SENIOR CAGEMEN DEFEAT JUNIORS

(By Harold Grove.) Upholding the tradition of predominating power in basketball, the senior class of Medford high school successfully defended their record with a 22 to 7 victory over the junior class yesterday afternoon at 4 p. m. in a hotly contested basketball game. This is the first of a series of interclass basketball games to be played to determine the class championship of the school. Only those who have won a big "M" in basketball are eligible to play in the class games. These games will determine the basketweaver to represent the Red and Black. A group of boys will probably be selected from the interclass basketballers along with the veterans of last year to represent the Tigers in the coming season. The lineup: Seniors (22) (7) Juniors: Stuart F. Campbell, Sherwood F. Hicks, Kroechel C. Ettinger, Pierce G. Bates, Fernbrook G. Williams.

GREENLEAF WINS SECOND VICTORY

CHICAGO, Dec. 12.—(AP)—While the leaders, Andrew Ponzal of Philadelphia, and Jimmy Casas of Wilmington, Del., took a day off, a half dozen other entrants in the world pocket billiards championship tournament were out to do repair work on their records. Casas won his third straight victory last night, 125 to 86, over Charles Seaback, Astoria, N. Y., in 15 innings. The victory kept him in second place, a notch behind Ponzal, who had won four engagements. Ralph Greenleaf, the defending champion, who meets his old rival, Frank Tageraki of Schenectady, N. Y., tonight, won his second victory in four starts yesterday, 125 to 84, from Paquale Natale, Chicago. The match went 10 innings and Greenleaf played his best billiards of the tournament.

JACKSON PINIONS M'GUIRE TWICE

PORTLAND, Dec. 12.—(AP)—After losing the first fall, Bulldog Jackson, 160, of Klamath Falls took the next two to win the main event on last night's wrestling program here from Mickey McGuire, 157, of Salem. Jack Dempsey, former heavyweight fight champion, was the third man in the ring. Dempsey will referee a wrestling card at Salem tonight and in Medford Friday night. Robin Reed, 156, Reedsport, defeated Jack Dumar, 156, Walla Walla, two falls out of three, in the semi-windup. Rob Roy, 189, Detroit, won from Logger Heibert, 160, St. Helena, taking two falls out of three. Don Rugal, 160, Salem, defeated Jesse McManis, 157, Portland, taking one fall in the opener.

'CLIPPER' SMITH GOING TO SOUTH IS RUMOR

SAN FRANCISCO, Dec. 12.—(AP)—Reports that Maurice "Clipper" Smith, football coach at the University of Santa Clara, may accept a similar position with some college in the southern states were current today. Smith declined to comment on the reports, which were to the effect that he had received tentative offers from the University of Kentucky, Georgia and Auburn.

REAPPOINTMENT IN BAG FOR HARVARD'S COACH

BOSTON, Dec. 12.—(AP)—Edward L. Eddies apparently is headed for reappointment as head coach of the Harvard varsity football team for the 1934 season. Formal announcement of his reappointment will not be made for several weeks, but it was broadly hinted last night during the victory smoker tendered the Crimson football players at the Harvard club.

OPEN SEASON FOR ELK PLANNED AGAIN IN 1934

PORTLAND, Dec. 12.—(AP)—A statement that less than half the annual increase of the elk herds in eastern Oregon was killed during the open season this fall, was accepted by the state game commission at its meeting here Monday, and the game supervisor was instructed to report before March 1 with recommendations as to dates and conduct of the 1934 open season on the big animals. Chester E. McCarty, assistant attorney general assigned to the game commission, reported that every case prosecuted in Union county in which a hunter was charged with wanton killing of elk during the recent open season, resulted in conviction. Two cases are pending. The commission was to continue its regular session today, with a discussion of the proposal of Dr. O. Larsell of University of Oregon Medical school, that the game commission cooperate in establishment of an Oregon biological laboratory at Coos bay. Max Gehlar, director of the state fair, suggested that by the expenditure of not more than \$1500, the game commission could arrange a permanent location for display at the fair. An increased appropriation for predatory animal control in Oregon will be sought of congress, the commission decided. Sage hens face extermination, and blue grouse are threatened, it was said, because of actions of predatory animals and birds. About 75 Hungarian partridges will be trapped in Umatilla county to aid in breeding work.

GUN CLUB PLANS BIG CHARITY SHOOT

Medford Gun club, in co-operation with the Medford Rifle club and the Roxy Ann Grange, will stage a charity shoot December 17. This is expected to be one of the biggest shoots of the kind ever held in this section of the country.

Contributions of turkeys, ducks, geese, chickens, hams, bacon, sausage, wood and various items of merchandise have been received by the general committee, all of which will be disposed of in various ways on the day of the shoot. There will be the usual shotgun, rifle and pistol shooting, and in addition many novel stunts will be introduced. Practice scores December 10: 25 Targets. Elmer E. Wilson 24
