITIES WILL HAVE RESEARCH BUREAU AT EXTRA SESSION

Definite action to maintain a research bureau at the special session of the legislature, was taken Saturday at the meeting of the executive committee of the League of Oregon Cities. Frank Farrell, city attorney of Medford, reported this morning upon his return home from the meeting held in Portland.

The bureau will be in charge of W. M. Briggs of Ashland, who has been appointed field representative for Oregon cities. Funds for employing of field representatives have been allocated by the Rockefeller foundation. Mr. Briggs will make a study of the problems of all Oregon cities and assist in every way possible to aid them, particularly in reference to applications for funds from the Public Works Administration.

Several projects of interest to all cities of the state, were discussed at the meeting of the executive committee, particularly the control of liquor traffic.

The research bureau, to be maintained at the legislature, will keep cities advised of all legislation of interest to the taxpayers.

### PUPILS OF MEDFORD ARE MORE HEALTHY THAN PREVIOUS YEAR

Although the depression of the past few years has made it more difficult in many cases for children to keep healthy, those of Medford grade schools are healthier than they were last year, statistics gathered by the school nurse, Ruth Swanson Dodson, revealed today.

Examinations of 1191 children in the four grade schools have been completed. There are 161 more children out of that number on the honor roll this year than there were last. The total for the opening term is 473. This means that many defects discovered in examinations last year were corrected before school opened for the fall term.

The improvement in teeth was particularly pleasing, Mrs. Dodson stated. Fewer children in all the grades are in need of dental work.

Flat feet were also found on the decrease in the Washington, Jackson, Lincoln and Roosevelt schools. Exercises for correction of flat feet have been given the children in these grades and the improvement noted by the school nurse showed that the exercises have been followed by the children.

### FIVE HELD FOR BRAWL IN CAFE

Five persons were held in the city jail last night, and three were taken into court this morning as the result of a brawl Sunday evening in a local cafe.

Tom Parker and C. L. York were each fined \$5 in city court today on charges of disorderly conduct, while William Otker forfeited \$10 bail on charges of being drunk in a public place.

Names of the other two persons arrested, were withheld by police, as the men were released this morning. Evidence showed that the other three were the aggressors, and started the fight, officers said.

### JUNIORS DEFEATED 41-7 IN KLAMATH

Playing a third string football team from Klamath Union high school, the Medford junior high school team was defeated 41 to 7 Armistice day in Klamath Falls.

Ray Henderson, local coach, said that the Klamath team was composed of freshmen, sophomores and juniors, with an average weight of 160 pounds, and two tackles whose weight was 180.

### CHICAGO FAIR IS CLOSED TO OPEN AGAIN IN SPRING

(Continued from page one)

fair took in about \$15,700,000 in five months. Those who subscribed to the bond issue have gotten back about 50 cents on the dollar, thus far. Fair officials predict that the 1934 income will make it possible to pay back 100 cents on the dollar, thus making this exposition the only one in history to do so. They figured this on the basis of only 12,000,000 expected attendance in 1934.

Most of the business firms which subscribed to the bond issue did so in the belief that whatever they lost on that investment they would more than make back in increased business revenue. The prediction was more than borne out. Reliable agencies estimate that world's fair visitors spent more than \$200,000,000 in Chicago in addition to what they spent at the fair. Marshall Field & Company accredited to the fair the fact that while in the third period of 1933 it lost more than \$1,000,000, it made almost \$1,000,000 profit in the same period of 1933. The New York Central railroad counted up last night and found that it had hauled 652,147 persons into Chicago for the fair.

### LIONS GIVEN CHANCE FOR ADVERTISING OF BUSINESS AT LUNCH

Today was advertising day at the Lions luncheon at Hotel Holland and each member responded to the invitation to tell all about his business. The meeting was conducted by J. Verne Shangle, appointed chairman by Carl Stuart, vice-president, in the absence of H. W. Conger, club president.

Shangle turned the program over to Walter Abbey, chairman, and then the stories began, with all members learning a lot about the other fellow's business, including everything from tires to fires, with a police report thrown in, when Chief Clatous McCredie invited the Lions to "come up and see" him sometime.

C. L. Hopkins reported upon progress of the Oregon Diamond Jubilee celebration committee of the club, and assured the club that the Lions will be in the limelight in more than one project when the celebration dates arrive.

Andy Anderson of the Safeway stores was a guest at the luncheon today.

### STENOGRAPHERS AGE LIMIT LENGTHENED, CIVIL SERVICE JOBS

Earl H. York, local secretary of the United States civil service commission, today received an announcement from the commission relative to the examinations for junior and senior stenographer and typist, for departmental and field service.

The examinations previously ordered closed November 7, which specified age limits 18 but not 40, has been amended to permit the filing of applications up to November 30 this year. In this latter amendment, it is stated that those who have reached their 40th but not their 53rd birthday by November 30, may apply. Veterans are admitted without regard to age.

The position and salaries are listed as: Senior stenographer, \$1620 a year; junior stenographer, \$1440 a year; senior typist, \$1440 a year; junior typist, \$1200 a year.

### STOCK MEN, BUTCHERS TO MEET WEDNESDAY

A meeting of stock men and butchers has been called for 8:00 p. m., Wednesday, November 15, at the Medford Chamber of Commerce. It was announced today by H. E. Conger, chairman of the stock raising committee of the chamber. Many important matters will be discussed at the meeting, according to Mr. Conger, particularly with regard to the present price of beef.

New regulations regarding bids for the GCC will also be explained in detail. Numerous stock men throughout the county have been asked to attend and it is expected that a good number will be on hand when the meeting opens.

*future Lucky Strikes*

Not many smokers have seen a fine tobacco plant in full bloom, so we show you this picture. Only a few of these fine plants are permitted to flower and to produce seed. These carefully selected seeds reproduce the following year the "Cream of the Crop" for your Lucky Strike, for tobacco must be grown from seed each year. This careful breeding of fine tobaccos explains why Luckies maintain the same fine, uniform quality from year to year—so round and firm and fully packed—free from loose ends.
