CCC FOOD BUYING METHOD OUTLINED

Due to the confusion in the minds of some as to the purchasing of foods for the CCC camps in the Medford district, Capt. Harold E. Stow stated today that the same method of selection is used each month.

The approximate amount of food needed is figured and applications for bids sent out to all who request them, and to the chambers of commerce of the nearby towns. These are sent out in time to allow ten days for putting in bids. The prices requested by the headquarters are that the food be priced under delivery in Medford.

The bids are opened at 10 a. m. on the 20th day of each month. Regulations of the federal government require that the lowest bid of a reputable firm be accepted.

Evangelist Black Takes Pyramid As Topic For Tonight

"The Great Pyramid of Egypt, the Stone Bible of the Desert, Its Prophecies for These Last Days, and Does it Predict the End by 1938?" is the subject of the sermon lecture tonight at the Free Methodist church, 10th and Ivy streets, where the Rev. Harry Black, "Newsboy Evangelist" and prophetic lecturer from Los Angeles, is speaking each night this week and three times next Sunday on "Bible Prophecy and the Coming of Christ."

Extra seats are being provided to accommodate the large crowds which are turning out nightly to hear Black's messages. Twenty persons responded to altar call last night. The carpenters who are remodeling the church and enlarging it not only have a prayer meeting each morning preceding the day's work, but turn out at night to the services.

"The Mark of the Beast" was Evangelist Black's theme last night and he declared emphatically that the NRA blue eagle is not the beast mark mentioned in revelation 13. Rather, heavered, it will probably be discovered that the Roman Faces, a bundle of sticks tied about with bands and an ax in the center, would prove to be the mark. "This was the sign of ancient Rome, it is Mussolini's emblem today. We have it on our American dimes and new twenty-five cent pieces and it was on the recent Webster three-cent postage stamp. The Bible teaches that the old Roman empire will be revived and Mussolini declares he will revive it. Hence when the anti-Christ arrives it is quite likely he will adopt the fasces as his mark and emblem," said Black.
