WASHINGTON, Dec. 1 .- There was more than a whim behind the extraordinary manner in which Prosessor Groves of Wisconsin was offigially beheaded as administration master mind on taxes.

Groves was hired by Treasury Sec retary Woodin to work out a federal retary Woodin to work out a recera tax reform program. He had not yet arrived at his desk when Treasury Director Morgenthau fired him with-out explanation and hired Professor Roswell Magill of Columbia in his

The matter was hushed up effect-sively in the rush of what appeared to be more important business.

The underlying cause was the fact that Professor Graves is a pal of Senator La Follette. That would not disqualify him, but he also is an advocate of redistribution of wealth through confiscatory inheritance axes. He drew the La Follette tax

It is more likely than you know that the administration will get around to something like the Groves ideas of taxation within the next year. But his appointment was a factical blunder. It was an announce-But his appointment was a

Debate On Amendment to Knox Control Plan Cut Short by Vote-Bill Comes Up As Whole Later Today

SALEM, Dec. 1.— (AP) —The house of representatives today re-fused to go into a committee of the whole to consider the Kuox liquor control bill section by sec-tion. Representative B. F. Nichols made the motion favoring prooss made the motion involving pro-hibition of iliquor advertising in newspapers. Defeat of the mo-tion indicated that the Knox plan will stand or fall as recommended out of the iliquor control committee.

SALEM, Ore., Dec. 1.—(AP)—Cutting debate on the amendment to, the Knox liquor control plan short, the Knox liquor control plan short, the house at noon today voted out the 22 per cent alcoholic content of liquors to be served by hotels, restaurants and clubs in favor of 14 per cent volume in wines and beers only. The vote was 41 to 42.

The vote on the amendment was not a vote on the amendment was not a vote on the amendment.

ment that the tax question would be not a vote on the entire Knox pian studied by a biased partisan who already had a plan. After all, some display of open-mindedness rust be made about such things.

The how that went up inside was be brought out for consideration mittee for minor changes and will be brought out for considerations. tion this atternoon at 2 o clock. The bill itself was sent back to the com-mittee for minor changes and will be brought out for consideration as a whole immediately. In voting on the amendment, sev-

beers only was as follows:

etics company, who disappeared \$29,108.85 until the last of October with two more months to go, a deficit

The plane was ordered to fly low over the highway as it follows the Columbia river near Connell, west of Sheriff N. J. Baillie of Franklin

The new man, Magill, is a lawyer.

He is not trade-marked with any animounced theories. It is assumed he will give the problem a more open-minded study.

The announcement that he is going only into the technical administrative features of taxation was designed to guide the frightened big taxpayers.

The truth is that Morgenthau will send him after the roots of the whole federal taxation system. Everyone knows he will find that the present goes not provide a proper flow of sexting the content of the present foces not provide a proper flow of sexting the announcement, several members explained their votes, and members explained their votes, and members explained their votes, and members a fight, November 11. They stopped there to purchase eigaretts.

The young women left here in a light coupe, intending, they said, to go to Klamath Fails, Ore, where they would join the party of demonstrators with which they were traveling. They said they planned to turn west on the highway out of Pasco, and reach Klamath Fails via Takima, Wash, and been definitely established the young women were in Connell about mid-night, November 11. They stopped there to purchase eigaretts.

The roll call on the amendment, seven men in members explained their votes, and members explained their votes, and members explained their votes, and mem Riameth Palls via Yakima, Wash, and Biggs, Ore. The fear was expressed by authorities their car plunged into the Columbia river in the dense fog that covered the area on that night

The old line about letting George do it is being revised by Mr. Rooseyelt to "let Henry do it."

The president intended to make
Henry Morgenthau case of the distilling kingdom in addition to his
other duties. Morgenthau heard about
it and ran to Louis Howe in an effort
to stop the announcement.

alone for this year, was introduced by the county delegation and ex-plained by Senator Dunn.

Due to the unusual criminal prose-cutions attuation in Jackson county

a dief and interior secretary in an an-awering atatement.

Smith, 1928 Democratic presidential candidate, held that the new \$400.000 Civil Works Administration is being created to do the job-provid-

cutions altuation in Jackson county this year with the budget already that year with the budget already made up, conditions arose beyond the control of the officers of the county.

SPOKANE, Wash., Dec. 1.—(AP)—
A National Guard observation plane it is unjust to hold these men responsible. Senator Dunn declared. The Jackson county budget included for county count expenditures the continued, "there will be no more public works administration," amount of \$8430 with expenditures of the public works under way on February and company who dispursated \$2,108.85 with expenditures of the budget included for PWA, a "crany, top-leavy structure choked with bureau-crace and red tape."

Calls CWA an Allbl.

"Without a complete reorganization of the Public works Administration," the continued, "there will be no more public works under way on February and continued, "there are to be a continued to be a continued, "there will be no more public works under way on February the continued to be a continued to \$29,108.86 until the last of October with two more months to go, a deficit of \$20,000. The county clerk's office at the same date was \$2.23 "in the red" and the sheriff's office \$384.83.

Demand was made for a special audit which cost an additional \$2050 and which revealed the clerk's are

red" and the sheriff's office \$384.53.

Demand was made for a special audit which cost an additional \$2050 and which revealed the clerk's accounts 25 cents off and the sheriff's 50 cents. Overdrafts on October 31 aggregated \$32.024.45, Senator Dunn pointed out.

The above measure protects the county court from political "bush-whacking" in the future, and one of the steps necessary to straighten the continuation of the steps necessary the continuation of the

The above measure protects the county court from political "bush-whacking" in the future, and one of the steps necessary to straighten out the tangled conditions arising from the Fehl-Banks regime. It also rive this latest outburst. The Civil Works Administration was a logical development of the public works pro-gram." wipes out any technicality that might

NEW YORK, Dec. 1.—(P)—Alfred E Smith, in the December New Out-look, called the government's civil yer. In the last analysis, the measure is said to be precautionary. The "Febl economy" will cost Jackson county close to \$100,000 when all the figures are added up, officials say. The books now show about \$65,000 expended, including county commissary, \$14,000; apecial audit, \$2850; cost of the Banks murder trial and ballot theft cases, \$25,000.

The county court recently ruled that it would not pay Fehl's private gasoline bills or telephone messages to his lawyers, or telegrams dispatch. (Continued on Page Pour)
