WASHINGTON, Nov. 15.—(AP)—Hugh S. Johnson took to President Roosevelt today a report that compliance with codes and the blue eagle re-employment agreement is not working successfully and means must be taken quickly to secure more thorough enforcement.

Easterners may laugh that off as administration propaganda. They have seen accounts of property destruction. They have noted the farm barometers—Niles like Senators Borah and Norris—running a temperature of 104. The surface indications surely suggest that the revolution may begin any minute.

During his absence, Woodin will accept no remuneration from the government. In tendering his unaccepted resignation, Woodin said he had attempted to stay away from his desk of late and so far as possible recuperate from his ailment. He added, however, that he was unable to do this fully, and that since his physicians had ordered rest and a change of climate, he was submitting his resignation.

Just before the case was given to the jury at 12:15 a. m. Judge George H. Taylor had delivered the longest charge ever heard in a New York court, nine hours being required. Judge Taylor remained on his feet during the entire delivery of the charge, an unusual procedure in New York courts.

COFFEY'S SON TAKES UP TASK RESTORING HEALTH

PORTLAND, Nov. 15.—(AP)—The hopeless despondency with which she learned of the death of the famous surgeon, who had promised to restore her to health, today gave way to indescribable joy as Miss Valeria Stahler of Butte, Mont., left an operating table here, assured of complete recovery.

The administrator on his ten-day swing around the mid-west, which he said today he considered highly successful from every point of view. At virtually every city where he spoke, he obtained reports on conditions. The overwhelming consensus was that non-enforcement stood as the greatest immediate hazard to NRA's part of the recovery program.

Believe it or not here are the statistics from the revolution area: Montgomery, Ward sold twenty-three million dollars worth of goods in October, compared with sixteen million in September. The October figure is just 16.2 per cent better than it was a year ago.

WILL ROGERS SAYS: BEVERLY HILLS, CAL., NOV. 14.—GERMANY HAD AN ELECTION TO SEE IF THEY APPROVED LEAVING THE LEAGUE OF NATIONS.

Poor old League. Always felt on account of her having no policeman, nobody wasn't going to pay much attention to it. We just seem to be living in an era when good ideas don't get over. Everybody is out to protect themselves in a clinch. They are not depending on the referee helping 'em out much. Look at little Switzerland, always gone along minding their own business, now they got them going out buying a gun. The world has just lost faith in a bunch of guys with silk hats.
