

# DRUNKEN DRIVE NETS \$100 FINE AND JAIL TERM

Louis J. Marvet of this city, charged with drunken driving, was fined \$100 and costs, sentenced to 30 days in jail and his auto license suspended for one year by Justice of the Peace William R. Coleman yesterday. Marvet paid the fine and costs, amounting to \$104.50, and was paroled.

Cecelia Elizabeth Cox, charged with drunkenness on a public highway, was fined \$10 and costs. She paid the costs and half the fine and the balance was suspended.

The above were two of 17 cases that appeared yesterday before Justice Coleman and it was the heaviest gavel since the Monday following the day that Oregon overhauled prohibition. Most of the cases concerned violation of the auto laws.

Harvey B. Miller was cited to appear before the court today for alleged illegal practice of medicine in this city. The complaint was sworn to by A. H. Davis of the state medical board. Miller is alleged to have offered to "diagnose, treat and cure" Frank McKittrick.

J. H. Robinson of this city paid \$5 and costs for improper license plates, and Ernest H. Bean forfeited \$80 bail on the same charge.

Guy W. Cox, charged with operating a truck without a public utility license, entered a plea of not guilty and trial was postponed.

Martin Whalen, charged with illegal numbers upon his auto, and Chester H. Moore, charged with illegal lighting of license plates, were scheduled to have hearings today. Whalen lives in the Butte Falls district; Moore in this city.

is from Dennison university. Admiral Gray Grayson, who was Woodrow Wilson's physician, has been getting some patronage lately, including one of the District of Columbia commissions.

The best authorities estimate that Christmas shopping will be 10 to 25 per cent more than last year, in dollar volume.

## Phoenix

PHOENIX, Dec. 12.—(Sp.)—Miss Lottie Watkins was happily surprised when a group of Girl Scouts called at her home Friday afternoon and gave her a surprise party in honor of her birthday.

After an enjoyable afternoon, refreshments were served. The birthday cake was made by Mrs. W. E. Poling, lieutenant of the Girl Scout organization. Eight Girl Scouts attended.

Mr. and Mrs. George Drake, were guests at the home of Mrs. L. O. Caster Friday at a waffle supper.

Extension club of Phoenix will meet at the Presbyterian church December 13. During the morning, demonstration will be given on cheese dishes, and in the afternoon, lessons on Christmas suggestions. Covered dish luncheon will be served at noon. All ladies of the community are invited.

Thimble club of Oak Circle met with Mrs. George Drake Friday afternoon with 11 present. The ladies are to commence work on a quilt at their next meeting, the pattern chosen being a basket. Each lady is to prepare a block. Next meeting will be at Mrs. John Roberts' January 4, with Miss Lula Roberts assisting with entertaining.

Twelve ladies of the Phoenix Grange met at Mrs. L. O. Caster's Wednesday to organize a Home Economics club. Mrs. Victor Bursell of the Central Point Grange, Home Economics chairman of the Pomona Grange of Jackson county aided with the organization.

As the president of the club is the chairman of the Home Economics committee of the Grange, and a new chairman will be appointed to take office in January, she was not elected at this meeting on Wednesday. Other officers were: Vice-president, Mrs. End Caster; secretary, Mrs. Ada Bell, and treasurer, Mrs. Ethel Rockersmith. The club will meet the 2nd Tuesday afternoon of each month at the home of one of the members. The next meeting will be held January 16 at Mrs. C. A. Knudson's.

Card of Thanks.

We wish to express our sincere appreciation to our many friends for the kindness and sympathy extended us during our recent bereavement; also for the beautiful floral offerings—Mrs. O. A. Tyrell, Mrs. Mary Gray, Mrs. Eva Trus, Mrs. Celia Andrews, Mr. F. L. Handley, Mr. J. E. Handley and families.

## AN IDEAL GIFT

For Your Friends...a Box of Fruit For YOU...Reduced Shipping Costs

What better gift than a box of new season apples and pears? What better way to send them than by Railway Express, insuring speed, safety—and economy now that shipping rates have been materially reduced? When our representative takes charge of your shipment he gives you a receipt covering liability up to \$50. To prove delivery we take a receipt—double-barrelled protection for you.

## HEALTH SEAL AID ASKED OF ROTARY BY MRS. D. CLARK

An earnest plea for support of the annual Christmas seal sale was made before the members of the Medford Rotary club today by Mrs. Donald Clark, one of the prominent Medford women identified with the health activities in this section of Oregon. Mrs. Clark urged the Rotarians not to stop with financial assistance but to thoroughly familiarize themselves with the splendid work being accomplished by the national association dedicated to the task of fighting the spread of tuberculosis.

As evidence of the success of the campaign against this dreaded disease, the speaker presented figures which showed 68 deaths from tuberculosis in every 100,000 people in 1931 contrasted with 201 deaths in 100,000 people in 1904. According to authentic figures, there are nine active cases, cured to a great extent, to every death from this disease. "In early diagnosis and intelligent treatment lies the hope of cure from tuberculosis," Mrs. Clark said. "Much of the proceeds from sale of Christmas seals is expended upon a campaign of education as well as actual prevention, and the seals provide the only revenue for this very worth while effort."

Mrs. Clark also reviewed the history of tuberculosis, telling the Rotarians that research has disclosed the fact that pre-historic man was afflicted with this disease. The location of the germ was effected in 1882 and, since that time, great strides in controlling it have been made in the medical field. The speaker also pointed out that the death rate of tuberculosis is greater between the ages of 20 and 50, the period when the individual is most active and economically valuable.

Plans are being worked out for a special Christmas party to be held by the Rotarians for the less fortunate children of this community, and President C. J. Suman appointed George Henselman to head the committee which will work out details of this event.

## BUTTER AND EGGS AT LOWER PRICE

PORTLAND, Dec. 12.—(AP)—General reduction in the price of cube butter during the late session of the exchange was not unexpected. Butterfat was generally off 1c lb. for the day.

Reduction of 1c dozen in all egg prices named by the Pacific Co-op, effective today, was being quoted by other operators with some selling even lower.

Light supply of chickens continued to arrive here but operators were still unwilling to advance bids. There was a better feeling in the east, which may eliminate midwest poultry in California.

Still another reorganization of the produce exchange has been accomplished here. An effort was being made to wrest the making of egg prices away from the co-op.

## Sugar Declines Dime a Hundred

PORTLAND, Dec. 12.—(AP)—Cut of 10c per hundred pounds in the price of refined sugar at Portland, following a similar cut at coast refining points, was announced by wholesalers, effective at once. The new selling price on cane granulated is \$4.75, special granulated \$4.55 and beet \$4.45, to retailers here.

## Agnes Copeland Rites Wednesday

Funeral services for Agnes E. Copeland, who passed away here Sunday, a notice of which appeared in Monday's issue of this paper, will be conducted by Rev. W. H. Eaton at the Conger chapel at 2 p. m. Wednesday. Interment will be in the Jacksonville cemetery.

## Slater Funeral 10:30 Wednesday

Funeral services for James W. Slater will be held at the Per Funeral Home Wednesday morning at 10:30 o'clock with Elder Ray Hay officiating. Interment will be in the Medford L. O. O. F. cemetery.

PORTLAND, Dec. 12.—(AP)—Eight county relief workers, riding in the back of a dump truck, were injured today when the dumping lever was accidentally tripped by a passenger in the front seat. The sudden upending of the truck bed hurried the men to the pavement from the moving machine.

WANTED — To borrow \$1200. Good security. Box 1874, Tribune.

FOR SALE—3 young cows, 637 Pine St.

**TWIN IGNITION**  
Puts Extra Punch in Power!

**In Every 1934 NASH**

ON the day you step into a 1934 Nash for your first ride behind a Twin Ignition valve-in-head motor, that day, that ride, will leave in your memory a thrill you'll never forget!

The Twin Ignition power of a 1934 Nash (any model) lifts Nash out of the realm of transportation and into the sphere of sport.

The extra spark in each cylinder is the vital spark in extra results. Getting right down to brass tacks, it means 22% more power, 5 miles an hour more top speed, and 2 more miles per gallon of gasoline. All that difference between a motor with Twin Ignition and the same motor without it!

Driving is believing. Power is the proof. Step out ahead in a Twin Ignition Nash!
