HOME LOANS FOR FOUR AID COUNTY, CITY TREASURIES

Completion of four loans which will contribute much to the solution of the tax problems of Medford and Jackson county, was reported today at the Home Owners Loan corporation headquarters here by Colonel E. E. Kelly.

There were three tables of cards in play during the afternoon and additional guests enjoyed luncheon.

Of the four loans put through, the first bonds were given the First National bank of Medford, the second went to the First National bank of Ashland, S. A. Kroeschel receives the third order and B. W. Batten, also of Medford, the fourth.

The Home Owners Loan corporation, through these loans, Mr. Kelly explained this morning, paid up all city, county and state taxes delinquent, and discharged all of the city assessments against the property, in full, not only those due, but the full assessments were paid in cash to the city and county.

It is estimated, he stated today, that in Jackson county, the county will receive between \$30,000 and \$100,000 in payment of delinquent taxes, and the city of Medford a similar sum.

H. E. Wolters, assistant manager of the loan corporation in Oregon, was here yesterday closing the loans. Edward B. Ashurst, district manager, with headquarters in Klamath Falls, was also here, both making every effort to expedite the loans.

The mortgage holders are showing a great deal of civility to the mortgagors, Mr. Kelly stated, and have cooperated to the fullest extent with the Home Owners Loan corporation.

The corporation is encountering very little difficulty in getting them to accept the bonds. The cooperative of banks and individual money lenders throughout the county was also mentioned today as having made the work much easier here.

Mr. Ashurst and Mr. Kelly went to Ashland this morning to deliver bonds to the bank there.

Discussing the local situation, Mr. Wolters stated today that he was well pleased with the cooperation given by city and county officers in the completion of the loans.

Although located in Klamath county, Mr. Ashurst has given much time to Jackson county and completion of the four loans announced today is welcomed here as means of alleviating to a great extent the local debt load.
