

YULE CONCERT AT JACKSONVILLE TO FEATURE HOLIDAY

One of the entertaining musical events of the coming week which is attracting a full measure of interest among the music lovers of the vicinity is the Christmas concert to be given by the Jacksonville Orange chorus Wednesday evening, December 20, at 8:15, in the Jacksonville Grange hall.

The program, which includes the cantata "Beethoven," piano and organ duet, and chorus and solo features, is open to the public. There will be no admission charge, but a silver offering will be taken to be used in purchasing new music for the chorus.

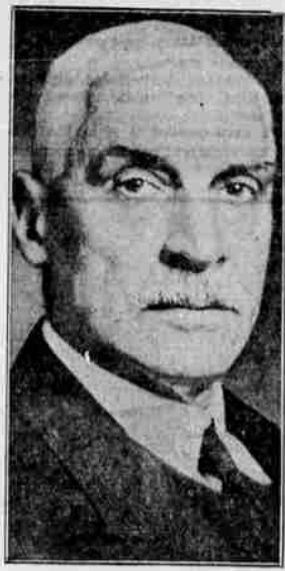

May Jordan MacDonough is director, Mabel Sims pianist, and Ruth Severance organist.

The program:

Piano and Organ "Prelude"—Weston Mabel Sims and Ruth Severance
"Silent Night"—Gruber
Chorus
"O Little Town of Bethlehem"—Ambrose
Women's Chorus
Soprano Solo, "Voices of the Sky"—Matthews

Katherine Wendt
Cantata, Bethlehem—Root
Par I
Chorus of people on their way to the temple: "God of Our Fathers."
Chorus of the Herodians accompanying Herod: "Lo, the King Cometh."

"Among the Fields of Nazareth"—Rowana Frye and Anna Wendt.
Chorus: "O Saviour, When This Life Is O'er"—Chorus: "Blessing and Honor and Glory and Power Be Unto Him That Sitteth Upon the Throne"—Full Chorus.

SAN FRANCISCO CREAM WILL GO UP 50 CENTS

SAN FRANCISCO, Dec. 15.—(AP)—San Francisco milk distributors have notified the city department of public health there will probably be a cream shortage after January 1, necessitating a general increase of 50 cents a gallon in the price of cream for San Francisco.

January 1 is the date when the new city ordinance providing that all commercial cream must come from tuberculin tested cows becomes effective.

Bristow, Okla., no longer has a "white way." The city officials turned off the lights to save money.

AMERICA AT WAR FOR SEVEN YEARS DECLARES AMORC

During 1934 the great American government—the government of the United States of America—will lay the foundation for the greatest war ever conducted under the American flag, according to a brochure entitled "1934—and War," issued by the grand lodge of the Rosicrucian Order, AMORC, with national headquarters at San Jose, Cal., and received officially by Dr. C. R. Simkins of 542 South Ivy street, Medford, local commissioner of the society. The brochure further states that the great war will last probably seven years. It will be a war principally between the citizens of the United States. It will be the world's most unique war, it is declared, because it will be war of construction instead of destruction. It is to be war against the greatest enemies—corruption, crime, syndicalism and civic sluggishness. It will not be fought with machine guns or poison gas, but with the weapons of new ideals, tolerance, development of culture and freedom of individual expression.

The brochure prophesies the eventual results of this unique combat. It states, according to Dr. Simkins, that President Franklin D. Roosevelt will be the last President of the United States to function and supervise affairs of this nation in the same manner or under the same constitutional rules. The new form of government will be an intelligent dictatorship. It predicts the formation of an anti-crime movement which will have chapters in every community, and whose duty will be to instruct the younger people in the fundamentals of good citizenship. It asserts that the liquor industry will face a serious problem because of decreased desire for liquor not anticipated by the manufacturers. It declares the department of justice activities will be broadened to investigate the negligence of state officials in the enforcement of law.

The brochure concludes with the statement that the real power of the country in the future will be placed in the hands of those who have shown and demonstrated the ability to govern and control their own personal affairs and make a success of their lives. It will place those who are indifferent about their own progress and high standing in the social standards of the nation beyond any power to influence or direct the affairs of the nation.

Phoenix Juvenile Circle Will Meet

PHOENIX, Dec. 15.—(Sp.)—Juvenile circle of Oak circle No. 242 will meet at the Grange hall here Saturday afternoon, and all members are urged to be present. This is the last meeting of the circle under jurisdiction of Mrs. Mildred Ward, senior guardian, and she is planning a Christmas party for all the members. The meeting will be called at the usual hour.

BRIDGE FALLS WHEN FIRE MELTS GIRDERS

SEATTLE, Dec. 15.—(AP)—The \$65,000 steel bridge on the Sunset highway, just above Snoqualmie falls, collapsed and fell into the Snoqualmie river near midnight last night after a huge gasoline truck had crashed into the railing, and burst into flames.

The heat of the burning gasoline melted the steel girders of the span, causing the north half of the bridge to plunge into the river, 20 feet below. The remainder of the bridge soon followed.

FEDERAL LIQUOR CASES TO DROP

SAN FRANCISCO, Dec. 15.—(AP)—The United States circuit court of appeals for the ninth district, composed of the western United States, ruled today that repeal of the 18th amendment deprives federal courts of the power of proceeding to final judgment in cases of persons charged with violation of the national prohibition act.

The court ruled that congress had lost all power granted it by the 18th amendment by the repeal in the states. Territories, where the power of congress is plenary, are however, excluded.

The ruling means that those persons who have been charged with violation of the national prohibition act and who have not been brought to trial, and those who have been convicted and appealed their cases to

UTILITY BATTLES GAS RATE SLASH

SAN FRANCISCO, Dec. 15.—(AP)—The Pacific Gas and Electric company today asked the United States district court for a restraining order preventing the California Railroad commission from enforcing its order of November 13 reducing the utility's natural gas rate by \$2,100,000 annually.

The motion was accompanied by nine affidavits signed by A. F. Hockebeamer, president of the company, and eight other officials of the utility, claiming the commission's decision was discriminatory and confiscatory. The case was assigned to Federal Judge A. F. St. Sure.

TEST OF LIQUOR LAW HELD NEED

PORTLAND, Dec. 15.—(AP)—I. H. Van Winkle, state attorney general, and Frank Grant, Portland city attorney, have agreed that a test of the constitutionality of the Knox liquor control law should be undertaken in the supreme court.

The two men met yesterday and reached this conclusion, it was said today, but they agreed the test should not be made until the bill has been signed.

It was further explained that cities of the state should make a thorough study of the new law, to determine what effect it will have on them and whether it would be to their advantage to agree to state control or to exercise their own control under home rule.

Alaska's herd of buffalo has increased to 80 from 23 since it was established in 1928.

ORANGE, GRAPEFRUIT AGREEMENTS SIGNED

WASHINGTON, Dec. 15.—(AP)—Marketing agreements for Florida, California, and Arizona oranges and grapefruit were signed today by Secretary Wallace, to become effective at midnight tonight.

A resident of Kelseyville, Cal. lights and heats his home with marsh gas.

MRS. HEN: "DEARIE, WILL YOU TELL ME WHY WE DON'T GET ANY CAKE ANY MORE? SHE USED TO THROW SOME OUT REAL OFTEN!"

MR. ROOSTER: "MY LOVE, DON'T YOU SEE THAT CAN OF CALUMET BAKING POWDER ON THE SHELF AND THAT CALUMET RECIPE BOOK? SHE DOESN'T HAVE TO THROW AWAY ANY CAKE NOW!"

Yours always depend upon Calumet Baking Powder to give successful results. The remarkable texture of Calumet cakes—the delicate fluffiness of Calumet biscuits—the "velvety crumb" of Calumet cakes—is held in reserve to act and muffins—are the result of perfectly controlled Double-Action. The first action takes place in the mixing bowl—but the second is held in reserve to act in the heat of the oven. It is the two actions, so well-balanced and sure, that make all Calumet baking rise to such beautiful, even lightness. Notice the thirty small proportion called for in Calumet recipes—usually only one level teaspoon to a cup of sifted flour, much less than with many baking powders. Thanks to Calumet's efficient Double-Action—a little goes a long way!

Ribbon Cake—(3 eggs)

3 cups sifted Swans Down Cake Flour	¼ teaspoon cinnamon
3 teaspoons Calumet Baking Powder	¼ teaspoon cloves
½ cup butter or other shortening	¼ teaspoon nutmeg
1½ cups sugar	1½ tablespoons molasses
3 egg yolks, well beaten	½ cup raisins, finely cut
1 cup milk	½ cup figs, finely cut
3 egg whites, stiffly beaten	

Sift flour once, measure, add baking powder, and sift together three times. Cream butter thoroughly, add sugar gradually, and cream together until light and fluffy. Add egg yolks and beat well. Add flour, alternately with milk, a small amount at a time. Beat after each addition until smooth. Fold in egg whites. Fill two greased 9-inch layer pans with two-thirds of mixture. To remaining mixture, add spices, molasses, and fruit, and pour into one greased 9-inch layer pan. Bake layers in moderate oven (375° F.) 25 minutes. Arrange spice layer between light layers. Spread red currant jelly between layers and boiled frosting on top and sides of cake. (All measurements are level.)

Another woman cheers for Calumet
