CUBS AND IRISH PLAY 13-13 TIE

By Harold Grove.

Medford high school's Tiger Cubs managed to play a 13 to 13 tie with the St. Mary's Academy high school football squad on Van Scoyoc field last night.

The St. Mary's team, making a heavy passing attack, worked both their touchdowns on passes. The first touchdown was made in the third quarter and the second in the fourth quarter, just before the gun ended the game. The extra point was added by a line buck.

The high school Tiger Cubs made their two touchdowns on long runs by Shafer and Ottoman, the former making a 50-yard run for a touchdown and the latter making another 50-yard run which lacked inches of being a touchdown, but Owen Bates, brother to "Bill Bates, the Great," plunged over the line from the one-yard line for the touchdown. The extra point was made by a line plunge.

Most of the third and fourth quarters were played in near darkness.
