

TURKEY PRICES ARE SET HIGHER

SAN FRANCISCO, Dec. 15.—(AP)—A cheering surprise to turkey growers swept down on the Christmas market here today when George Makina, general manager of the California Turkey Growers association, announced prices to wholesalers had been fixed by the association at 18½ cents a pound for toms and 19¼ cents for hens of all sizes.

These prices rule the marketing activities of some 500 California growers, and also regulate the incoming Oregon business, for which the association serves as marketing agent. Prices on the Oregon turkeys are the same as those produced in California.

Gold Price Same On Thirteenth Day
WASHINGTON, Dec. 15.—(AP) The

government's gold price today was kept at \$34.01 an ounce.

This quotation for newly-mined domestic gold—fixed December 1—was repeated for the thirteenth business day. The retention today followed a White House conference on the monetary question last night at which it was said no early stabilization was in sight.

NEW YORK, Dec. 15.—(AP)—Stocks backed and filled today in a dull and featureless market. Most of the leaders followed an extremely narrow

groove until the last hour when a selling flurry brought losses of 1 to around 3 points. The list rallied, however, and extreme declines were pared. The close was easy. The turnover approximated only 1,100,000 shares.
