

COST OF LIVING SHOWS UPTREND THROUGHOUT U. S.

Outfitting of Children Costs 25 Per Cent More Than Last Year in Many Cities, National Survey Discloses

(Copyright, 1933, by United Press) NEW YORK, Nov. 24.—(UP)—The cost of living for the American family is advancing, a United Press survey of leading cities indicated today, although some basic costs are lower as result of seasonal situations.

Outfitting the children, in many cities, costs 25 per cent more than it did a year ago, although the costs are the same as midsummer. But foodstuffs and fuels—where coal is the fuel—are advancing.

Some of the sharpest rises since August, when the peak of the first part of the nation's industrial recovery was reached, have been in flour prices, coal and eggs. Rise in the latter is explained as being about seasonal.

A review from some of the leading cities on retail costs on August 1 and today shows: Atlanta—Men's suits, \$23.85-\$28.50; silk dresses, \$16.75-\$18.00; house dresses, \$1.30-\$1.42; women's coats, \$38-\$60.50; sirloin steak 28c per pound, 19 cents per pound; pork roast, 15 cents per pound, 16 cents per pound; bacon, 15 cents per pound, 24 cents per pound; eggs, 19c dozen, 28c dozen; milk, 9c quart, 13c quart; bread, 10-12c; flour (24 pounds) 93-98c; sugar, 5 pounds, 89-94c; butter, 35-32c.

Chicago—Men's suits, \$22.50 to \$40-\$30-\$35; women's dresses, \$12-\$15; change; sirloin steak, 29c per pound, 25 cents per pound; pork roast, 13c, 17c; to 18 1/2c per pound; bacon unchanged at 25c; eggs, 27c to 29c dozen, 37c dozen; milk advanced 1 cent to 11 cents a quart; flour (24 1/2 pounds) 59 cents, \$1.05; sugar 25c, 29c; butter advanced 3c per pound to 25c; coal advanced 20 to 60c per ton.

New York—Men's women's and children's clothing about 25 per cent higher than a year ago; sirloin steak 35c per pound; pork roast, unchanged at 19c per pound; bacon 29c per pound, 33c per pound; eggs, best, 30-37c dozen; bread unchanged at 11 cents; flour down 14 cents on 24 1/2 pounds; butter advanced 4c to 29c per pound.

Boston—Men's clothing 10 per cent higher than August 1; women's and children's clothing advanced 10 to 20 per cent since August 1; coal 60 cents ton higher at \$15.10; sirloin steak unchanged at 35c per pound; pork roast advanced 3c per pound to 15c; bacon advanced 2c per pound to 21c; milk advanced 1c a quart to 11c.

St. Louis—Clothing up to 8 per cent higher than August 1; most meat prices slightly lower, but other food costs higher.

Kansas City—Men's clothing about unchanged. Flour unchanged; butter advanced 2c per pound to 32c; eggs advanced 10c per dozen to 38c; bacon advanced 3c per pound to 25c; coal advanced one dollar a ton to \$7 to \$11 a ton.

WEEK-END TRIPS FOR CCC YOUTHS

VANCOUVER, Wash., Nov. 24.—(AP)—Week-end recreational jaunts for young men of the Civilian Conservation Corps, under direction of officers of the army, have been arranged for the CCC area comprising southwestern Washington and northwestern Oregon.

Tonight 425 of the youths, including about 25 from each of the 17 camps, will come to Vancouver. They will stay at the Vancouver barracks recreational center, have dinner as guests of the encampment, be encouraged to mingle with residents of the city, and return to their camps Sunday night. Next week another group will be selected. The program will be continued indefinitely.

The plan, according to those directing it, is to provide recreation for the youths, and to promote mutual friendliness and interest between residents of the Pacific northwest and the boys of the CCC. The young men will be encouraged to participate in the activities of whatever religious, lodge and racial affiliations they may have.

To Give Talk—Mayor E. M. Wilson will tomorrow evening at 5:30 o'clock give a short talk over radio station KMEM, in behalf of the Medford fire department and the Thanksgiving dance they are sponsoring next Thursday. The funds are to be used in preparing the Christmas toys which are distributed annually to poor children.

Religion's Cost Not Too High Is Evangel's Word

Rev. C. W. Cutler gave a very forceful sermon Thursday evening at the First Baptist church to the people who say "There is too much to give up."

Scripture upon which his sermon was built was "What shall it profit a man if he shall gain the whole world and lose his own soul?" "Young people," said Cutler, "are willing to say that Jesus is the Son of God and that He calls us to service for Him—but they say, 'There is too much to give up.' We are right in counting the cost of religion because it is expensive but it costs God and His Son infinitely more than it will cost us."

"We have failed to think that Christianity calls for the very best in us. People come into the church and then find that their membership is going to cost them something—that it isn't free—then they say, 'Oh, there is too much to give up.' But even though it may cost us greatly it pays a great deal more than it costs."

"You will never give God an hour of your time nor a dime of your money but He returns more than you gave. He has promised to return to us a hundred fold."

Again, Mr. Cutler, stressed that fact that the things we are asked to give up are nothing compared to what we have to gain. The real joy and real thrill in life is that of serving Jesus.

Being young people's night the young people were featured in the program. The chorus sang "Master, the Tempest Is Raging," and the young ladies' quartet sang, "List to the Voice."

The subject for tonight is "What We Know About the Second Coming of Christ," without speculation or excitement.

Come and enjoy our welcome.

FOG LOOSENS GRIP ON PLANES, SHIPS

PORTLAND, Ore., Nov. 24.—(AP)—Airplane and ship traffic was restored to a more nearly normal basis here today as the fog, which caused widespread delays yesterday, was partly dissipated over the northwest.

Planes were operating close to schedule this morning. There was some fog over the airways, but it was light at most points except in the vicinity of The Dalles and Hood River.

Ships were fogged to anchor in the Columbia and Willamette Rivers late yesterday, but the fog disappeared during the night and traffic was about normal this morning.

WESTERN SQUAD FOR ROSE BOWL STILL UNKNOWN

PASADENA, Cal., Nov. 24.—(AP)—The western representative for the annual rose tournament football game here January 1, 1934, positively has not been selected and probably will not be named for some weeks to come, Hal Reynolds of the Rose Bowl committee said today.

"I'm ready to make my annual denial," said Reynolds, "that any team has been selected. No selection will be made before Saturday and probably not for several weeks to come." As in other years, the western representative will be selected from the Pacific coast conference members at a meeting to be called by the Rose tournament committee. The vote of the southern California newspaper men will decide the selection where the conference title is clouded, such as is apt to be the case this year.

On the basis of this, Stanford, California and Southern California are the most outstanding contenders. Should Stanford beat California tomorrow, the Indians probably will get the call. Should the Golden Bears win, any one of five members of the group have an outside chance or better, with the three leading California institutions still holding the edge.

While the general opinion prevails that it would be best for the Rose Bowl game if the Trojans did not get the bid the third straight year, defeat of Stanford, along with victories over Notre Dame, Georgia and Washington probably would force the Trojans into the picture.

The general opinion here was that Oregon's 26 to 0 defeat made the chances of the Webfoots very remote and a defeat by St. Mary's probably would eliminate them entirely.

Quartet to Sing—An interesting discussion on "I Do Not Feel Like It" was given by Dr. C. W. Cutler Thursday evening at the First Baptist church. The B. Y. P. U. girls' quartet sang "Whispering Hope." This evening the subject will be "The Second Coming of Christ." The ladies' quartet will sing "You Will Need Jesus"

Returns to Prospect—Joe Beck of Prospect, who underwent a nasal operation at the Sacred Heart hospital, had recovered sufficiently yesterday to return to his home.

'WHITE ZOMBIE' IS UNUSUAL MYSTERY

An eerie, spooky motion picture which for sheer mystery outdoes all its predecessors is "White Zombie," which opened at the Studio theater this afternoon.

This picture may safely be said to be in a class by itself. For it deals with a subject which heretofore has been little short of superstition, and a not very well known one at that. Its story deals with occult practices in remote sections of Haiti where Zombies, or dead bodies, are dug from their graves and, by a process of sorcery, re-animated and put to work in the fields and mills as slaves.

Bela Lugosi, creator of "Dracula," carries the main burden of "White Zombie," and no more sinister character portrayal can be imagined.
